## ABOUT FACULTY OF EDUCATION

The Faculty of Education aims to foster the growth of the individual through constructing knowledge collaboratively and creating an open environment that nurtures the spirit of progressive teacher education. The programmes aim at developing the understanding and competencies required by practicing teachers for effective teaching-learning processes at the secondary school level. At the same time, it prepares prospective teachers to understand the psychological and sociological aspects of the child's development and understand his or her behaviour under different conditions.

## WHY FACULTY OF EDUCATION ?

- 1. Academic Excellence:** Professional-oriented, skill-based, and competency-based curriculum that is in tune with practical and field-based activities. Use of bilingual mediums of instruction and examination to cater to the educational needs of students from both rural and urban backgrounds.
- 2. Diversity and Inclusion:** Students get a chance to work and interact with people from all over the country, and the knowledge and diverse perspectives available contribute significantly to their growth.
- 3. Research and Innovation:** The faculty has submitted extramural and intramural projects for funding to government agencies. Faculty members are engaged in research activities and actively encourage students to take up start-up projects through our incubation centre and do publications in Scopus Indexed Journals/UGC Care journals.
- 4. Global Opportunities:** The university has international tie-ups on teaching and research aspects, including the promotion and development of academic collaborations through student and faculty exchange programs, extended to scientific research, scholar visits, short-term study tours, cultural exchanges, etc.
- 5. Career Service and Industry Partnerships:** Faculty provides 100% placement assistance to eligible candidates through industry mentors in the form of mock interviews, industrial visits, workshops, industrial internships, bootcamps, and networking events with potential employers. Aligning students with industry requirements for placements and providing them with career services is supervised by CRC.
