Public Health Dentistry Dental Education Program at SGT University - A Hugh Success

The Public Health Dentistry department under the leadership of Dr. Sumanth Prasad, organized a day long workshop on “Insight into Questionnaire Designing, Validation and Problem Solving", on the 10th March 2014, at the SGT University campus.

The role of Public Health Dentist is equally important in today’s world as we are able to make the dental care facilities available to the masses & needy people, to whom these services are not available at approachable & affordable standards. In pursuing our goals we pursue such dental education programs so as we can understand our dental science care principles in a better manner. We at SGT University believe in planning and executing targeted goals so that we can perform our duties as health care clinicians to alleviate the enormous levels of dental diseases from all the age groups of the society.

In furthering our mission at his forum we saw immense enthusiasm from the participants. There were over 175 registrations for the program from over 20 Dental colleges. The delegates represented from faraway places like Bhopal, Udaipur, Ahmedabad, Chandigarh, Barielly, Jaipur, & Lucknow and also from the National Capital Region. The program had renowned academicians Dr. Nagesh L & Dr. Ravi V. Shirahatti whose meticulous presentations left the audiences awed. Dr. T.D. Dogra, the Vice Chancellor of SGT University, presided over the program as the Chief Guest. Enthusiastic delegates were extremely happy with the content of the program and were also mesmerized by the comforts & hospitality extended by the SGT University.
