ADMISSION PROCESS

ABOUT FACULTY OF AGRICULTURAL SCIENCES

The Faculty of Agricultural Sciences at SGT University, established in 2016–17, emphasises innovative learning, critical thinking, and a more holistic approach to education. Well-qualified teachers, a mix of young and experienced professionals drawn from reputed agricultural universities across the country, contribute to the faculty. The faculty boasts globally competitive infrastructure for teaching and research, including modern digital interactive classrooms, well-equipped laboratories, and protected cultivation facilities.

WHAT MAKES US STAND OUT?

- Academic Excellence:** SGT agriculture graduates and postgraduates are taught and trained as per the Indian Council of Agricultural Research (ICAR) recommended syllabus; therefore, they are fully competent to be employed in public and private organizations and in self-entrepreneurship.
- Diversity and Inclusion:** Students get a chance to work and interact with people from all over the country, and the knowledge and diverse perspectives available contribute significantly to their growth.
- Research and Innovation:** FASC UG and PG students are conducting research with extra and intra-mural grants received. The undergraduates are encouraged to write research and review papers, attend conferences and workshops, etc.
- Global Opportunities:** The university has international tie-ups on teaching and research aspects, including the promotion and development of academic collaborations through student and faculty exchange programs, extended to scientific research, scholar visits, short-term study tours, cultural exchanges, etc.
- Career Service and Industry Partnerships:** Faculty provides 100% placement assistance to eligible candidates through industry mentors in the form of mock interviews, industrial visits, workshops, industrial internships, bootcamps, and networking events with potential employers. Aligning students with industry requirements for placements and providing them with career services is supervised by CRC.
