5. 5th June 2023 Clinical Skill Enhancement Workshop cum Lecture on "Magnification in Dentistry: An Insight"

Perio Unnati Association (PUA) of Department of Periodontology, Faculty of Dental Sciences, SGT University organized a Lecture cum Hands-on workshop on "Magnification in Dentistry: An Insight " with Envision Medica Zumax, India, as our Industry-Academic partner. Dr. Amit Bhardwaj (Professor & Head, Convener PUA), Dr. Shalini Kapoor (Advisor, PUA) and Dr. Vidushi Sheokand (Co-Advisor, PUA) welcomed the speaker Dr. Simran Sethi and the President of Envision Medica, Mrs. Sanjaya Sen, with a certificate of appreciation and a sapling. The event was graced by the presence of Dr. Sham Lal Singla Sir, Advisor SGT University, Dr. Omkar K Shetty Sir, Dean, Dr. Shourya Tandon Sir, Associate Dean, all heads of department, faculty members, and students. Dr. Simran Sethi, Key Opinion Leader for Dental Operating Loupes, Zumax, contributed her insightful knowledge and considerable experience in the field of magnification. She emphasized the value of magnification and inspired the dental faculty and students to include it into their practices. The hands-on session was successfully carried out by the team from Zumax (Envision Medica). All participants had inter-pupillary distance (IPD) assessed, and dental operating loupes were given to them by the team for hands-on. Under magnification, students performed dental procedures like tooth cavity and crown preparation after learning about hand-eye coordination. The teachers and students gave the clinical skill enhancement lecture and workshop very positive reviews, making this programme a huge success and a good learning experience.

DEPARTMENT OF PERIODONTOLOGY

LIST OF CDE/ EVENTS – 2019

1. 8th January 2019 CDE cum Workshop on "Advanced Implantology and Sinus Lift Latest Technique" by Dr. Sung Min Chung, founder and Developer of Dentium Implant

Department of Periodontology, FDS in association with Dentium and IDA organized a CDE cum Workshop which culminated an enormous gathering of academician, private practitioners

, post graduate students and Interns. More than 250 delegates attended the enriching scientific extravaganza on "Advanced Implantology and Sinus Lift Latest Technique" by Dr. Sung Min Chung who is the founder and Developer of Dentium Implant. This was followed by an effective lecture and full-fledged hands on session by Dr. Tushar Chawla (Key Speaker, Dentium). From an operator stand point, every surgical technique comes with a learning curve, and this CDE cum Workshop was indeed a great learning experience by the expertise with more than 75 delegates successfully completing the hands on course

3. 1st August 2019 Oral Hygiene Day.

Like each year, this time again Dept. Periodontology, FDS celebrated Oral Hygiene Day on 1st August 2019. Professor & HOD, Dr. Priyanka Chopra invited Pro-Chancellor Dr. Sham Lal Singla Sir, Pro-Vice-Chancellor Dr. Gurpreet Singh Tuteja Sir, Registrar sir, HODs and all other teaching and nonteaching staff for inauguration which was marked by cake cutting. It was then followed by an exciting quiz competition, rangoli, and painting competition. The winners were awarded a trophy and a certificate. This was then followed by a free sample distribution for the patients and faculty members. Indeed the day was dedicated towards a social cause, to highlight the benefits of good oral health, spreading awareness about oral disease and promotion of maintenance of oral hygiene in both young and old. This year's theme focused on

- A Healthy Mouth for a Healthy Life.

3. 23rd March 2018 Live Surgical Workshop on the "Dental Hard and Soft Tissue Regeneration-Current Trends"

"CLINICAL SKILL ENRICHMENT INITIATIVE PROGRAMME" Faculty of Dental Sciences, SGT University, Gurgaon organized a Live Surgical Workshop on the "Dental Hard and Soft Tissue Regeneration-Current Trends" on the 23rd March 2018. The university premises was graced by the presence of eminent personalities in the field of Dentistry. The CDE was inaugurated by the esteemed chief guest & Speaker and University Officials, Dr Robert A Horowitz, Assistant Professor Periodontology & Implant dentistry, New York University, Dr Sham Singla Pro-Chancellor SGT University, Dr Anil Gupta Dean Faculty of Dental Sciences, Dr MS Sidhu Director PG Studies, with the lighting of the lamp. The scientific programme consisted of a lecture by guest speaker Dr Robert A Horowitz, Assistant Professor Periodontology & Implant dentistry, New York University On "Dental Hard and Soft Tissue Regeneration-Using Dentin graft prepared by freshly extracted Tooth". The lecture by the guest speaker enriched the Delegates and students as they encompassed all aspects of the Dental Hard

and Soft Tissue Regeneration -from the basics to the recent advancements. This was followed by a LIVE SURGERY demonstration on Immediate extraction and implant placement with freshly prepared Dentin graft from freshly extracted Tooth. The four-hour surgery was witnessed by over 200 people. This programme, not only sowed the seeds of interest in the budding dental students but was also a learning experience for the established and well known Dental Practitioners. All in all, it was a huge success!!!

DEPARTMENT OF PERIODONTOLOGY

LIST OF CDE/ EVENTS – 2017

1. 28th March 2017 Dr. Robert A Horowitz, DDS, International Faculty lecture on socket preservation

In a pursuit to make SGT University a world class university, the Department of Periodontology proudly inducted an esteemed Foreign faculty Dr Robert.A.Horowitz as an Adjunct Professor to the Faculty of Dental Sciences. The induction ceremony was a grand affair with those of SGT University attending the ceremony. Pro Chancellor Dr T.D. Dogra, Vice Chancellor Dr S.L.Singla and Registrar Mr T.K.Sharma formally inducted Dr Horowitz as Faculty Member. Dr H.S.Grover, Dean, Education, Examination and International affairs introduced Dr Horowitz to the audience. The ceremony was also addressed by Dr M.S.Sidhu, Dean, Research and development and Faculty Development. Dr Anil Gupta, dean, Faculty of Dental Sciences proposed the vote of thanks. Dr Horowitz has a passion for the latest in dental technology and has stayed up to date on all the current trends in patient care. He continues to research and lecture at New York University about the latest dental techniques and has

contributed to the field of microscopic surgery, bone growth factors, bone graft materials, and the optimization of dental implants. Ranked on the Best Dentist in Westchester list for 5 years, he has published 73 articles and 2 book chapters on his research. He is an editor for 6 major journals in the field of Periodontics and Implant Dentistry and continues to lecture, conduct and supervise research worldwide.

After the induction ceremony there were two informative lectures on current topics: Ridge preservation and innovations in regenerative therapy as well as on Peizosurgery. The lectures were conducted by Dr Horowitz and Dr Sachin Manidwar . Dr Sachin Manidwar, MBBS, MS, an entrepreneur and scientist who is a part of management of world renowned Orthogen Corp. Orthogen are manufacturers of High end research products related to tissue science and engineering. Dr Mamidwar has expressed great interest in furthering the partnership between SGT University and Orthogen.

2. 6th May 2017 LASER live surgery demonstration by Dr. Vidya Dodwad

Department of Periodontology and Department of Pedodontics & Preventive Dentistry, Faculty of Dental Sciences conducted the “Live Laser Surgery Workshop” by Dr. Vidya Dodwad, BDS, MDS, Diploma & Masters in Oral Laser, Vienna Medical University, Austria. The “Live Laser Workshop” was organized under the able guidance of Dr. Anil Gupta (Dean, Faculty of Dental Sciences) and Dr. H.S Grover (Dean, Education, Examination and International affairs). The event was inaugurated by the Vice Chancellor Dr. Inderjeet Singh Mann and the Registrar Shri HK Pir. The event was a full house affair, attended by faculty members, post-graduates, interns and BDS final year students with great enthusiasm. The gathering was welcomed by the Dean, Faculty of Dental Sciences and the Vice Chancellor, SGT University shared his words of wisdom with the young minds followed by vote of thanks by Dr. HS Grover. The academic lecture highlighted the use of laser technology in clinical cases of all dental specialties. Two live surgeries of depigmentation and frenectomy each were carried out in the Implant OT with live streaming in the TV Studio auditorium. This was followed by an interactive session with the guest speaker and the audience.

3. 25th May 2017 Hands-on workshop on modern endodontics with controlled memory files in Perio-endo lesions by Dr. Rita Chandaki in association with Coltene India Ltd.

Department of Periodontology and Department of Pedodontics & Preventive dentistry, Faculty of Dental Sciences, SGT University in collaboration with ISP Study Group Delhi NCR and Coltene organized a workshop on Modern Endodontics with Controlled Memory Files in Pediatric cases and Perio-Endo lesions by the guest speaker Dr. Rita Chandki (Key Opinion

Leader with Coltene, Whaledent, India). Program Convenor, Dr. Anil Gupta (Dean, Faculty of Dental Sciences) gave a warm welcome to the guest speaker as well as all Head of Departments, faculty members, postgraduate students, interns and BDS 3rd & 4th year students attending the event. The respected Vice Chancellor Sir emphasized the importance of such Continuing Education Programs amidst the lighting of lamp ceremony and wise words of Dr. M S Sidhu (Dean, Research & Development) Vote of thanks was given by Dr. H.S Grover (Dean, Education, Examination and International affairs, Convenor ISP Study Group, Delhi NCR).

Dr. Chandki presented an informative lecture by discussing the basics of Root Canal Treatment to customizing its protocol with HyFlex EDM and CM systems. The enthusiasm of delegates was best seen in the demo session which was projected live on-screen for the audience and hands-on session for the registered delegates. It was the most interesting part of the workshop. She emphasized the integration of technology with biology as the mantra for clinical success. Dr. Chandki shared many useful tips with special mention of uses in pediatric cases and treatment sequence for combined Perio-Endo lesions.

2. 1st August 2016 Oral Hygiene Day

1st August 2016 was a great day for the Department of Periodontology which began with the beautiful decoration of the department with colorful balloons and vibrant flowers. The atmosphere was full of enthusiasm, all ready to celebrate the oncoming events of the oral hygiene day. There was an inauguration in the department of Periodontology which was done by Smt. Madhupreet Kaur Chawla (Chairperson and Member of governing body, Board of Management). Tilak ceremony was performed and all the dignitaries were honored with tilak. Bouquet of flowers was presented to mam as a welcome gesture. Samples were distributed to the patients by Madhupreet mam and other dignitaries. Educational lecture was organized by Colgate- Palmolive India for Interns and Post

Graduates. The proceedings in the medical hospital were graced by The Honorable Vice Chancellor of SGT University Dr. Sham Lal Singla which was followed by distribution of the oral hygiene kits by the esteemed dignitaries to almost 500 patients. There was an educative presentation displayed to the patients about the oral hygiene maintenance, and the pamphlets emphasizing “perio- systemic” links were distributed to all present.

A team of doctors went to the Government school in Budhera where they explained about the good oral hygiene practices to the students followed by distribution of toothpaste samples to 150 children. Oral check- up of the students was performed by the doctors of the Faculty of Periodontology and the treatment was advised accordingly. Many teachers were also examined for oral diseases.
