SCHOOL ORAL HEALTH PROGRAMME

Kendriya Vidyalaya School, Rohini, Delhi

Date – 14th December, 2022

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening program on 14th December 2022 (Wednesday) at Kendriya Vidyalaya, School, Rohini, Delhi. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Head of Dept. & Associate Dean). The Dental team was headed by Dr. Vishal Sharma (Senior Lecturer, Department of Pedodontics) with 1 postgraduate student Dr. Renu (Department of Orthodontics) along with 6 Interns Shiwani, Shalley, Shweta, Swati, Tanisha and Yashi and 1 attendant Mr. Darshan. The camp started at 11:00 am and continued till 3:00pm. A total of 454 students including 242 boys and 212 girls from classes I- V were examined for their oral health status. An oral health talk session was delivered which included importance of brushing, procedure of mouthwash usage and oral hygiene instructions. Doubts regarding toothbrushing technique, oral hygiene products and questions raised by students during oral health talk session were also answered by dental team. Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

8. **Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken**

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening program on 16th December 2022 (Friday) at Vishal Bharti Senior Secondary School, Pitampura, Delhi. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Head of Dept. & Associate Dean). The Dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Department of Public Health Dentistry) along with 1 postgraduate Dr. Prince Rathee (Department of Pedodontics) 5 Interns Shiwani, Shalley, Shweta, Swati, Tanisha, and 1 attendant Mr. Rajkumar . The camp started at 11:00 am and continued till 1:30 pm. A total of 214 students from classes VIIth to Xth were examined which included 131 boys and 83 girls. Along with students, oral health examination was done for some of the teachers and supporting staff members in the school. An oral health talk session was delivered which included importance of brushing, procedure of mouthwash usage and oral hygiene instructions. Doubts regarding toothbrushing technique, oral hygiene products and questions raised by students during oral health talk session were also answered by Dr. Surbhi. Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

9. Number & Description of Beneficiaries:

The Beneficiaries were students of Vishal Bharti Senior Secondary School from Classes VIIth to Xth. 214 students came forward for their Dental Check-up out of which 131 were boys and 83 were girls. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

10. Outcome of the Activity & its relevance to Health Sciences:

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. Four hundred and eighty-three students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns and postgraduates worked in tandem and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

FEEDBACK (INTERNS)

We attended a dental camp at Citizen Public School, Kithala organised by the department of Public Health Dentistry on 23rd December, 2022. It was a screening camp. The whole staff of the school was very cooperative and offered great hospitality. The students were also very interactive, humble and curious to know more about their dental health. We, the interns, screened total number of 735 students and it was a great camp.
