6. *Objective of the Activity:
To create awareness among the people about common oral diseases and to Promote
Oral Health.*

7. *Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:*

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University organized a dental as well as medical camp under the Govt. scheme “Ayushman Bhava” on 30th September, 2023 (Saturday) at CHC, Ghangola (Nuh).

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

The dental team took initiative under guidance of Dr. Shourya Tandon (Associate Dean and Prof. and Head). The dental team was headed by Dr. Priyanka Kundu (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 postgraduate students Dr. Meera (Dept. of Endodontics), Dr Kajol (Dept. of Oral Surgery) and 6 interns Gaurav, Aman, Shelly, Prachi, Samridhhi, Ronit and Samriddhi. Mr. Sunil (Attendant) accompanied us. Dental checkup of 43 individuals including 21 males and 22 females from different age groups was done.

8 individuals were provided basic treatment which included partial oral prophylaxis in the mobile dental van at the camp site. Positive feedback was obtained from many patients post-treatment. However rigorous cases requiring complex treatment were referred to SGT dental college. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the needy population. Along with this, medicines including analgesics, antibiotics and multivitamins were distributed at the camp site.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

8. Number & Description of Beneficiaries:

Total- 43

Male- 21

Female- 22

9. Outcome of the Activity & its relevance to Health Sciences: 43 Patients were examined, out of which-

- *25 patients were diagnosed with Dental Caries,*
- *10 patients were diagnosed with Periodontal Disease*
- *8 patients were diagnosed with edentulous span.*

SCHOOL ORAL HEALTH PROGRAMME

Asian Public School, Sohna

Date – 21st October, 2023

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening program on 21st October 2023 (Saturday) at Asian Public School, Sohna.

The Dental team took initiative under the guidance of Dr. Shourya Tandon (Head of Dept. & Associate Dean). The Dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Department of Public Health Dentistry) along with 2 postgraduate students Dr. Karuna (Department of Pedodontics), Dr. Rishabh (Department of Orthodontics), 5 Interns Ashita, Manuj, Tanvi, Diksha, Simran and 1 attendant Mr Darshan. The camp started at 11:00 am and continued till 1:30 pm. A total of 45 students including their parents were examined.

Along with students, oral health examinations were done for some of the teachers and supporting staff members. An oral health talk session was delivered which included importance of brushing, procedure of mouthwash usage and oral hygiene instructions. Doubts regarding toothbrushing technique, oral hygiene products and questions raised by students during oral health talk session were also answered.

Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

attendants - Mr. Sunil and Mr. Darshan from PHD department. A total of 106 patients were examined which included 42 males and 64 females. Of which 15 patients were provided treatment in Mobile Dental Van on camp site. Patients who required complex treatment were referred to Dental Hospital in SGT University. Oral health education was imparted to the people and proper brushing technique was demonstrated to both adult and child patients. Toothbrushes, toothpastes, oral mouthwashes were distributed to the needy population.

The general population gave positive feedback and appreciated the check up and treatment provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion and were appreciative of the oral health education and counselling disseminated to them. The interns appreciated the opportunity provided to them to interact with patients at a community setting leading to improvement in their soft skills and approach towards patients in an outreach location, they also expressed their wish to participate in such activities in the future. The purpose of the dental camp was to create awareness in the community towards the importance of oral health.

8. Number & Description of Beneficiaries:

Total- 106

Male- 42

Female- 64

9. Outcome of the Activity & its relevance to Health Sciences: 106 Patients were examined, out of which

- 46 patients were diagnosed with Dental Caries,*
- 30 patients were diagnosed with Periodontal Disease.*

All the students who required any kind of dental services were referred to SGT Dental College, Gurugram.

5. E Brochure/Banner (if made)-

6. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

7. Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity Team organized a dental as well as medical camp on 25th November 2023 at CHC, Farrukhnagar. The dental team took initiative under guidance of Dr. Shourya Tandon (Associate Dean and Prof. and Head). The dental team was headed by Dr. RangoliSrivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 postgraduate students – Dr. Pranav (Dept. of Prosthodontics), Dr.Gunjan(Dept. of Periodontics) and 6 interns- Mehak, Simran, Nyato, Ashita, Manuj, M.V.Ribaalong with Mr. Sunil (Attendant) accompanied us. Dental checkup of 25 individuals from different age groups was done. 6 individuals were provided basic treatment which included partial oral prophylaxis, restorations in the mobile dental van at the camp site. Positive feedback was obtained from many patients post-treatment. However rigorous cases requiring complex treatment were referred to SGT dental college. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Importance of maintaining good and hygienic oral health was verbally delivered to the patients. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the needy population. Along with this, medicines including analgesics, antibiotics and multivitamins were distributed at the camp site. With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

The general population gave positive feedback and appreciated the check up and treatment provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion and were appreciative of the oral health education and counseling disseminated to them. The interns appreciated the opportunity provided to them to interact with patients at a community setting leading to improvement in their soft skills and approach towards patients in an

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

outreach location, they also expressed their wish to participate in such activities in the future. The purpose of the dental camp was to create awareness in the community towards the importance of oral health.

8. Number & Description of Beneficiaries:

Total-25

Male-11

Female- 14

9. Outcome of the Activity& its relevance to Health Sciences:25 Patients were examined, out of which

- **9patients were diagnosed with Dental Caries,**
- **10 patients were diagnosed with Periodontal Disease.**

All the participants who required any kind of dental services were referred to SGT Dental College, Gurugram.

10.Relevant Photographs with captions (preferably geo-tagged & High-resolution images – to be mailed as separate attachments along with placement in word file also) – 4 to 6 Photographs

7. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

An oral health screening and treatment camp was organized by Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University on 9th December, 2023 (Saturday) at CHC, Borakalan in association with Ayushmann Bhavv.

The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof. & Head and Associate Dean). The Dental team was headed by Dr. Surbhi Priyadarshi (Assistant Professor, Department of Public Health Dentistry) along with 1 postgraduate Dr. Akanksha (Department of Endodontics), 6 Interns- Riya, Pranjal Aditi, Megha, Parul, Mahek and 2 attendants - Mr. Devesh and Mr. Darshan from PHD department.

A total of 42 patients were examined which included 25 males and 17 females. Of which 13 patients were provided treatment in Mobile Dental Van on camp site. Patients who required complex treatment were referred to Dental Hospital in SGT University. Oral health education was imparted to the people and proper brushing technique was demonstrated to both adult and child patients. Toothbrushes, toothpastes, oral mouthwashes were distributed to the needy population.

The general population gave positive feedback and appreciated the check up and treatment provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion and were appreciative of the oral health education and counselling disseminated to them. The interns appreciated the opportunity provided to them to interact with patients at a community setting leading to improvement in their soft skills and approach towards patients in an outreach location, they also expressed their wish to participate in such activities in the future. The purpose of the dental camp was to create awareness in the community towards the importance of oral health.

8. Number & Description of Beneficiaries:

Total- 42

Male- 25

Female- 17

9. Outcome of the Activity & its relevance to Health Sciences: 50 Patients were examined, out of which-

- 25 patients were diagnosed with Dental Caries,*

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

- 15 patients were diagnosed with Periodontal Disease.

All the patients who required any kind of dental services were referred to SGT Dental College, Gurugram.

10. Relevant Photographs with captions (preferably geo-tagged & High-resolution images – to be mailed as separate attachments along with placement in word file also) – 4 to 6 Photographs

It was a very good experience to be a part of this dental camp.
I got to ~~learn~~ learn so many things & would like to attend
further camps.
- Bitesha (Intern)

It was a very good exposure. Camp was very
well oriented and organized. All the teaching
staff was very co-ordinated. I have learned
a lot at this camp.
Pranjal (Intern)

The overall experience of the camp was
thrilling. The patient load was high which
made it more interesting and provided a good
exposure.
Tanvi (Intern)

INTERN FEEDBACK

It was a nice experience. Everyone was so cooperative and helpful.

- We promoted oral health awareness among young children.
- The camp helped the children to learn about the importance of maintaining good oral hygiene and provided them with the necessary tools to take care of their teeth.

- OVERALL THE DENTAL CAMP WAS AN EXCELLENT INITIATIVE...

- I GOT TO LEARN SO MANY NEW THINGS AND AFTER SCREENING SO MANY PATIENTS, I NOTICED THE REGULAR PATTERN OF ORAL HEALTH PREVALENT IN THAT SCHOOL

Oral Health Checkup and Awareness Camp

Literacy India Centre, Chhawla, New Delhi
16.12.2023 (Saturday)

The Department of Public Health Dentistry, Faculty of Dental Sciences (FDSC) organized Oral health checkup and awareness camp in association with Faculty of Special Education and Faculty of Nursing, SGT University at Literacy India Centre, Chhawla, New Delhi on 16.12.2023 (Saturday). Literacy India has proposed to conduct the health check-up camps in their centres in Gurugram and Delhi in collaboration with SGT University. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof. and Head of Department, Public Health Dentistry). The Dental team was headed by Dr. Charu Khurana (Associate Professor, Public Health Dentistry) along with BDS Interns – Diksha, Trisha, Ehtesham, Shivam, Simran, Aditi, Manuj and 1 attendant Mr. Sunil. A total of 119 individuals including 36 males and 83 females were examined. Out of which only 30 people were found to have good oral hygiene and rest all of them had dental problems. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. Toothbrushes, Toothpastes, mouthwash and basic medicines were distributed to the needy patients. Attendees of the camp were given Health talk by Dr. Charu Khurana and brushing technique was demonstrated to one and all. Oral health education was also given to them regarding maintenance of oral health and its relation with general health. Apart from dental check-up, general physical examination was done by Nursing team and a Nukkad Natak on “Population Control” was performed by the students team from Faculty of Special Education. The attendees acknowledged the way the dental team heard and attended to their problems with compassion. The purpose of the Oral Health check-up was to create awareness among the community and make them understand the importance of oral health.

DENTAL CHECK-UP OUTREACH ACTIVITY CAMP

Camp Location : Shalom Presidency School, Gurugram, Haryana

Date: 18 & 19 December,2023

Day 1

18/12/2023

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing Team organized a dental as well as medical camp (eye check-up) on 18th December, 2023 at Shalom Presidency School, Gurugram, Haryana.

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry and 6 interns namely Tanvi, Ashita, Shivam, Diksha and Harshita, along with Mr. Darshan (Attendant). Dental checkup of 284 children (Girls – 136; Boys – 148) from different classes of school took place.

Positive feedback was obtained from many children and their class teachers. Cases requiring treatment were referred to SGT dental college. All patients were given referral slips. The children got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the children by faculty and the interns. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the children.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

Day 2

19/12/2023

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing Team organized a dental as well as medical camp (eye check-up) 19th December, 2023 at Shalom Presidency School, Gurugram, Haryana.

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry, 2 MDS Postgraduate students Dr Rahul, 1st year PG from Department of Public Health Dentistry and Dr. Meenakshi Donge, 1st year PG from Department of Pediatric and Preventive Dentistry, Interns – Diksha, Ashita, Tanvi, Parul, Aditi along with Mr. Darshan (Attendant). Dental checkup of 302 children (Girls – 147; Boys – 155) from different classes of school took place.

Positive feedback was obtained from many children and their class teachers. Cases requiring treatment were referred to SGT dental college. All patients were given referral slips. The children got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the children by faculty and the interns. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the children.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

8. Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening program on 20th December 2023 (Wednesday) at Scholars Global School, Bahadurgarh.

The Dental team took initiative under the guidance of Dr. Shourya Tandon (Head of Dept. & Associate Dean). The Dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Department of Public Health Dentistry) along with 1 postgraduate Dr. Lata (Department of Pedodontics) 6 Interns Harshita, Nyato, Mehak, Megha, Aditi, Manasvi and 1 attendant Mr. Sunil. A total of 490 students from classes Pre-Nursery to Third were examined which included 318 boys and 172 girls. Along with students, oral health examination was done for some of the teachers and supporting staff members in the school.

An oral health talk session was delivered which included importance of brushing, procedure of mouthwash usage and oral hygiene instructions. Doubts regarding toothbrushing technique, oral hygiene products and questions raised by students during oral health talk session were also answered by Dr. Surbhi. Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

hospital for further treatment.were referred to SGT Dental hospital for further treatment.

9. Number & Description of Beneficiaries:

The Beneficiaries were students of Scholars Global School from Classes different classes. 490 students came forward for their Dental Check-up out of which 318 were boys and 172 were girls. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

10. Outcome of the Activity & its relevance to Health Sciences:

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. Four hundred and ninty students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns and postgraduates worked in tandem and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

checkup of 400 children from different classes of school was done.

Positive feedback was obtained from many children. Cases requiring treatment were referred to SGT dental college. All patients were given referral slips. The children got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases.

Importance of maintaining good and hygienic oral health was verbally delivered to the children. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the needy children.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

Participants acknowledged the way the Dental team heard and attended to their problems with compassion and were appreciative of the oral health education and counseling disseminated to them. The interns appreciated the opportunity provided to them to interact with patients at a community setting leading to improvement in their soft skills and approach towards patients in an outreach location, they also expressed their wish to participate in such activities in the future. The purpose of the dental camp was to create awareness in the community towards the importance of oral health.

A total of 62 patients were examined which included 29 males and 23 females. Of which 19 patients were provided treatment in Mobile Dental Van on camp site. Patients who required complex treatment were referred to Dental Hospital in SGT University. Oral health education was imparted to the people and proper brushing technique was demonstrated to both adult and child patients. Toothbrushes, toothpastes, oral mouthwashes were distributed to the needy population.

The general population gave positive feedback and appreciated the check up and treatment provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion and were appreciative of the oral health education and counselling disseminated to them. The interns appreciated the opportunity provided to them to interact with patients at a community setting leading to improvement in their soft skills and approach towards patients in an outreach location, they also expressed their wish to participate in such activities in the future. Intern's Feedback

- Today I attended a dental camp, and it was a positive experience overall. The organizing staff was knowledgeable, friendly & efficient.

The free dental checkup provided valuable insights into oral health, & the educational sessions were informative.

The camp organization & cleanliness were commendable. The treatment of patients were also done. I got to learn so many things.

Overall it was a very good experience.
