## About the Faculty

The Faculty of Dental Sciences (FDSC) at SGT University offers world-class education, training, and research in dentistry. With expert faculty and advanced clinical facilities like Dental Xpertz, students gain hands-on experience and exposure to real-world dental care. Our research focuses on innovation in diagnosis, prevention, and treatment, shaping the future of oral healthcare.

## Why Choose us?

-  Recognized by DCI, UGC, and NAAC A+ accredited
-  Curriculum designed for academic, clinical, and research excellence
-  State-of-the-art infrastructure with simulation labs & digital tools
-  Experienced faculty from national and international backgrounds
-  Proven track record in placements, research, and innovation

## Infrastructure & Learning Environment

- Dental Implantology Centre with dedicated OT
- Cleft Lip & Palate Centre for specialized procedures
- Advanced CAD-CAM Lab for precision prosthetics
- Virtual Anatomic Dissection Table
- Dental Xpertz Clinic for clinical exposure
- Mobile Dental Van for rural outreach programs
- Centre for Microscope Enhanced Dentistry
- Centre for Maxillofacial Imaging - CBCT

## Global & Industry Collaborations

- MOUs with international dental schools and healthcare organizations
- Industry-academia partnerships for internships & clinical training
- Opportunities for student exchange programs and joint research

## Programs Offered

### Undergraduate Program:

Bachelor of Dental Surgery (BDS)

### Postgraduate Programs:

MDS - Conservative Dentistry and Endodontics

MDS - Oral and Maxillofacial Surgery

MDS - Oral Medicine and Radiology

MDS - Oral Pathology and Microbiology

MDS - Orthodontics & Dentofacial Orthopedics

MDS - Paediatric and Preventive Dentistry

MDS - Periodontology

MDS - Prosthodontics and Crown & Bridge

MDS - Public Health Dentistry

### Doctoral Program (Ph.D.):

Ph.D. - Oral and Maxillofacial Surgery

Ph.D. - Oral Medicine and Radiology

Ph.D. - Orthodontics & Dentofacial Orthopedics

Ph.D. - Paediatric and Preventive Dentistry

Ph.D. - Periodontology

Ph.D. - Conservative Dentistry and Endodontics

Ph.D. - Oral Pathology and Microbiology

Ph.D. - Public Health Dentistry

Ph.D. - Prosthodontics and Crown & Bridge

## Career Pathways

### Clinical Practice:

Join top hospitals, clinics, and dental chains

### Corporate Roles:

Healthcare management & product innovation

### Research & Academia:

Become part of global research institutions

### Entrepreneurship:

Start your own clinic or dental tech business

## Industry Collaboration

## Proud Alumni

**Dr. Agam Bhatnagar**  
Owner Eca Hospital

**Dr. Madhav Nagpal**  
Consultant Radiologist  
Doda's Diagnostics and Healthcare

**Dr. Isha Duggal**  
Assistant Professor  
Orthodontics, AIIMS CAPFIMS

**Dr. Ravinder Singh**  
Deputy Commissioner  
of Police

**Dr. Sushil Kumar Dokwal**  
Deputy Civil Surgeon

**Dr. Aditi Chaturvedi**  
Project Research Scientist I  
(Medical)  
AIIMS, New Delhi

## Memorandum of Understanding

Be a part of our student cohort in 2026!
