*Yakubpur, Jhajjar to observe World Cancer Day. It is an international awareness day led by the Union for International Cancer Control (UICC) celebrated on February 4 every year. As per the WHO Regional Director for Africa, between 2022 and 2024, the focus of World Cancer Day is to help “close the cancer gap.” To commemorate World Cancer Day, a total of 50 patients, including 20 males and 30 females were examined and 22 patients were treated at the camp site in Mobile Dental Van. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. An oral health talk was prepared and presented by the interns, focusing on the causes of cancer and how to prevent it using charts and models. The general population gave positive feedback and appreciated the check-up and patient care provided by the dental team. They acknowledged the way the dental team heard and attended to their problems with compassion. The purpose of the oral health check-up was to create awareness among the community and make them understand the importance of oral health.*

## *8. Number & Description of Beneficiaries:*

*Total- 50  
Male- 20  
Female-30*

## *9. Outcome of the Activity & its relevance to Health Sciences: 50 Patients were examined, out of which*

*20 patients were diagnosed with Dental Caries,  
10 patients were diagnosed with Periodontal Disease  
5 patients were diagnosed with Malocclusion*

*All the patients who required any kind of dental services were referred to SGT Dental College, Gurugram*

MODEL ECONOMIC TOWNSHIP (RELIANCE FOUNDATION)  
(YARUDBPUR)

It was a very informative camp. We got to learn about a lot of things as to how to diagnose a particular pathology and how to explain it properly and an easy way to explain it to the patient.

The patients also had a positive response towards patient education. We also motivated them to maintain good oral hygiene. Overall, the camp was a success.

- Lishica Kapoor
- Divyanshi Sajaj
- Harshita
- Yatharth Dhingra
- Paawan
- Smian Wadhwa
