

## Industry Collaborations

## PLACEMENTS

## Student Achievements

**AIR 2:** Forensic Science students from FABS have secured AIR 2 and won ₹21,000/- at the prestigious National Innovation Award 2K24, held at PIET.

**2nd Position:** Students participated in North Zone Research Convention "ANVESHAN 24" held at Galgotias University, and won 2nd prize.

**2nd Position :-** Students received the "Special Recognition Award" in the "Future Tech and Innovation" category at Synergy-2024 for their project.

## PROUD ALUMNI

**Brijveer Singh**  
M.Sc. Forensic Science  
Junior Scientific Assistant  
Ballistics Division  
State Forensic Science Laboratory,  
Delhi

**Vandana Sharma**  
M.Sc. Environmental Science  
Junior Analyst  
JM Enviro Lab Pvt Ltd

**Tanya Bawa**  
B.Sc. Forensic Science  
Fraud analyst at Bank of America

**Ritika Tehlan**  
M.Sc. Forensic Science  
Junior Scientific Assistant  
Ballistics Division  
State Forensic Science Laboratory,  
Delhi

**Nisha Kataria**  
M.Sc. Environmental Science  
Research Associate  
CSEC, ADRI, Patna

**Tarun Munjal**  
M.Sc. Environmental Science  
Environment Engineer  
Omicron Testing and Research Laboratory  
Dubai, UAE

**Shri Prakash Pandey**  
M.Sc. Forensic Science  
Junior Scientific Assistant,  
Photography Division  
State Forensic Science Laboratory,  
Delhi

**Deepti Rana**  
M.Sc. Environmental Science  
Trainee  
DPCC, GNCT, Delhi

**Deepika Dhillon**  
M.Sc. Forensic Science  
Director  
Deep Forensics, Gurugram

**23**  
YEARS OF  
**ACADEMIC  
EXCELLENCE**

**NURTURING  
FUTURE LEADERS**

**FACULTY OF  
APPLIED & BASIC  
SCIENCES**

## PROGRAMS OFFERED

- **Undergraduate Programs:**  
B.Sc. (Hons with Research)  
Forensic Science
- **Postgraduate Programs:**
  - M.Sc. Forensic Science
  - M.Sc. Environmental Sustainability
- **Doctoral Programs:**
  - Ph.D. (Physics, Chemistry, Mathematics, Forensic Science, Environmental Science, Cosmology and High Energy Physics)

# Why Choose Us?

- Diverse Program Offerings** A wide range of Undergraduate, Postgraduate, and Doctoral Programs, including emerging fields like application of Artificial Intelligence, Cyber Security, Smart Device Forensics, Forensic Accounting, Toxicology, Insurance Investigations, Accidental Investigation, Nano-technology, Climate Change, and Environmental Auditing, etc.
- Research-Oriented Curriculum** All programs, including B.Sc. (Hons with Research), are designed to cultivate research aptitude, providing students with opportunities to work on real-world problems and innovative projects along with industry collaborations.
- State-of-the-Art Facilities** Well-equipped laboratories, advanced research facilities consisting of Center for Forensic Science Consultancy and Training, Central Synthetic Organic Chemistry Lab and autonomous Centre for Cosmology & Science Popularization.
- National Level Recognition** Recognized as Social Entrepreneurship and Rural Engagement Cell (SES-REC) Institution by Mahatma Gandhi National Council of Rural Education, Department of Higher Education, Ministry of Education, Government of India.
- Ranking** Ranked consecutively among top 10 Emerging Science Colleges in India by India Today in 2023 and 2024.
- Well Qualified and Experienced Faculty Members** A team of highly qualified, experienced and research oriented faculty members committed to mentoring and guiding students toward academic and professional excellence.
- Interdisciplinary Approach** Collaborations that encourages students to explore interdisciplinary fields for holistic education.
- Strong Industry Connect** Partnerships with research institutes, industries, and government organizations to provide internships, hands-on experience, and placement opportunities to students.
- International Collaborations** Opportunities for Student Exchange Programs, joint research projects, and exposure to global academic environments through collaborations with foreign universities.

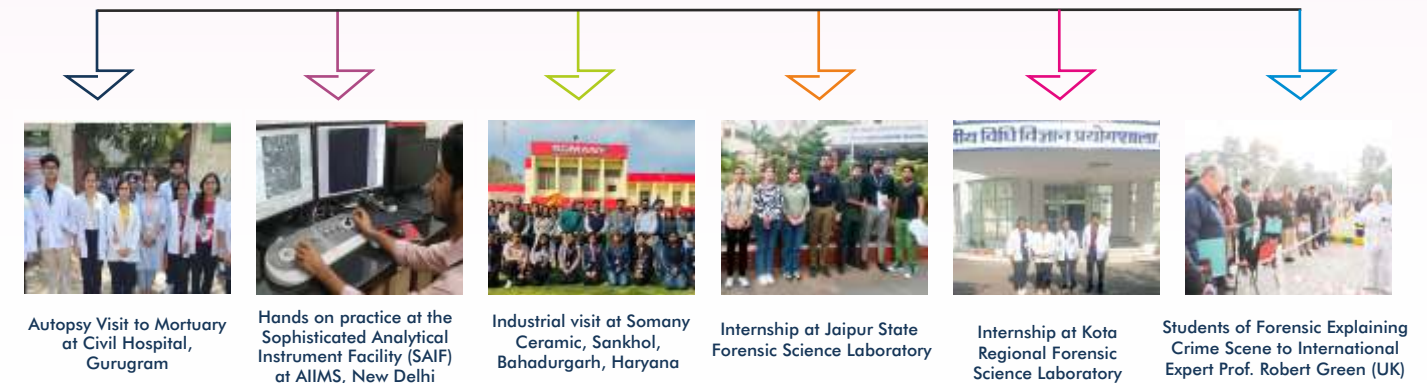

## Unleash Innovation at SYNERGY (Tech Fest):

## Research

## Internships & Field Trips

## Career Pathways

- Industry Roles** Diverse career options in Forensic Science, Data Science, Cyber Security, Crime Scene Investigation, Technology, Pharmaceutical, Banks, Insurance Sectors, Corporate Houses, Construction Sector, Manufacturing Units, and Environmental Sustainability and Governance (ESGs), Environmental Health & Safety (EHS), EIA Specialist, Environmental Auditor.
- Government and Policy Roles** Opportunities to work in Government Organizations, Regulatory & Policymaking Bodies like IB, CBI, FSL, CFSL, MoEFCC, CPCB, SPCB, IMD, NPL, etc., addressing societal and scientific challenges.
- International and Interdisciplinary Opportunities** Global collaborations, research projects, and careers combining multiple disciplines for innovative problem-solving.
- Research** Encourage through innovation exposure to research projects in areas like green energy, autonomous systems, advanced manufacturing and material sciences.
- Entrepreneurship** Prospects to start ventures in Green Technology, Forensic & Environmental Consultancies, AI, and Data-Driven solutions.
- Academic and Research Careers** Opportunities in Teaching, Academic Research, and cutting-edge innovation at universities, colleges, and research institutions of National and International repute.

\* Student will be awarded with Bachelor's Degree after successful completion of 3 years &  
 \*\* Student will be awarded with Bachelor's Degree (Hons. with Research) after completion of 4 years
