SGT UNIVERSITY – TORCHBEARERS OF FUTURISTIC EDUCATION

The multi-acre campus of SGT University is a fully-functioning educational facility in Budhera, Gurugram, boasting a modern academic atmosphere, a lush green campus, and excellent infrastructure. As torch bearers of futuristic education, SGT University has taken the responsibility for this investment to nurture the NextGen leaders, with a vision to bridge the existing skill gap.

As a temple of education, the University aims at producing world class academicians and leaders in all spheres of life by embedding in its students' high moral values, commitment to professional excellence and zeal for incessant pursuit of knowledge. To achieve these goals, the university, in addition to providing sound academic atmosphere, lays emphasis on intensive personality development and mentorship programmes to mould its students into competitive human resources and inquisitive minds.

21 YEARS LEGACY IN EDUCATION

- 70 ACRES POLLUTION FREE, SELF-SUSTAINED CAMPUS

360° HOLISTIC DEVELOPMENT

- EXPRESSWAY CONNECTIVITY FROM AIRPORT

18 FACULTIES

- 9200+ STUDENTS
- 800+ TEACHERS

INFRASTRUCTURE

70 Acre Campus - A huge multi-acre campus on the outskirts of Gurgaon, flush with greenery and seemingly endless to the eyes. Students can never get tired of exploring the miscellany of buildings and trees.

State-of-the-art Laboratories - Exclusive spaces, lined with some of the best and latest equipment available. Meant for students to explore and embolden their specialties.

NRSC - The only one of its kind in the country, that uses AR and VR technologies giving our medical students top-notch training, which is as approximate to the real as you can get in any university.

Dedicated COEs (CENTRES OF EXCELLENCE) for Research and Student Learning

- Centre for Cosmology and Science Popularization
- National Reference Simulation Centre
- Centre of Excellence for Andragogical and Pedagogical Sciences
- Advanced Study Institute of Asia (ASIA)

Advanced Research and Development Labs

- Central Synthetic Chemistry Laboratory
- High-end CBCT Laboratory
- Genome Sequencing Laboratory
- Intraoral X Ray Lab
- PCR Extraction Molecular Lab
- Vi tech machine- Microbiology Lab
- Immunology analyzer-Biochemistry Central lab

Atal Community Innovation Center (ACIC) – Part of the Atal Innovation Mission by NITI Aayog, with the aim to create design-aware societies, by enabling them to leverage design principles to build more human-centric and meaningful innovations. This is done by primarily by providing financial support, physical space, and mentorship through our grants & partnership programs. Our success hinges on our proven ability to work closely on the ground with our partners while providing strategic support to help them achieve scale and impact.

Incubation Cell – The university has set up an Incubation Cell where research ideas generated from academia and industry, can be shaped up to be fruitful conceptions of society. The Objective of the Incubation Cell is to foster niche projects that concentrate on basic and advanced specialized education across all disciplines being pursued by university faculties. We propose to collaborate with reputable national and international industries, governmental organizations, and startup engagement programs through research and development proposals.

Additional Facilities for Students – Fully Wi-fi Campus, Centralised Library, Digital Classrooms, and Transportation for Delhi-NCR, features that try and optimize the time that an SGTian spends on campus.

CORPORATE RESOURCE CENTER (CRC)

The Corporate Resource Center (CRC) at SGT University plays a key role in shaping the careers of students, from their induction and orientation, to summer internships and mid-term projects, right to their final placements. CRC undertakes various academic and non-academic initiatives so that students are well equipped to meet varied industry requirements. The CRC networks with the university's alumni to support them by updating on better career opportunities and navigates for them through its vast network of industry contacts.

SYNERGY –THE BIGGEST TECH-FEST OF NORTH INDIA

SYNERGY by SGT University is the annual Science, Technology & Innovation Confluence. Started in 2017 with the aim of providing a platform for the student community to develop and showcase their technical prowess, we have now grown into one of India's largest tech fest - A grand 3-day event on the campus attracting over 20,000 visitors from Haryana & NCR including students, members of academia, industry professionals and various professional bodies.

ALUMNI SPEAK

It was a great experience studying at S.G.T. University, a memory to cherish for lifetime. My experience at S.G.T was full of learning and grooming. Being a university, It gave me an opportunity to meet different kind of people from around India and learnt many things from them. I am thankful to all the faculties, mentors and entire Chemistry Department (F.O.S.C) for providing us with quality education.

Arpit

Junior Research Associate in H.Q.
Mankind Research Centre,
Manesar, Haryana

All India Institute of Medical Sciences (AIIMS), New Delhi. It was a great experience studying at SGT University, a memory to cherish for lifetime. My experience at SGT University in the past 2 years was full of learning. All the faculty members of SGT University worked so hard on our overall development. The university regularly organized workshops and competitions to help students to learn more. Huge respect and devotion for entire faculty members of SGT University, a better professionals.

Priyanka

Nursing Officer
All India Institute of
Medical Sciences (AIIMS), New Delhi.

"What sets BSc. Clinical Psychology at SGT University, apart from others is the attention its graduate students receive from the extremely talented and friendly faculty. I was always welcome to drop into the office of any faculty member in order to discuss my ideas, share my thoughts or just pose a philosophical question. The intellectual environment was a great mix between being friendly and rigorous."

Siya Chaudhary

Addictions & Mental Health Practitioner,
Fanshawe College,
ON, Canada
