### **Message from the Vice Chancellor**

Shree Guru Gobind Singh Tricentenary University is a center of excellence for the realization of dreams of inquisitive young minds, who are eager to pursue higher education in innovative and job-oriented courses. It was established in January 2013 as per Haryana private universities Act No. 8 of 2013.

The University has taken a stride forward in its development by establishing 17 faculties and offering more than 125+ courses in less than five years. As a temple of learning, the university is committed to maintaining the sacred objective of transforming the young participants into human assets through multi-dimensional pedagogy blended with innovative course curricula, the latest teaching methods, hands-on training, intensive personality development, and mentorship programs. In addition, the university has state-of-the-art infrastructure, hassle-free community life, and experienced faculty. To inculcate innovativeness amongst the faculty and students, the university has a focus on Research, Seminars, Conferences, Continuous Medical Education (CME) programs, and workshops. We endeavor to become one of the best universities in the National Capital Region (NCR), and we are continuously stepping forward in this direction.

The University organizes regular Techno Fests to promote the innovative work of our faculty and students. Inspired by the initiative of the Central and State Governments, the University organized a three days Techno Fest “**The Synergy- 2017**” in which students from all the faculties of SGT University, Technical Institutions, and Schools particularly located in rural areas of NCR, participated and showcased their talents by displaying creative and innovative models developed by them. In these three technical festival days, nearly 16000 school students visited the event held on the university campus.

We have established the UNESCO bioethics Unit of the International Network of Bioethics to train potential teachers, students, and paramedical staff to develop upto date syllabus for medical ethics education.

On the track record of placement, our students were selected in Indian Administrative Services, Indian Police Services, Army Dental Core, UNICEF, UAE, Haryana Health Services, Health Reporters in NDTV and other News channels, Corporate Sectors, Universities, Colleges, Clinics, Hospitals, many organizations of repute in India and abroad. To strengthen the placement-process, the University has a Corporate Resource Center (CRC) manned by a strong team of Corporates.

Apart from experienced and dedicated faculty, and modern infrastructure of well-equipped Research Laboratories; SGT University has Internal Quality Assurance Cell (IQAC), Incubations Center, well-stocked Libraries, auditoria, wi-fi campus, residential facilities for students and

employees providing ample facilities through recreational clubs, indoor/outdoor games and cultural activities.

In its social role, the University provides health services in its Hospitals at affordable charges. The Dental Faculty treated over 15000 patients through 165 free dental camps at rural outreach locations. The Nav-Muskaan Cleft Lip and Plate Center of the University provides a comprehensive cleft lip and palate treatment. The center also conducted more than 200 surgeries successfully, free of cost.

Inspired by Swa-Prarit Adarsh Gram Yojna (SPAGY) launched by the Government of India, the SGT University has established the Center for Rural Upliftment for providing free-cost doorstep Medical, Civil, Legal, Social, and other similar facilities to make the adopted village Budhera an educated, healthy, socially harmonious and a developed village. The University is also providing doorstep free-of-cost medical facilities to 50 other nearby villages in Jhajjar District under the outreach program. The faculties of Medical and Dental Sciences of the University have also adopted Government Schools of Garhi Harsuru, Iqbalpur, Kaliawas, Sultanpur, Ullawas, Sudharna of Gurugram villages, and JJ School of Education, Farukh Nagar to provide free health care services on regular basis.

Based on the achievements enumerated above, in a short span, we are confident that the university shall make a mark for higher accomplishments with more dedicated efforts in the forthcoming academic sessions.

Shri Balvinder Kumar  
Vice Chancellor  
Date: 20 November 2018

Shree Guru Gobind Singh Tricentenary University was established on 24<sup>th</sup> January 2013 by the Haryana Private Universities Act No. 8 of 2013 to spread the messages of Shree Guru Gobind Singh Ji for the upliftment and betterment of mankind that can be best achieved through specialized and quality education. The university is founded on the pillars of developing leadership, encouraging innovation, and inculcating strong ethics along with its dedication to achieving the objectives through academic excellence in all spheres of knowledge.

The university has developed a 60 acres lush Green Campus in NCR at Budhera in the vicinity of Gurugram, the emerging commercial and education hub of the country, with modern infrastructure and an excellent academic aura. In keeping with its vision and mission, the campus has been designed with a great sense of aesthetics to provide an eco-friendly environment and ambiance to stimulate the learning process.

In less than five years of its establishment, the university has taken long strides in appointments of highly qualified, experienced teaching and competent non-teaching staff, creation of modern classrooms, well-equipped labs, a rich library, internet services, playgrounds, clubs for extra and co-curricular activities, boys and girls hostels, residential accommodation, transport, and other essential facilities.

After making a hallmark in the medical sciences, now the university is imparting knowledge and developing skills in more than 130 disciplines through its 17 Faculties ranging from Undergraduates, Postgraduates, and Doctoral programs. For the exposure of the faculty and students to the latest and advanced developments in their respective disciplines, the university has organized several Continuing Education Programs (CME & CDE) Seminars, Conferences, Workshops, specialized lectures by eminent academics, and corporates during the period under review. During the academic session 2017-18, the teaching faculties of various disciplines published more than 200 research papers in reputed journals along with the publication of a good number of books and chapters in their respective subjects.

Currently, the University imparts education from Undergraduate to Ph.D. level in the Faculties of Medicine & Health Sciences, Dental Sciences, Nursing, Allied Health Sciences, Physiotherapy, Commerce & Management, Law, Hotel & Tourism Management, Engineering & Technology, Mass Communication & Media Technology, Physical Sciences, Behavioural Sciences, Indian Medical System, Agricultural Sciences, Fashion & Design, Education and SGT College of Pharmacy.

### 1.1 Objectives

- Imparting undergraduate, postgraduate, and doctoral level education in almost all disciplines.
- Integrating and developing facilities for innovative and interdisciplinary research.
- Imparting training to participants in important areas of science and humanities to make them globally competitive and acceptable.

### 1.2 Vision

To provide opportunities for Learning, Research, Innovation, and advancement of knowledge in the field of higher education.

### 1.3 Mission

To serve the Nation by imparting inclusive, innovative & holistic education. This is being achieved through modern teaching modules, hands-on training, promoting research, proactive community activities, and human resource development through explorative job-oriented programs.

## CHAPTER - 2

### 2 Faculties of the University

The university is imparting education for various courses through its following 17 Faculties:

#### 2.1 Faculty of Agricultural Sciences

The Faculty of Agricultural Sciences at SGT University was established in the year 2016. To fulfill the increasing demands from continuously squeezing arable land, innovative technologies and technical knowhow in the field of agriculture and allied fields; remain the only answer to the problem. For tackling issues like declining crop production and productivity, the generation and adoption of the latest technologies will come to the rescue of the problem. To achieve the desired results, the need of the hour is to train agricultural graduates with the latest knowledge along with innovative and modern research experience in agricultural fields. The innovatively generated modern technologies applied in the farmers' field will ultimately help us in achieving the goals. Realizing the need for well-trained agricultural graduates and postgraduates in public and private sectors and also more and more demand for agricultural produce and processed food, it was envisaged to start the undergraduate program. The latest and updated syllabi and curricula as per the guidelines and market demand and requirements are prepared. The courses taught in this degree equip the graduates to find career opportunities in educational, research, and management fields in the public and private sectors.

The Faculty of Agricultural Sciences has recruited meritorious and competent teachers from reputed institutes, who leave no stone unturned in using teaching methodologies, attending, and satisfying students' queries. Updated knowledge is imparted to the students. The emphasis is on using hands-on training in teaching to transform the students into industry-oriented on completion of their degree. Therefore, they are involved in practical programs in the field right from the sowing of seeds to the last activity of crop raising. Along with teaching, emphasis is also laid on research activities. Three research projects have been handled by the department. A crop-cafeteria has also been established for making the students acquainted with various crops.

Besides, nine innovative working projects were displayed and demonstrated in the Techno-fest program; popularly known as Synergy. All the projects were keenly observed by the Hon'ble Chief Minister of Haryana, Sh. Manohar Lal Khattar during the inaugural session and encouraging comments were given in the visitors' book. The Faculty also bagged the Best innovative Project for the "Maize Shelling Machine"

#### 2.2 Faculty of Allied Health Sciences

Allied Health Professionals are a distinct group of professionals who are important to the medical profession as they apply their expertise to cater to the tremendous expansion of the healthcare industry. The Faculty of Allied Health Sciences under Shree Guru Gobind Singh Tricentenary University started degree and diploma courses in subjects such as Medical Laboratory Technology, Operation Theatre Technology, Radio Imaging Technology, and Optometry in 2013. The increase

in the number of diseases worldwide and the need for better treatment options and research in these fields has paved the way for allied health faculty in a big way and this has led to the introduction of job-oriented specialized graduation courses in Medical Laboratory Technology, Operation theater technology, Radio Imaging Technology, Optometry Neurophysiology Technology, Nutrition and Dietetics, Microbiology and Forensic Science; post-graduate courses in Medical Laboratory Technology, Operation Theatre Technology, Radio imaging Technology, Optometry, Environmental Science, Nutrition & Dietetics and Forensic Sciences along with Ph. D. courses in Environmental Science, Nutrition & Dietetics and Forensic Science.

The courses offered by the Faculty are duly approved by Govt. of Haryana. The Faculty of Allied Health Sciences under SGT University has tie-ups with multiple international and national organizations of great repute. The Faculty has signed an MoU with Binawan Institute of Health Science (BIHS) in Jakarta, Indonesia, and with Fortis Healthcare Limited, New Delhi.

The Faculty has tied up/working collaborations for internships with Paras Hospital (Gurugram), Sri Balaji Action Medical Institute (Delhi), Columbia Asia Hospital (Gurugram), Primus Hospital, Gurugram, Sharp Eye Center, Delhi and Max Hospital, Gurugram where students from our faculty are trained under the supervision of specialized team for corporate placement in addition to their in-house training in our 630 bedded hospital. In addition, the students of various courses are sent for three to six months of training in various hospitals including Sir Ganga Ram Hospital, Delhi, Modern Diagnostics Center, Gurugram, SIKIMS, Srinagar, Health Map PGIMS Rohtak, Maharaja Agrasen Hospital, Delhi, Dr. Lal Path Lab Bhagat Chandra Hospital Delhi, Civil Hospital, Gurugram, Medanta Hospital, Gurugram, etc. All teaching faculty of every department are well qualified and experienced in their respective field for the overall grooming of the students. Every student of the faculty is assigned a mentor who takes personal care of their development and addresses any other issue in their career or even personal life. Further, to make students aware of the latest trends in their fields of specialization and to enhance their career opportunities, the Faculty of Allied Health Sciences, from time to time, organizes workshops, guest lectures, and industry visits for the students in their respective fields of specialization. Active participation of students in all kinds of extracurricular activities is encouraged at every level of their education and events.

### 2.3 Faculty of Behavioural Sciences

“If you plan on being anything less than you are capable of being, you will probably be unhappy all the days of your life” – Abraham Maslow

The Faculty of Behavioral Sciences (FBS) was established in 2014 and the department of Clinical Psychology was established in the year 2013. In 2017, two more departments are proposed to be added under FBS, these are the department of Audiology & Speech Language Pathology. RCI-approved M. Phil Clinical Psychology course has been introduced in 2017 and other graduates/Postgraduate courses are being run under all these departments. Thus students are offered an ideal combination of interdisciplinary, professional, and academic excellence. We are constantly working towards our mission of delivering quality education and standard professional training, both on- and off- the campus. With a renowned, experienced, and trained faculty team, the Clinically Psychology department has earned recognition for its participatory style of teaching

and experiential learning. We are offering an environment that helps students and faculty both, to maximize their potential in academics, research, and innovation; and as excellent Practitioners. The faculty collaborates in research, faculty/ students exchange with international universities. The department has the latest infrastructure equipped with state-of-the-art lecture rooms, a laboratory having experimental and testing facilities, library facilities, and affiliation with OPD/IPD of the Psychiatry department. Teaching pedagogy supplemented by interactive programs with renowned counselors and clinical Psychologists leads to the holistic development of students.

## **Careers In Psychology**

The demand for trained psychologists in the country as well as abroad is immense. Psychologists will be needed in health care services; with the aging population; working with students in schools; drug abuse; consulting and managing personal voids, to name a few. Although psychologists may compete with other disciplines such as Psychiatry, clinical nursing, social work, and counseling. But “ clinical psychologists will continue to be needed to help with the rising health care costs associated with unhealthy lifestyles, such as smoking, alcoholism, and obesity, which have made prevention and treatment more critical”. (The U.S. Bureau of Labor Statistics, BLS, 2011). BLS stated that “Job prospects should be the best for people who have a doctoral degree in clinical, counseling or health from a university of repute SGT University is the right platform for this purpose. Employment will grow because of increased demand for psychological services in schools, hospitals, social service agencies, mental health centers, substance abuse treatment clinics, consulting firms, and private companies” this is the case in India too.

### **2.4 Faculty of Commerce & Management**

The Faculty of Commerce and Management (FCAM) commenced its operations in the academic session 2013-14 with five professional undergraduate programs including BBA-G, BBA-HA, B.Com (Pass), B.Com (H), and integrated BBA, and later in the year 2015. It also started three post graduate programs including MBA and MBA-HA. In the same year, the faculty also started a doctoral program leading to a Ph.D. degree. It is one of the premier faculties of the university in terms of its core competencies. The Faculty has made the mark in strengthening its thrust areas like Marketing, Finance, Human Resources, International Business, Accounting, and operations with the latest curriculum. With the growing market demand and enrichment of intellectual and physical resources of the faculty, it has also been decided to start B.A. (Hons.) – in Economics and MA (Economics) from the session 2018-19. Besides a core faculty of twenty-one well-qualified full-time faculty members, the faculty enriches the teaching-learning process through practical interventions of experienced corporate executives from time to time. The majority of the faculty members have Ph.D.-level qualifications and are, therefore, engaged in guiding research and undertaking independent research projects. A good number of quality research papers, case studies, and chapters in edited books have been contributed by the faculty members. The prime emphasis in imparting learning is on real-time learning through student interactive sessions, live projects, and case study analysis suitably supported by digital technology.

The Faculty of Commerce & Management (FCAM) is committed to imparting the highest quality of education and exposure to help develop the next generation of business leaders with a global

outlook and capability to adapt to the fast-changing business environment of India and the world at large.

1. Innovative teaching Andragogy
2. Proportional theoretical & practical curriculum
3. Deep concern for learners and nurturing them through effective Mentor-Mentee relationship
4. External exposure for learning, and promoting initiative and creativity.

## 2.5 Faculty of Dental Sciences

The Faculty of Dental Sciences was started as SGT Dental College, Hospital & Research Institute in the year 2002 and became a constituent Faculty of the esteemed SGT University from the academic session 2013-14. The Faculty of Dental Sciences, SGT University with its excellent infrastructure, state-of-the-art equipment, and experienced, highly qualified faculty has carved a niche for itself in the field of Dentistry and is recognized among the top Dental Colleges across the country. As a source of dental education, the faculty aims at developing the student's, three-dimensional personality by dealing with:

- Continuous pursuit of Knowledge, commitment to excellence & cultivation of moral & ethical values
- General Dentistry at the out-reach-levels to the masses & needy people
- Basic & Advanced Research related to Oral diseases & Oral health care

### **Courses Offered:**

- BDS (Bachelor of Dental Surgery)
- MDS (Master of Dental Surgery) in all the nine specialties
- Ph.D. in all the nine specialties

The Faculty of Dental Sciences, SGT University provides a very sound platform for the students to be academically strong and clinically competent.

**Under Graduate Teaching Program (BDS):** Before the students enter the clinics to treat patients, they are given pre-clinical training including lectures, demonstrations, and complete practical training on dummies and phantoms mimicking the human oral cavity. After a strong base, the students are given wide exposure to patients in the clinic. The Dental Hospital has an OPD of more than 600 patients catering to both rural and Urban populations. Each case is personally supervised by a highly qualified and experienced faculty member and every student in the clinics is personally guided. The students undertake basic & advanced-level treatment procedures on patients in all nine departments.

**Post Graduate teaching Program (MDS):** The Post Graduate program is designed to produce globally acceptable professionals who can choose to be competent clinicians, successful entrepreneurs, keen researchers, or astute academicians. The Post graduate sections are fully Air

Conditioned and equipped with all state-of-the-art equipment. The institute has various fully equipped minor and major Operation Theatres where surgeries are performed daily. The MDS Course in line with the Dental Council of India is largely application based and includes Seminars Presentations, Journal Club presentations, Clinical Case presentations, Library Dissertations, Main dissertations, and training in all advanced treatment procedures. The Post graduates training is at par with global standards. Depending upon the specialty, the students are trained in all minor and major diagnostic and treatment methods. Eg: advanced diagnostic techniques, full mouth implants, sinus lift procedures, lasers, surgical procedures including cleft lip and palate surgery, esthetic rhinoplasty, reconstruction surgery, orthognathic surgery, orthognathic surgery, Pediatric treatment under conscious sedation, endodontic treatment with a microscope, etc. Lasers and Implants are the need of the hour and therefore, the institute has special DIODE units and procedures like gingival de-pigmentation, frenectomy, crown lengthening, gingivectomy, etc. can be carried out on a day-to-day basis. Single to full mouth implants are done including sinus lift procedure, Zygomatic implant, etc.

Each Department lays high-quality stress on Research & Innovation in the field of Dentistry and Applied Sciences. Many faculty members are pursuing extramural research works in their choice of specializations & all faculty, Post graduates & even under- graduates are encouraged to document scientific manuscripts in Textbooks, journals, etc. The Departments also organize Continuing Dental Education (CDE) Programs, Conferences, Guest lectures, talks, etc. regularly to keep the students and faculty updated. The Post graduate students and faculty members win awards and accolades at various National and International Conferences and PG Conventions every year. The faculty lays a special place for industry tie-ups both at corporate like Nobel Biocare, Colgate Palmolive Pvt. Ltd. & government levels in the field of academic training or outreach oral health care.

**Holistic Development of Students:** Besides academics, the students also actively participate in a lot of Extra Curricular programs every year including Fresher's Day, Induction & Orientation Programs, Diwali Fest, Holi Fest, Symphonious (Musical Fest), Inter- College cultural & Sports fests, etc.

### **Social Responsibilities**

- Free bus service for patients pick-up & drop
- State-of-the-art Mobile Dental Van & other Inventory
- Dental Health Care of nearby adopted Budhera Village Residents
- Regular Oral Health screening & Treatment camps with free medicines in villages
- Oral health activities in collaboration with NGOs like MIW Foundation, DLF Global Development, Reliance SEZ Company Ltd. & other governmental set-ups
- Special camps for Prisoners at Tihar Jail, New Delhi, Jhajjar District Jail & Bhondsi Jail in Gurugram

- Industrial-cum-Academic visit to Dental Expo, Water Treatment Plants for practical exposure of students
- Celebration of various National Health Days as part of the promotion of National Health programs with a special focus on oral health
- Screening, Treatment & Referral of over 2 lakh Patients in the last 7 years for oral health problems from outreach locations

### **Mentor-Mentee Program**

At SGT University, we run a ‘Mentor-Mentee Program’, under which every student (mentee) has a faculty member as his/her mentor. The student can go to the mentor as a first point of contact for any advice or assistance on both academic and non-academic matters.

## 2.6 Faculty of Education

SGT University is constantly working towards its mission of delivering quality education and preparing potential intellectuals in several disciplines. Faculty of Education is another feature in its cap which offers Teacher Education courses like Bachelor of Education and Master of Education.

The Bachelor of Education program comprises three broad interrelated curricular areas-

1. Perspectives in Education which includes courses related to Child Development, Contemporary India, Learning and Teaching, Knowledge and Curriculum, etc. These courses help the students to develop a deep understanding of the basics of the Teaching profession.
2. Curriculum and Pedagogic Studies help in the development of teaching skills that enable one to become an effective teacher.
3. Practical learning, a part of the course curriculum is a visible strength of the program. Such a project enables students in putting their theoretical Knowledge of the discipline into practice leading to the holistic development of would-be teachers.

After completing **B. Ed. Program** students can join the noble profession of teaching in Govt. / Private Schools. They can also find placement as Counselors (with MA in Psychology/diploma in Guidance and Counseling), Education consultants, and subject/pedagogy experts in both public and private sector companies.

The **Master of Education (M. Ed.)** program is designed to provide opportunities to students who want to be Teachers, Educators to extend as well as deepen their knowledge and understanding of Education, specializing in select areas and also developing research competencies leading to specialization in either Elementary Education or Secondary Education. The students of the M. Ed. program can find placements as Teacher Educators in IASEs, DIETs, Directorates of Education, Councils of Secondary/Higher Secondary Education, SCERTs, Colleges of Education, and University Education Departments.

## 2.7 Faculty of Engineering & Technology

The Faculty of Engineering and Technology (FEAT) was established in the year 2015. FEAT is ranked 4<sup>th</sup> in India by the Times Engineering Survey 2016 conducted by Times of India. FEAT comprises four Departments: Civil Engineering (CE), Computer Science Engineering (CSE), Electronics and Communication Engineering (ECE), Mechanical Engineering (ME); and offers UG (B.Tech), PG (M. Tech.) and Ph.D. programs in all the departments. It also has a Center for Languages and Communication to take care of Foreign languages and personality development-related courses for the students. FEAT has established centers of excellence in collaboration with IOS, Oracle, IBM, and SAP to offer industry-ready B. Tech Programs.

FEAT has demonstrated its excellence in research, through a combination of strong academic and research activities. Both complement each other and the students at all levels under the able guidance of the faculty members maintain this brilliant combination and help the Institute reach the Zenith of knowledge and innovation. All the programs of FEAT follow the semester system and the curriculum for Teaching & Learning methods involves not only classroom learning but also incorporates practical learning through guest lectures, internships, industrial visits, industry-based projects, and hands-on training by professional trainers. The continuous evaluation process involves class tests, quizzes, Assignments, Seminars, and presentations on Case studies, Surprise Tests, GDs, etc. The main focus is on practical learning using the project as part of the curriculum, Project Labs, Spoken Tutorial labs, Online Tests, Onsite Learning Participation in Competitions, and Regular Review of projects. FEAT has fully equipped E- classrooms, Intranet with Faculty PPT subjects, Online Expert Lectures (Spoken Tutorial), E-Journals with easy access, and Online discussion forums (with google hangouts).

FEAT has established a unique 'Mentoring System' through which each student is assigned a Faculty Advisor. Faculty Advisors closely and carefully mentor the students for achieving excellence in their endeavors. They play an advisory role and guide students to complete their degree programs in a smooth and timely manner. They also provide advice and extend extra support related to creativity, safety, health, ethics & morality, professional needs, and corporate life, and for an overall 360<sup>0</sup> development of students throughout his/her tenure at the University. The faculty has a deep sense of devotion to maximizing the opportunities for development available to students within the campus and beyond. Faculty Advisors are the contact points for parents/guardians for performance and conduct regular PTM to discuss all the personal, professional and inter personal skills as wells as issues of their wards.

We aim at developing FEAT as a faculty of higher learning renowned for its excellence in Engineering and Technology. At SGT University we have created a cluster of centers of Excellence that serve as the intersection of students, academicians, and the market place, putting breakthrough research at the service of students and corporates. Each of our centers immerses our students in complex and evolving marketplaces in which success depends on critical thinking, creativity, and entrepreneurship and they help companies put cutting-edge research into practice, driving, innovation, entrepreneurialism, and excellence at their organizations.

## Infrastructure & Facilities

FEAT is a prestigious institute of higher learning producing meritorious students with excellent career growth. The students get the best of opportunities in the form of highly advanced courses, eminent faculty members, well-equipped laboratories, a library, hostels, and immense facilities to excel in research and innovation.

1. Continuous program/course improvement through self/outside assessment of program educational objectives and student outcomes.
2. New initiatives and programs with changes in Technology and global interdependence, while serving society and commitment through a technology solution.
3. Exposure to current trends & technologies, practiced by the industry's strong industry liaison.
4. Quality assurance by in-house IQAC cell of academic programs through interdisciplinary accreditation
5. Commitment to the delivery of Knowledge through innovative teaching methodologies.

## CENTERS OF EXCELLENCE

FEAT organizes several events like industrial visits, educational trips, guest lectures, seminars, and workshops. Students get practical exposure through an industry internship program. Industries like **Aditya Birla, Amul India, Nest Keys, Honda Two-wheelers, Maruti Suzuki, ALP Nishikawa, Corenry Coils-o-matic, Sona steering, Parle, Munjal, HCL, India Mart & Handygo Technologies**, etc.

FEAT organizes a fresher's party **UDAAN** for the first-year students, in which students showcase their talent as soon as they enter the campus. This helps them develop their extra-curricular activities. Mr. and Miss Fresher are selected based on their overall talent judged by the pool of faculty members of FEAT. In addition to that our students also participated in **SYNERGY 2017** in which they presented their projects to industries and academic fraternities. The event was chaired and highly appreciated by the CM of Haryana. FEAT students won the Chancellor award for one of their projects and a few were also selected for the incubation cell of SGT University.

### 2.8 Faculty of Fashion & Design

Faculty of Fashion & Design is structured to be a leading institute offering its students an ideal combination of fashion professionals for corporate and academic excellence. We are constantly working towards our mission of delivering, quality education and generating budding fashion professionals. We offer an academic environment with creative focus and innovation to meet the current demand for excellence & innovation in fashion. The faculty of Fashion & Design has the latest infrastructure equipped with smart classrooms, project-based lectures, and labs with advanced machinery. The teaching pedagogy is supplemented by interactive programs with renowned fashion professionals from the fashion industry.

## **Details about courses:**

**B. Design – Apparel & Lifestyle Products:** The program aims at encouraging students to create original designs which involve converting artistic talent and creativity in designing apparel as well as products of everyday life. It provides an enhanced environment for creative things and integrated learning.

**B.Sc – Fashion Design:** The program equips students with the knowledge and hones their creativity and understanding of design applications of apparel and home fashion industries. Woven, print design, embroidery, and surface embellishment are the core textile subjects and together impart extensive and versatile training for the students.

**Master of Design:** Masters Program in Design for students who are already graduated in fashion design. This program imparts knowledge of Design Concepts and their values. This course will expose the students to fashion concepts, style, design elements forecasting, and its related collections.

**MBA in Fashion Management:** This program helps the students in enhancing their creativity and managerial skills in the field of Merchandising, Fashion Marketing, and Fashion Management. Apart from this, the program also ensures that students are kept aware of changing demands, opportunities, latest technologies and techniques in the fashion industry.

**Ph. D. in Fashion Design:** The Ph. D. Degree is an indicator of a student's competence in a particular field of study because to obtain the Ph. D. Degree students will have to pass qualifying examinations demonstrating knowledge of the current debates, concepts, and dilemmas in the field of study.

## **Infrastructure**

### **2.10 Faculty of Indian Medical System**

Ayurveda is a “Science of life” which adopts a holistic approach towards the health of people and aims at preventing diseases by following proper seasonal- dietary regimens, as well as curing ailments through its unique “Samsodhana Chikitsa Karma”- The Panchkarma Therapy. There is great demand for its “Rejuvenating Therapy”- The Rasayan Chikitsa, which thus builds up strong immunity and vitality in the body. Currently, it is an era of life style disorders like Diabetes Mellitus, Hypertension, Insomnia, Obesity, Stress, etc. Ayurveda not only guides them to live a healthy lifestyle but also has successful results on patients suffering from chronic ailments, Psychosomatic disorders, infertility, etc. in which modern medicine has some limitations Ayurveda, also helps to counsel the patients over their dietary and daily routine habits in this context.

Presently as the constituent of SGT University, the Faculty of Indian Medical System came into existence with its first batch of BAMS in the year 2015. The course is approved by the Ministry of AYUSH, GOI, under the statutory Body-Central Council of Indian Medical System, New Delhi with an intake of 100 students in a batch. The Faculty has well-versed, competent, professional Vaidyas, specialized in their respective field/subject to render quality education to the new upcoming physicians and health services to the society, upholding the ethics of Ayurveda as a profession. FIMS is the center of learning traditional medical science

with a modern touch. Departmental labs and museums are well equipped with software required for simulated experiments and e- learning. The 100 bedded hospital section has 9 different specialized running OPDs with a daily output of around 200 patients, for students to have maximum clinical exposure. From time to time, students are provided extraordinary exposure to innovative extension lectures by well-learned Ayurvedic scholars. More emphasis is placed on research work for students to implement evidence- based practice in Ayurveda, thus helping students to cope with the current competent era.

## **UNIVERSITY LIBRARY**

The Central Library – Knowledge Resource Center at Shree Guru Gobind Singh Tricentenary University is fully air-conditioned with state-of-the-art facilities and a huge collection of the latest books and journals, national and international, and other learning resources, both in print and electronic forms. ## 2.11 Faculty of Law

In pursuance of its vision of becoming a destination for attaining excellence in Higher and Professional education, SGT University has established the Faculty of Law (FLAW) in May 2014. To make it a center for socio-legal research, the curriculum has been designed to include various emerging areas in the field of law. Aiming at developing academically competent legal professionals, the teaching of law includes continual organizing of seminars, conferences, and extension lectures on socio-legal issues, which would facilitate students to interact with nationally and internationally renowned legal luminaries. To offer opportunities for educational exchange programs the faculty of law has established tie-ups with leading law schools in India and abroad.

To provide an environment for effective participative learning, the Faculty of Law has equipped itself with spacious Class rooms fitted with LCD Projectors, a well-stocked library, online journals, Wi-fi connectivity, and a well-equipped Seminar Hall. As a flagship, the Faculty of Law has already organized two “National Moot Court Competitions” in which students from almost 20 Law schools across the country participated. Besides this, legal luminaries including Hon’ble judges of the Supreme Court of India, Hon’ble judges from various High Courts, and Senior Advocates have been kind enough to preside over many of our educational programs.

## 2.12 Faculty of Mass Communication & Media Technology

In the field of media and communications, we live in a very exciting age. The demand for information and entertainment is greater than ever before. A media career is, therefore, highly significant. The Faculty of Mass Communication & Media Technology (FCAM) is a prominent department of SGT University that plugs the increasing demand for media-savvy professionals in India & abroad. The Faculty is fully equipped to train students in Film making & television production, Mass Communication, and Journalism.

We at SGT University, train our students for a highly competitive world by honoring their creative and technical skills. The course is designed to provide our students with complete knowledge of the trade through workshops, field strips, production projects, and the best of equipment - still cameras, video cameras, studios, PCR, lights, and microphones. At SGT University, media is as much an academic discipline as it is an industrial one. It encompasses print, television, film studies, radio, media research, photography, advertising, and public relations.

With technical Knowledge of equipment, we also focus on the creative and intellectual growth of the students. For this, our course structure is top-of-the-line, enabling students to learn the art of reporting, writing, editing, scripting, and anchoring in our state-of-the-art, fully functional TV studios, newsroom, and editing systems. Our focus is on the growth of well- rounded media personalities. To achieve this, we hold distinctive programs. This year, we held our First Film Appreciation course in Association with India’s premier institution, the Film and Television Institute of India (FTII, Pune). It provided a golden opportunity for our students to learn in-depth about Cinema Studies and the functioning of Bollywood. They interacted with and interviewed India’s finest woman film maker, Sai Paranjpye, besides other experts from the film industry.

The Mass Communication faculty at SGT comprises committed members of academic and experienced professionals from the Print, Television, and Film industries. Apart from permanent faculty, the department boasts of visits and workshops by renowned and practicing members of the Media industry.

### 2.13 Faculty of Medicine & Health Sciences

The Faculty of Medicine & Health Sciences was set up in 2010 at SGT Medical College, Hospital & Research Institute to offer medical education and research program and provide healthcare services to the necessitous people in its surrounding areas at affordable cost. Presently, this faculty offers the following program:

1. **MBBS**

5. **Ph.D.** in Anatomy; Physiology; Biochemistry; Pharmacology; Microbiology; Community Medicine.

All these programs are run under the able guidance of highly competent and specialized senior medical faculty. The Faculty of Medicine & Health Sciences has a 665 bed multi-specialty Hospital attached to it for the hands-on training and skill development of the budding players in the medical field. The hospital is very well-equipped with the most advanced facilities in the area and caters to the needs of the rural and urban population in and around Gurgaon. Highly qualified and well-experienced consultants in all specialties such as General Medicine, General Surgery, Paediatrics, Orthopaedics, Obstetrics & Gynaecology, ENT Ophthalmology, Respiratory Medicine, Pulmonary Medicine, Skin & VD, Psychiatry, Radio-diagnosis & Anaesthesiology man the hospital and provide best health services round the clock.

### 2.14 Faculty of Nursing

Dashmesh College of Nursing was established in the year 2012. Presently we are the constituent of SGT University as the Faculty of Nursing (FNUR) since 2013. The College is recognized by Indian Nursing Council, New Delhi, and Haryana Nurses and Nurse-Midwives Council, Panchkula, Haryana. Faculty of Nursing, SGT University has remained steadfast to the one central commitment to provide a balanced comprehensive nursing education and clinical skills. Nursing is a practice-oriented profession, and therefore, FNUR allows students to learn by caring. It has highly qualified faculty, excellent infrastructure, and Multispecialty Medical Teaching hospitals, with the most advanced facilities which provide a wholesome experience in nursing education for enhancing their practical skills.

Nursing is a unique profession, whose primary focus is to care for the sick and manage the preventive, promotive, and rehabilitative health needs of clients. Nursing is growing with current trends and technologies in the health care system. Today, nursing is also influenced by consumer awareness, patient rights, and healthcare costs. Scientific advancements in the healthcare system and research made today's nursing focus on evidence-based practices. According to a recent survey in the United States, there is a requirement of one million for the next five years. Graduate nurses from our FNUR will be part of this global phenomenon. The Nursing program has been formulated to train young, enthusiastic students as well-versed competent professional nurses to render quality Nursing services with modern trends in the healthcare delivery system to uphold the ethics of Nursing as a profession. The students are encouraged to take an active part in social activities for the welfare of society like pulse polio and other outreach community programs. More emphasis is placed on the research work for the Nursing students to implement evidence-based practices in the Nursing profession. The students are provided with more field research, applied, action research, and scientific research approaches.

### 2.15 Faculty of Physiotherapy

The Faculty of Physiotherapy has been in existence, at SGT University, since 2008. Initially, it was under the Pt. B.D. Sharma University as Dashmesh College of Physiotherapy. With the inception of the SGT University as an autonomous body in 2013, Physiotherapy become a constituent part of it. University offers Bachelor of Physiotherapy (BPT), and Master of Physiotherapy (MPT) in various specialties like Cardio-thoracic, Neurology, Orthopedics, Obstetrics & Gynecology, Community Rehabilitation, and Sports. The Faculty of Physiotherapy (FPHY) added another feather to its cap with the inception of the Ph.D. program in Physiotherapy in the year 2015. It has been the leading department in education, clinical services, and research.

It has its own 665-bed multi-specialty hospital. Thus the students have the advantage of excellent clinical training in surgery, gynecology, orthopedics, pediatrics ward & ICUs besides the highest level of academic activity which bridges the gap between theoretical knowledge and its practical application. SGT University has built a strong reputation for its splendid efforts in growing nationally & internationally, reaching out through workshops, conferences & tie-ups with institutes like Binawan Institute of Health Sciences, Indonesia. Physiotherapy at SGT provides an encouraging platform for innovations and publications. Our projects were greatly appreciated and awarded Best Research, at the annual techno fest event of the University.

## 2.16 Faculty of Physical Sciences

The Faculty of Physical Sciences (FOSC) consists of three departments namely, the Department of Physics, the Department of Chemistry, and the Department of Mathematics. In the academic year 2014-15, the faculty started its academic activity with an undergraduate course B.Sc. (Non-medical). In the subsequent year, three postgraduate courses M.Sc. (Physics), M.Sc. (Chemistry), and M.Sc. (Applied Mathematics) were started. At present, the faculty has 19 fulltime faculty members consisting of two Professors, three Associate Professors, and fourteen Assistant Professors. It is due to the dedicated efforts of the faculty members, valuable guidance of distinguished personalities, timely support of University authorities, and un-quenching curiosity and enthusiasm of students that the faculty is progressing rapidly in its academic pursuits and frontline research. With this enthusiasm, the faculty introduced new courses, M.Sc. (Nanoscience and Nanotechnology) and Ph.D. in Chemistry, Physics, and Mathematics from the academic session 2017-18. Most faculty members are Ph.D. holders. More than half of the faculty members have a good number of years of international exposure in various Universities and Research Development Organizations. Therefore, under the guidance of these august faculty members, the students of FOSC are oriented to understand the recent trends in Research and Development.

To ensure the comprehensive development of the students, undertake several initiatives are taken to strengthen the processes and improve the quality of the interaction at various levels. Revision of the curriculum and syllabus as per UGC guidelines, connection with the industry through visits to national laboratories (such as National Physical Laboratories, Inter-University Accelerator Center, New Delhi, Central Forensic Science Lab, Hyderabad) internship programs, guest lectures, and alumni meeting, and arranging parent-teacher meetings, are some of the highlights of the initiatives. The research profiles of the faculty members are very good and are available on the university website. The research activities and outputs picked significant momentum in a short time in the young and vibrant faculty of Physical sciences, with research publications in peer-reviewed, indexed international Journals. Participation and presentation of research papers in international/national conferences by the students and faculty members have been a regular feature. Vision 2030 of the faculty has been defined and students have been engaged in several research activities in the form of Synergy or Techno-fest events in the university and also research projects as part of the revised curriculum.

## CHAPTER - 6

### 6 Admission Procedure

#### **(As per 1<sup>st</sup> Ordinance of the University)**

Admissions to the University are made strictly based on merit. The merit for admission is determined either based on marks or grades obtained in the entrance test conducted by University or the marks obtained in the qualifying examination. However, admissions to professional and technical courses are made only through an entrance test.

Unfilled / dropout vacant seats in professional and technical courses are filled up by the University at their level by considering the marks obtained by the applicants in the qualifying examination and based on their inter-se-merit.

## CHAPTER- 7

### 7 Number of Seats And Eligibility Criteria For Different Courses

Sr. No	Course Name	Annual Intake	Duration	Entry Qualification
<b>SGT College of Pharmacy</b>				
1	Diploma in Pharmacy	60	2 Years	Age of 17 years or more on 31st December of the year of the admission 10+2 pass with Physics, Chemistry, Mathematics/ Biology, and English as one the subjects
2	Bachelor of Pharmacy	60	8 Semesters	Same as above
3	Bachelor of Pharmacy (Lateral Entry)	10% of above	6 Semesters	Diploma in Pharmacy
4	Bachelor of Pharmacy (Practice)*	40	2 years	Diploma in Pharmacy with a minimum 4 years of experience
<b>Faculty of Indian Medical System</b>				
1	Bachelor of Ayurvedic Medicine & Surgery	100	4 <sup>1/2</sup> Years + 1 Year internship	10+2 with a minimum of 50% marks in Physics, Chemistry, and Biology. 17 years as of 01st October of the Admission year
<b>Faculty of Behavioural Sciences</b>				
1	PG Diploma in Guidance & Counseling	10	2 Semesters	BA/B. Sc./BA (Hons.)/B. Sc. (Hons.) with Psychology/Applied Psychology/Clinical Psychology/B. Ed. with minimum 50% marks with Psychology as one of the subjects
2	PG Diploma in Behavioural Medicine	10	2 Semesters	Master's degree in Psychology/MBBS/BAMS/BHMS
3	Bachelor of Science (Clinical Psychology)	30	6 Semesters	10+2 with not less than 50% marks in aggregate of best 5-papers
4	Bachelor of Arts (Hons.) (Psychology)	30	6 Semesters	10+2 with not less than 50% marks in aggregate of best 5-papers
5	Master of Science (Clinical/Counseling Psychology)	30	4 Semesters	B.A. (Hons.) in Psychology with not less than 50% marks OR B.A./B. Sc./B. Com./B. Com. (Hons.) /B. Sc. (Home Science) with not less than 55% marks in aggregate

## CHAPTER- 10

### 10 Academic Accomplishments

#### 10.1 Academic Activities

All the faculties have organized scientific academic programs for students and faculty members in their areas of teaching. It includes Industrial visits that have given the perfect opportunity for students to correlate their theoretical teaching with industry exposure.

The Faculty of Medicine and Health Sciences organizes continuing medical education (CME) programs on various subjects for faculty and students to impart knowledge on recent advances in the medical field.

For Faculty Development, training programs have been conducted on Basic Life Support, Antimicrobial Resistance, No Actions Today No Cure Tomorrow, Role of FNAC in Diagnosis of Pediatrics lessons, Revised National Tuberculosis Program, Bioterrorism-Bio-Weapons, AIDS-Associated Parasitic Diarrhea, Roll of Statistics in Research, Recent concepts in Hypertension, Teachers Training Program and Quality Assurance in Medical Laboratory.

- The Faculty of Physiotherapy conducted a workshop on Dry Needling on 09<sup>th</sup> March 2018. The resource person for the workshop was Dr. Kopal Pajnee, Vice Principal of Santosh College of Physiotherapy
- The faculty of Physiotherapy collaborated by signing MOU with Binawan Institute of Health Sciences Jakarta on 22<sup>nd</sup> August 2017.
- Faculty of Physiotherapy celebrated World Physiotherapy DaY ON 8<sup>TH</sup> Sep 2017. Guest Speaker Dr. Jaswinder Kaur HOD Physiotherapy Department RML Hospital delivered a lecture on the role of Physiotherapy in life style disorders.
- Faculty of Physiotherapy, SGT University organized an academic excursion of Masters of Physiotherapy students to Metro hospital, Noida on 12<sup>th</sup> September 2017.
- The Faculty of Physiotherapy remarkably contributed to Synergy by showcasing four projects. All four working models, namely multi exercise unit, gait trainer for parkinsonism, Balance trainer with sensory re-education, and Mouth mask for COPD patients were appreciated and Multi exercise Unit guided by Faculty In charge Dr. Sheetal, Dr. Sajjan. Dr. Joginder was awarded Best Research Award.
- The Faculty of Physiotherapy organized a one-day TMT training workshop for the students of MPT (Cardiopulmonary) students on 27<sup>th</sup> October 2017. The session was conducted under the supervision of Dr. Sanjat Chiwane, MD, DM Cardio Chief Consultant in Columbia Asia Hospital in collaboration with SGT University.
- A team of physiotherapists which includes staff and students regularly visits the Sultanpur village wherein they assess, educate and treat patients who require Physiotherapy. Recently on World Health Day i.e. 08<sup>th</sup> September 2017, a skit on the role of Physical activity or exercises in depression was presented by BPT students and was very well appreciated.

- Faculty of physiotherapy, SGT University proudly participated in Airtel Delhi Half Marathon on 19<sup>th</sup> November 2017. Each participant was offered a certificate, event T-shirt, food boxes, and cash Rs 250.
- Faculty of Physiotherapy, SGT University, facilitated a talk on Musculoskeletal Physical Therapy and the healing cascade by Dr. Steve Milanese, Manual & Sports Physiotherapist, from the University of South Australia on 06<sup>th</sup> December 2017.
- Dr. Yew Su Fen, Vice Chair World Confederation of PT (WCPT-AWP) Asian western pacific region, President Malaysian PT Association, was invited for a hands-on workshop on the diagnosis & management of Lymph Edema on 07<sup>th</sup> December 2017 at SGT University.
- The 6<sup>th</sup> International Conference of Physical Therapy (INCPT-6) was held from 7th Dec to 10th Dec 2017 at AIIMS New Delhi. SGT University was the associate partner in AIIMS-INCPT staff and students from the Faculty of Physiotherapy actively participated in all events at the conference and was part of the organizing committee.
- The Faculty of Physiotherapy conducted a fitness contest for students of Physiotherapy on the occasion of Founder's Day of SGT University on 24<sup>th</sup> January 2018.
- Special Olympics Bharat has organized the National Preparatory Camp of the Indian Delegation of probable athletes for the 2019 World Summer Games at Scottish High International School, Sector 57, Gurugram. Screening of athletes and other players belonging to swimming, cycling, table-tennis, football, handball, basketball, and volleyball happened from 25<sup>th</sup> to 26<sup>th</sup> March 2018. Staff and 27 Students of BPT participated in the event
- The faculty of Physiotherapy organized a Talk on Translational Research into Practice on 07<sup>th</sup> May 2018 Dr. Karthikeyan from the University of Kent gave the Talk.
- Mechanical Engineering students visited Yamaha Motors, Greater Noida on 4<sup>th</sup> April 2017.
- Mechanical Engineering Organized a Seminar on 3-D modeling, finite element analysis, and computational fluid dynamics (18<sup>th</sup> August 2017).
- Students of mechanical 3<sup>rd</sup> Sem. visited Coventry Coil on 9<sup>th</sup> September 2017.
- Civil Engineering Department organized a Guest Lecture on 14th September 2017 on the topic of Construction Economics and Quantity Surveying with the association of RICS
- The Department of Civil Engineering organized an Industrial Visit at the site of the Public Works Department, Sector 19, on 26<sup>th</sup> September 2017.
- A seminar on "Programmable Logic Controller (PLC) & SCADA" was conducted by the Department of Electronics & Communication Engineering on 21 September 2017.
- "Swachha Pakhwada"- a one-week event from 18<sup>th</sup> September to 24<sup>th</sup> September is celebrated by the Faculty of Engineering & Technology
- Department of Computer Science and Engineering organized a workshop on CYBER SECURITY on 27 September 2017.
- FEAT, SGT University was organized at the Pragati Maidan on 27/09/2017 to attend the Event "INDIAN MOBLIE CONGRESS".
- On the occasion of the Foundation Day of SGT University.
- Department of Electronics and Communication conducted expert the topic "SATELLITE COMMUNICATION AND ITS APPLICATION".

- Students of Mechanical Engineering 5 days workshop on “The three R’s [Reliability, Robustness, and Resilience] of Engineering Systems: Synthesis and Application”.(9-13 Oct 2017)
- An Industry visit was planned by the Mechanical Engineering department, SGT University on 28<sup>th</sup> October 2017 to Parle, Bahadurgarh.
- The Department of Civil Engineering (Faculty of Engineering & Technology) organized Survey Camp from 8th January 2018 to 12th January 2018.
- As an outcome of the MoU signed with Apron Solutions Pvt. Ltd. Department of Mechanical Engineering organized a workshop of 1 day for Mechanical Engineering students on 29<sup>th</sup> January 2018
- In continuation of our collaboration with Apron Solutions Pvt. Ltd Mechanical Engineering Department organized a guest lecture on 30<sup>th</sup> January 2018.
- Students of Mechanical Engineering visited the Maruti Suzuki plant, in Gurugram on 07<sup>th</sup> February 2018.
- Mechanical Engineering students visited HEIL (Hema Engineering India Ltd.) on 10<sup>th</sup> February 2018.
- Mechanical Engineering students visited Auto-Expo 2018 at Greater Noida on 13<sup>th</sup> Feb 2018.
- Mechanical engineering students visited ALP Nishikawa, Gurugram on 9<sup>th</sup> March 2018.
- **Excursion Tour organized in March (7<sup>th</sup> – 12<sup>th</sup> March 2018) to Kasol - Kheerganga by ECE and CSE Departments.**
- A Guest lecture delivered by Amrinder Singh, (GM, ALP Nishikawa) on “Readiness of Engineering Professionals for Industry” on 9<sup>th</sup> March 2018.
- On **23<sup>rd</sup> March 2017**, a group of 30 students of B.Pharm and D.Pharm visited the **Indian Pharmacopoeial Commission, Ghaziabad**. The students were exposed to the basic framework of the formation of Indian Pharmacopeia and various other Analytical instruments and techniques involved in the validation of standard analytical methods for each product monograph appearing in Indian Pharmacopeia (IP).
- **1<sup>st</sup> National Conference on Pharmacy Practice “Responsible Use of Medicines”** sponsored by DST, SERB, and IPGA was held on **22<sup>nd</sup> April 2017** at SGT University. It was an innovative concept to bring together professionals from Hospital Pharmacy, Community Pharmacy, Clinical Pharmacy, Industry, Research, Academics, Regulatory and other sectors of the Pharmacy profession. Mr. Atul Nasa, Prof. Pramil Tiwari, Mr. Pawan K Jaggi, and Dr. Rishi Kumar participated as key note speakers. 365 delegates from 20 different Pharmacy Institutions from all over the country participated in the conference.
- A **Faculty Development Program at Amity University, Noida** from 3<sup>rd</sup>- 7<sup>th</sup> July 2017 was attended by Dr. Neelam Vashishtha and Mr. Vinod Gahlot faculty member of SGT College of Pharmacy. The workshop was conducted by Cliniminds on **Clinical Research and Pharmacovigilance** followed by a visit to **Unichem pharmaceuticals** and **IPC**. At IPC, participants were exposed to various analytical techniques like HPLC, HPTLC, NMR, FTIR, TGA/MS, GC/MS, etc along with the updated Indian pharmacopeia edition 2014 (IP 2014) and National Formulary of India 2016 (NFI 2016).
- A group of 30 students of B.Pharm and D.Pharm was taken for Industrial Visit at Belco Pharma on 7<sup>th</sup> February 2017. Ms. Sushma and Ms. Tripti Arora coordinated the event.

- A seminar on UNESCO Bioethics was held on 30<sup>th</sup> June-1<sup>st</sup> July 2017 at Medical Auditorium, SGT University, Gurugram. The seminar was addressed by Dr. Russel D'souza, Dr. Marry Methew, and Dr. Geetalakshmi.
- On 22<sup>nd</sup> September 2017 a workshop on medical services and communication was done with Turacoz Solutions was held at Medical Auditorium, Gurugram. Dr. Kamlesh Kohli, Dean SGTCOP, all faculty members, and students attended the workshop.
- A group discussion on e-pharmacy among the students was held on 28<sup>th</sup> October 2017. All B. Pharm and D.Pharm students participated in this program. Prizes were distributed to the winners and runner-ups.
- 69<sup>th</sup> Indian Pharmaceutical Congress held at Chitkara University, Punjab on 22 December 2017 was attended by Dr. Neelam Vashishtha, Mr. Dheeraj Sharma, and students of B.Pharm and D.Pharm.
- On 23<sup>rd</sup> December 2017 students were taken for the Industrial Visit at Rishabh Healthcare Ltd. Dr. Visit was completed in coordination with Dr. Neelam Vashishtha and Mr. Dheeraj Sharma.
- The 5<sup>th</sup> Annual Convocation of SGT University was held on 19<sup>th</sup> January 2018. Convocation was attended by all faculty and students of B.Pharm and D.Pharm.
- A guest lecture on DRA and IPR was held on 15<sup>th</sup> February 2018 at the Medical auditorium which was addressed by Dr. Rahul Taneja and Mr. Pradeep Kumar. All faculty and students attended this lecture.
- A workshop on Molecular Docking, Virtual Screening, and Biologics Discovery on 12-13<sup>th</sup> March 2018 at Hamdard University was attended by Ms. Soniya Yadav, Faculty of SGTCOP.
- A Faculty Development Program on New Teaching Methodologies was held on 13-14<sup>th</sup> March 2018 at Engineering Department, SGT University attended by two faculty members Ms. Tripti Arora and Ms. Divya Upadhyay.
- A Faculty Development Program on New Teaching Methodologies was held on 20-21<sup>th</sup> March 2018 at Engineering Department, SGT University attended by two faculty members Dr. Ravi Malhotra and Ms. Soniya Yadav.
- A Faculty Development Program on New Teaching Methodologies was held on 27-28<sup>th</sup> April 2018 at A-Block, SGT University attended by two faculty members Dr. Vijay Sharma and Dr. Nitin Kumar.
- The farewell party "SAYONARA" was held on 2<sup>nd</sup> June 2017 at SGT Hospital Auditorium for the 1<sup>st</sup> year students of D.Pharm. All students of B.Pharm and D.Pharm attended the party.
- An Induction program for newly admitted students was organized on 1-5<sup>th</sup> August 2017 at SGT College of Pharmacy. The program was graced by Dr. I.S Mann, Prof. Sham Singla, Registrar, and all faculty members.
- An orientation program on 25<sup>th</sup> September 2017 was organized at Medical Auditorium chaired by Dr. Ramkishan, Prof. Umkant Bajaj, and Mr. G.S. Bedi.
- A health camp on 25<sup>th</sup> September 2017 was organized by the students of SGT College of Pharmacy at D-Block and SGT Hospital.
- A Fresher Party "Mulaaqaat-2017" on 6<sup>th</sup> October. 2017 was held at SGT ground. All students and faculty members participated in the event.

- A community drive on 29<sup>th</sup> October 2017 was done by the students of B.Pharm at District Park, Vikaspuri, New Delhi. Saurav, Ravi, Divya, Jagmeet, and Jatin participated in the drive.
- A school drive on 1<sup>st</sup> November 2017 was done by the students of B.Pharm at Columbia Foundation, Vikaspuri, New Delhi. Saurav, Ravi, Divya, Jagmeet, and Jatin participated in the drive.
- Synergy Tech Fest from 9-11<sup>th</sup> November 2017 was organized by SGT University. Students and Faculty Members of SGTCOP participated in the event.
- 56<sup>th</sup> National Pharmacy Week was celebrated on 25<sup>th</sup> November 2017 at Medical Auditorium. Mr. N.K Ahooja, Dr. Mukesh Garg, Mr. Inder Singh Chauhan, Mr. Manmohan Taneja, and Dr. Sham Singla shared their views at the event. All faculty members and students attended the program.
- An Excursion trip of students of B.Pharm and D.Pharm was taken to Sukhna Lake on 24<sup>th</sup> December 2017 by Dr. Neelam Vashishtha and Mr. Dheeraj Sharma.
- An Excursion trip of students of B.Pharm and D.Pharm was taken to Manali on 25-29<sup>th</sup> March 2018 by Mr. Manish Yadav and Mr. Dheeraj Sharma.
- Two students of B.Pharm 4<sup>th</sup> Semester Jatin and Hunny Dabas presented a power point presentation at DPSRU, New Delhi, and won the certificate, Trophy, and a cash prize of INR 2000/-.
- A Farewell party for the students of D.Pharm 2<sup>nd</sup> Year was organized on 19<sup>th</sup> May 2018 at the TV studio, Dental College. All students and faculty members participated in the event.
