ABOUT FACULTY OF MEDICINE AND HEALTH SCIENCES

The Faculty of Medicine and Health Sciences (FMHS) at SGT University stands as a beacon of academic excellence for providing higher medical education and hands-on experience to its students. The courses offered by the faculty include MBBS, MD/MS (in all disciplines), and other allied areas. The students here have an edge due to the excellent infrastructure, state-of-the-art labs, well-stocked libraries, and diverse opportunities provided for their holistic development.

WHAT MAKES US STAND OUT?

- 1. Academic Excellence: An 878-bed multispeciality hospital for hands-on training for students to enhance their skills. Offers an innovative and hands-on learning environment in modern, world-class facilities with a sharp focus on infusing the right skills.
- 2. **Diversity and Inclusion:** Students have the opportunity to collaborate and engage with individuals from across the nation, and the wealth of information and varied viewpoints that are accessible greatly aid in their personal development.
- **3. Research and Innovation:** Faculty members have been contributing in the areas of search and publication. Many research articles are published in reputed journals, including UGC-listed, Scopes-indexed, and peer-reviewed journals. The faculty has had 285 publications in total (from the period 2017–2022).
- 4. Career Service and Industry Partnerships: Faculty provides 100% placement assistance to eligible candidates through industry mentors in the form of mock interviews, industrial visits, workshops, industrial internships, bootcamps, and networking events with potential employers. Aligning students with industry requirements for placements and providing them with career services is supervised by CRC.

CAREER OPPORTUNITIES

A medical professional from SGT University can pursue many career opportunities:-

Clinical Practice | Government Jobs | Teaching | Public Healthcare Administration | Medical Writing | Clinical Research
