CHAIRPERSON’S MESSAGE

I welcome all the students who have chosen SGT University, one of the best private universities in Delhi-NCR.

SGT University is devoted to excellence in teaching, learning and research, to produce thought leaders who have the capacity to nurture what is good, change the unwanted and innovate to create a better and inclusive world. SGT imparts education from Undergraduate to PhD level.

SGT is not only a place of world class education, it is a place where students are encouraged to dream, equipped with skills to turn them into reality and handle critical thinking skills through rigorous involvement in multi-disciplinary projects that solve problems faced by society at large. Mega events like SYNERGY are organised on regular basis to encourage problem solving, analytical skills through rigorous brainstorming sessions with experts from the respective fields.

Today, SGT is synonymous with experiential learning, industry specific modules and for reforms in educational structure to prepare students not only for jobs or careers but to make them the guiding lights for the entire mankind. Infrastructure at SGT demonstrates this vision in a very expressive manner. Simulation Lab, first of its kind in the entire south-east Asia, is a living example of the mission that we have undertaken to leave no stone unturned for the practical and hands-on exposure for the students.

Our former President, Dr. A.P. Kelam said, “The two most important life-goals that I would like to communicate to have: one, increase the amount of time that you have at your disposal; two, increase what you can achieve in that time available”. To this end, SGT has introduced Choice Based Credit System that enables students to choose variety of courses that are traditionally not available for them. This broadens their vision of experiment; explore the possibilities of multi-disciplinary career options confidently and innovatively.

SGT joined hands with leading educationists of India and beyond to contribute and restructure current education by plugging in the learning gaps, including the bouquet of co-curricular curriculum choices and expanding the horizons beyond just the courses that students have enrolled. It has its own-in-house developed academic system that facilitates students’ creativity and show research potential. The syllabus is designed with futuristic curriculum to cater needs of industries not only of present but also of emerging technologies. For the holistic development of students we have various Societies: Arts, Literature, Music, Sports, Theatre and Photography for to students nurture their talents.

Vision

To provide opportunities for learning, research, innovation and advancement of knowledge in the field of higher education for the sustainable development of the society.

Mission

To serve the nation by imparting inclusive, innovative & holistic education. This shall be achieved through modern teaching modules, hands on training, promoting research, proactive community activities and human resource development by explorative job oriented programs in medical, technical, professional and social sciences.

Objectives

1. To develop multi disciplinary Centre of excellence for Higher Education.
2. To provide state of the art facilities and stimulating environment for learning, research and innovation.
3. To achieve academic standard comparable to the top institutions of higher education in the country and abroad.
4. To disseminate knowledge and skill for shaping the participants to be the frontiers in entrepreneurship.
5. To develop participants as per needs of various sectors through hands on training, experiential learning and by collaborating with industry and top institution of higher learning.
6. To fulfill the social responsibilities through services and women empowerment.

Redefining Education

A public lecture entitled ‘Redefining Education’ by Honourable former President of India Shree Pranab Mukherjee and Professor Dinesh Singh, Professor of Mathematics and 21st Vice-Chancellor of the University of Delhi, was organized at Auditorium, Nehru Memorial Museum, Teen Murti Bhavan, New Delhi. SGT University too was present and witnessed this educational event. The event commenced with the introduction and the recitation of the national anthem. The dignitaries and guests were felicitated and a predatory was delivered by Hon’ble Shri Ram Bahadur Rai, Chancellor of SGT University.

After a lecture session by Prof. Dinesh Singh, a presidential address was delivered by Hon’ble late Pranab Mukherjee. The dignitaries included Najeeb Jung, former lieutenant governor of Delhi. Also, luminaries, professors from Delhi University and other institutions were present. The event concluded with a vote of thanks by Prof. Dr. G.S. Tuteja.

PROLEGEMENON

SGT University (Shree Guru Gobind Singh Tricentenary University) was established in January 2013 with the avowed objectives of following and propagating the message and teachings of the tenth Sikh Guru, Shree Guru Gobind Singh ji that “the spread of Gyan is the highest service to mankind”, which can be best achieved through specialized and quality education. SGT University dedicates itself to achieve its vision, mission and objectives through academic excellence in all spheres of knowledge.

The SGT University, spread over 62 acres of fully-developed institutional land in Buthuana, Gurugram, has a lush green campus with modern infrastructure and excellent academic aura. In line with its vision and mission, the campus has been designed and developed with great sense of aesthetics to provide eco-friendly environment and ambience to stimulate hunger for learning. The University is located in the National Capital Region, less than five kilometers from Delhi border at Daurala and has an easy and convenient access from I.G. International Airport.

As a temple of education, this University aims at producing world class academicians and leaders in all spheres of life by embedding in its students high moral values, commitment to excellence, zeal for incessant pursuit of knowledge. Apart from this, intensive personality development and mentorship programmes are offered by the University to mould its students into competitive human resource and inquisitive minds.
Media & Entertainment is the sunrise sector of India, FICCI reports have called M&E industry as the key growth driver of Indian economy. Media and Entertainment industry grew at a compound annual growth rate (CAGR) of 10.9% in FY17-18 to touch Rs. 1.486 billion (US$ 22.3 billion). It is expected to grow at a CAGR of 13.1% to touch Rs. 2,600.2 billion (US$ 39.7 billion) by FY22.

The industry provides employment to 3.5-4 million people, including both direct and indirect employment.
- Print revenue grew at 7%
- Television grew at 8.5%
- Films industry has grown at 10%
- Animation and VFX industry grew at 18%

The Government of India has supported Media and Entertainment industry’s growth by taking various initiatives such as digitizing the cable distribution sector to attract greater institutional funding, increasing FDI limit from 74% to 100% in cable and DTH satellite platforms, and granting industry status to the film industry for easy access to institutional finance.

— FACULTY OF —
MASS COMMUNICATION & MEDIA TECHNOLOGY

Why Choose Mass Communication & Media Technology at SGT University?
The Faculty of Mass Communication and Media Technology at SGT University came into existence in the academic session 2014. The Mass Communication and Journalism course is designed to prepare our students for a highly demanding and fast changing media industry. We, at Faculty of Mass Communication and Media Technology, sharpen their creative and technical skills to perfection. The course structure offers our students a complete industrial training with workshops, field trips, production projects and the best of equipment like still cameras, video cameras, studios, PCR, lights, microphones—an ideal learning environment.

Here, media is both an academic and industrial discipline. It encompasses print, television, film studies, radio, media research, content analysis, photography and public relations.

About The Courses
We offer a bouquet of courses to our students to skillfully leverage both communication and media to create a specialized learning experience. In maintaining our commitment to remain on top of the developments in these continually evolving industries, our faculty has added two new programs: BA in Acting & BA in Digital Media.

BA/MA in Journalism & Mass Communication integrates media theories with practical skills in information intensive professions.

BA (Film & Television Production) mentors young artists in the ever evolving media landscape that is deeply rooted in visual storytelling.

BA (Hons.) English provides wings for creative students and researchers.

Mentor-Mentee System
Students are assigned a mentor who is not only responsible for their academic growth but also to address their other concerns. The mentor acts like a friend, philosopher and guide to the students and helps them in every way he/she can. The mentor also maintains an ongoing dialogue with the students’ parents and keeps them briefed about their progress throughout the semester.

In order to provide healthy competition, interaction, companionship and leadership skills, each faculty has different activity clubs. The clubs not only help the students in having great fun but groom their overall personality and skills such as managerial skills, teamwork, balanced outlook, bold thinking, planning, reasoning, delegation, analysis, decision making, management, effective communication skills, motivation, problem solving and budgeting. The cultural activities held by these clubs provide opportunities to meet other students to exchange their ideas and views to promote changes on the campus and explore new interests. Through these events, every participant can explore and exhibit their abilities and potential with various competitive events such as music, dance, street play, skills, debates and inter university/college/institute competitions.

About the Faculty

Fashion is a subtle reflection of the social, economic and artistic forces of any given time. Fashion is an important part of our lives and is most commonly associated with clothing and lifestyle products. Fashion designers attempt to design clothes and lifestyle products etc., which are functional as well as aesthetically pleasing. It may consider that who is likely to wear the designs and the situations in which it will be worn, and it can be workable within a wide range of materials, colors, patterns and styles. Faculty of Fashion & Design enables the students to begin exploring the techniques of fashion design by enhancing skills beyond the basic level to the level required to excel in the industry. After the successful completion of a course in Fashion and Design, the students develop the skills to become efficiently empowered and self-sufficient in their endeavours. Fashion design course is project-based and runs through design development to the construction of the end product. Students get the opportunity to showcase a look on the ramp which would be made and styled by them at the annual fashion show.

FACULTY OF
FASHION & DESIGN

Details about courses

B. Design [Apparel & Lifestyle Products]

The program aims to encouraging students to create original designs which involves converting artistic talent and creativity in designing apparel as well as products of everyday life. It provides an enhanced environment for creative things and integrated learning.

Infrastructure:

The faculty has well equipped labs & advanced machineries.
- Pattern making lab
- Construction (Apparel) lab
- Construction (Life style products) lab
- Dyeing & Printing lab
- Quality control lab
- Fashion illustration lab
- Drafting lab
- Computer Aided Design lab
- Fashion photography lab
- Workshop
- Resource centre/ Studio
- Visual merchandising lab
- Advanced library

B. Sc [Fashion Design]

The program equips students with knowledge and hones their creativity and understanding the design application of apparel and home fashion industries. Faculty of Hotel & Tourism Management (FHTM) was established in 2014 with a vision of “Nurturing Future Hospitality Leaders and Young Aspiring Indians.” The Faculty is associated with the International Council of Hotel Restaurant and Institutional Education (ICHRIE), Business and Hotel Management School (BHMS) Switzerland, Robert Gordon University Aberdeen UK, Hotel & Restaurant Association of India (HRANI). Our mission is to prepare students who can balance theory with practice that imparts skills for immediate employment and entrepreneurship. To strengthen this reflection, we embark on a proven path which synthesizes and spreads the power of knowledge.

FHTM strives to make students industry-ready by focusing on and developing their aptitude, skill, and knowledge. The students are given opportunities to enhance knowledge with inputs from in-house and industry experts via workshops, lectures, and demonstrations to provide them a global exposure that makes them even more ardent and confident. We strive for 360° development of the students by providing them social as well as Industry-specific skills and training to groom them to the standards of the industry. Excellent teaching methods, workshops, hands-on training, and a multitude of features make this course one of the most viable and one to look out for.

FACULTY OF

HOTEL AND TOURISM MANAGEMENT

Diploma in Aviation, Hospitality And Customer Services

Do you want to fly and make a career out of it? Aviation industry provides you that platform to fulfill your dreams and at the same time have fun doing it. Right from being a smart cabin crew to opening your own travel company, aviation industry today provides unlimited opportunities to the young professionals of India today to hone their skills and showcase their abilities and prove them at the world stage.

Aviation has been one of the most growing industry in the last decade in India and with the increase in standard of living of the people, air travel has become a need of the average India as against a dream 20 years ago. During the same period, India has seen an exponential growth in the hospitality industry as well. With the unique combinations of luxury branded hotels to small sized and mid-town hotels running on new and innovative models using technology platforms, the industry provides a big canvas for both the young and the old.

Why Commerce and Management Education

The Liberalization, Privatization and Globalization and its current trends in the present scenario has been continuously encouraging the Commerce and Management education in India. The various opportunities available to the Graduate, Post Graduate, Commerce and Management Students such as scope in Advertising, Accounting and Finance, Sales and Marketing, Branding, Portfolio Management, Stock Broking, Consultant and Taxation Jobs, Administration and Management. Commerce and Management is a day-to-day living discipline and serves as important Machinery for transformation of human being into the needed skilled human resources according to the current challenges of competitive business world. Commerce and Management education have a very bright future and for this it is to link with Trade, Commerce, Management and Industry as a whole to meet the needed skills as per corporate expectation. Commerce and management education provides an opportunity to meet the standard of businesses and the challenges of the same as industrial skills are linked with educational institutions. This helps students to build the skills within them and make them ready to face the upcoming corporate challenges.

FACULTY OF
COMMERCe & MANAGEMENT

About the Faculty of Commerce and Management

Situated in the sprawling area of District Gurgaon, the Faculty of Commerce and Management was established under the aegis of the SGT University and approved by University Grants Commission, New Delhi. The faculty since its inception, has valued the concern for the right kind of education. The students have been provided with a grooming ground, that has transformed them not only into skilled manager but also, as global leaders. Latest methodologies are employed for effective delivery and the curriculum emphasized practical orientation. The faculty has pioneered commerce and management education in the region and has established itself as the foremost and most sought after place imparting commerce & management. Post liberalization, the reference of management education has become more imperative, this means a marked change in the way commerce and management education is perceived in India.

Core Strengths

• State of Art Infrastructure, Best Faculty & Genuine Placement Record.
• Approved Courses by UGC and Government of India.
• Application of learning through regular simulation workshop by industry experts.
• Enhance Employability through unmatched Andragogy.
• Consultancy and research activities in Commerce & Management.
• International Exposure through foreign Tours & Academic Tie-Up.
• Value added courses like CIMA, SAP, TALLY and foreign languages.
• Live research project and summer training projects as a part of Curriculum.
• Entrepreneurship Development Cell in collaboration with NER, Silicon valley, USA
• Exposure to develop interpersonal, leadership, communication, team building skills through club activities.
• Finance club to help student to bridge gap between theoretical and practical learning.
• Marketing club for effective exposure of organizing and participating in workshops, guest lecture, simulation amongst students.

Commerce and Management education are one of the most preferred field among students in India. The main objective of Faculty of Commerce and Management at SGT University is to provide education to ensure all round development of the student’s personalities, so that they can manage the affairs of the organization more efficiently and effectively. Below mentioned are some of the features of Faculty of Commerce and Management.
Collaboration, Placement & Internship

Sgt’s Corporate Resource Center comprises of dedicated experienced professionals to take care the final recruitment process. Under their supervision, student prepare their detailed profile for final placement. Relationship Manager are assigned to be the specific point of contact for each company. CRC encourage companies to visit our campus and conduct the entire process in person. When this is not practical, Skype, video-conferencing and telephonic facilities are available for the students. Every year, many students are placed with excellent salary package in renowned corporate units in India and abroad.

Summer Internships are six to eight weeks long. They are a mandatory requirement for all courses. Summer Internship process begins with short listing, based on the profile of the students. It is usually followed by group processes like GDs, case studies or written tests, depending on a company’s selection policy. Many students get paid internship from various companies every year. We have many academic and placement collaborations few of them are with National Entrepreneurship Network (NEN) Wadhwani Foundation, Silicon Valley, USA, Charted Institute of Management Accountant (ICMA), HCL, Jio, WIT, Indiarm, VLG, BYU’S, Wipro, Urban Clap etc.

Relaxation in eligibility for SC students of Karnataka state only and reservation of seats will be as per government rules.

Note: Other than the fees mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) Not applicable for Ph.D. Scholars) as caution money and Rs. 2,500/- (One Time Non-refundable) for Alumni registration.
Why Study Law:
Law is one of the most sought-after professions today. It was always considered to be one of the noblest professions of the world and continues to be so. It was no wonder that great leaders, like Mahatma Gandhi, Motilal Nehru and Jawaharlal Nehru were Barristers at law and used their knowledge in securing independence for our country. Eminent personalities, such as, Dr. B.R. Ambedkar and K.T. Shah who contributed tremendously in the drafting of the Constitution of India, were also lawyers.

In the present times knowledge of law is required in all disciplines. Having a career in law promises great opportunities in various walks of life. A student who obtains a law degree can have a very lucrative career in the legal profession. Besides, a lawyer can contribute in great measure to the growth of the society and bring justice to the underprivileged and marginalized people of the country. Studying law gives you the freedom to develop your interest in almost any subject ranging from geo-politics in international law, to medicine in tort law, from sociology in family law to commercial arbitration among others.

FACULTY OF LAW

About The Faculty
- Experienced teachers from reputed Universities;
- Curricula and syllabi at par with National Law Universities;
- Faculty offers interaction with distinguished Lawyers and Law Firms for Live Case Handling Experience;
- Collaborations and Association with Foreign Professors;
- Teaching Foreign Legal System to face the challenges of Globalization;
- Maximum Number of opportunities for Interaction with Legal luminaries through seminars;
- Conferences and interactive sessions;
- Meets with Professional Institutions like Indian National Bar Association, CICC, etc.;
- Inbuilt coaching modules for Judicial Services and Civil Services Examination.

The faculty of Law came into existence with its approval by the Bar Council of India vide its letter no. BCI: D-336 /2014 (LE) dated 15/5/2014.

SGI University felt the need to establish this faculty of Law for providing highest quality professional legal education to equip Indian students for a trans-national practice and to face challenges posed by globalization.

Core Strengths
- B.A LLB (Hons.)
- BBA LLB (Hons.)
- Bachelor of Law (LLB)
- Masters of Law
- Ph.D

The Faculty of Law comprises of very eminent faculty members with rich experience of working in premier universities of the country. The Faculty of Law adopts clinical method of teaching

Tie-Ups/Collaborations
1. Outreach Programmes - With the aim to promote the legal education through community participation, various group projects are organized through Nukkad Natak, school programmes, campaigns etc. by law faculty through law students and faculties in urban as well as rural areas. Some of the recently conducted group projects are on following topics:
   - Organized Voting Awareness Campaign, village Waiznabad Gunsgam
   - Provided Free Legal Aid to underprivileged people of Budhara, Gunsgam with District Legal Service Authority
   - Performed Nukkad Natak based on Consumer Rights in India.
   - Organized Legal Awareness Camp of Government, Budhara based on the theme of Offences Against Children
   - Organized Legal Awareness Camp in nearby areas based on Domestic Violence and Dowry Dosh.

Upcoming/Planned Events:
- Mediation and Conciliation Centre to resolve disputes and to provide free legal aid to underprivileged students
- Anti-child Labour camp in nearby areas
- Environmental Awareness camp in nearby areas
- Awareness Camp for Prevention of Female Foeticide.
Faculty of Law organizes a monthly series of seminars to keep the students abreast of latest knowledge on the different dimensions of law. It is a platform where there is an interface of ideas between students and experts from the field of law. Some of the important events organized by the Faculty of Law are International Colloquium, Seminars on Cyber Law, Alternate Dispute Resolution, Women & Law, Environmental law, Juvenile Justice, Technology, Artificial Intelligence & Law. Debates and Intra-Moot Court Competitions are also conducted on a regular basis. Most of the events are graced by eminent Supreme Court Judges, such as, Justice A.K. Sikri and Justice Deepak Mishra and prominent academicians, such as, Prof Upena Basu, Prof M.P. Singh, Prof B.T. Kaul and Prof A.P. Singh including many others.

**Internships**

The Faculty of Law conducts summer and winter internships where students are sent to Law Firms, District Courts, High Courts and Supreme Court, Multi-National Companies and various Tribunals. Students are also given exposure to work as interns with well-established Organizations, like, Federation of Indian Chambers of Commerce and Industry. Such internships give students a lot of practical exposure to gain skills in advocacy.

**Collaborations, Placements & Internships**

The SGT University, Gurugram in its pursuit excellence in Legal Education has signed a Memorandum of Understanding (MoU) with National Law School of India University, Bangalore for the purpose of Academic Collaboration in Academic events, Joint Research & Publication and in exchange of students, researchers & faculty as well as supervision of Ph.D Scholars.

**Career Opportunities**

Apart from entering into legal practice as a litigating lawyer, law graduates today have the option to join the legal profession and work as a Law Officer/Legal Advisor/Legal Executive in various Government and Private Institutions. Large corporate houses, multinationals, corporations, Banks, Insurance Companies, NGOs and NGOs are recruiting law graduates directly from the campuses and therefore, legal professionals are in high demand at very handsome remuneration packages. Many Young Lawyers wish to join the very prestigious Judicial Service or Civil Service.

---

**Bar Council of India**

Bar Council of India (Statutory Body Constituted under the Advocates Act, 1961) in and by their letter No. BC(D): 1031 / 2016(E/M) Dated: 18.07.2014 has granted the approval of affiliation as per Section 7(1) (i) of the Advocates Act, 1961, after due inspection by the competent authority on 24 February 2014.

The Government of Haryana has in and by the Haryana Private Universities (Amendment) Act, No. 8, 2013, created Shri Guru Gobind Singh Tricentenary University (SGT University) and same was notified in Haryana Government Gazette (Extra.), May 3, 2013 (VYSK 13, 1935 SAKA).

The Faculty of Law conducts summer and winter internships where students are sent to Law Firms, District Courts, High Court and Supreme Court. Also in various Multi-National Companies, NGOs and FICCI various students have been provided the opportunity of internship.

---

The Indian engineering sector has witnessed a remarkable growth over the last few years driven by increased investments in infrastructure and industrial production. The engineering sector, being closely associated with the manufacturing and infrastructure sectors, is of strategic importance to India’s economy. The Indian engineering sector is of strategic importance to the economy owing to its intense integration with other industries segments.

The sector has been de-licensed and enjoys 100 per cent FDI. With the aim to boost the manufacturing sector, the government has relaxed excise duties on factory gate tax, capital goods, consumer durables and vehicles. The engineering sector in India attracts immense interest from foreign players as it enjoys a comparative advantage in terms of manufacturing costs, technology and innovation. The above, coupled with favorable regulatory policies and growth in the manufacturing sector has enabled several foreign players to invest in India.
Core Strengths of the Faculty:

- Highly qualified faculty members from IIT’s & NIT’s, with international working experiences.
- Summer Training & Internship programs at PSU’s as well as at MNC’s.
- Young Scientist/Excellence Faculty Members with National/International Research Publications.
- Industry-Oriented Curriculum, with 50% placement assistance for the students.
- Modern technology equipped laboratories for enhancing the practical learning of the students.
- Exclusive placement cell for 360° Pre-placement training, Industrial training in core industries & campus interviews.
- Regular industrial visits & seminar from industry expert and scientist.
- Strong Mentor-Mentee system.
- Department is conducting special classes for GATE and other competitive exams.
- Topper of the department are awarded gold medal & Scholarships in academics.
- Member of IRC(Indian Road Congress), IET (Institute of Engineering & Technology UK).

Faculty members are also trained in Design Thinking, and they apply these tools in planning classroom sessions and student activities. We follow innovative teaching and learning paradigms. This includes project based courses like Python, CAD with rapid prototyping, Making with Electronics and case study based courses like Control Engineering, Entrepreneurship etc. We believe that the process of sharing ideas, knowledge and experience is the key. Collaborative learning allows students to engage in positive ways that leads to the development of their organizational skills, their ability to teamwork, and the art of giving and receiving feedback.

SYNERGY by SGT University is the annual Science, Technology & Innovation Confluence. Started in 2017 with the aim of providing a platform for the student community to develop and showcase their technical prowess, we have now grown into India’s one of the Largest Science, Technology & Innovation Confluence – A grand three-day event on the campus of attracting over 20,000 visitors from Haryana & NCR including students, members of academia, industry professionals and professional bodies.

During SYNERGY 2019 Various Live Projects were implemented to master domain skills under the Mentorship of experienced faculties e.g. IoT based Smart Car, Multi Purpose Pneumatic Vehicle Smart Dustbin, 3D Printer, Agricultural Drone, SPY Drone, Putter Drone, Car Pooling App, Electric Scooter, Wireless Surveillance Robot, Spy Cam Detector, Hybrid Pneumatic Car, Energy Efficient Bicycle, Gesture based Robot, Electric Shuttle etc.

Collaborations & Tie-ups

Linkages: The Faculty of Engineering and Technology has collaborations/ tie up with various corporate for imparting internship and training to the students:
Collaborations:

- Trimble-Tekla
- SMC Pneumatics
- IBM
- APPLE & SATRAXIS
- IIT Delhi Virtual Lab
- ASHRAE
- ASME
- SAE
- ISIPATH
- IET
- Honda
- Bosch
- LG
- Flipkart
- Samsung
- Reliance
- Tata Motors
- Sare Jahan Se Acha
- APJ Abdul Kalam University
- Punjab Technical University
- Guru Nanak Dev University
- Guru Harkrishan University

SGT University provides the best placements & internships by making sure that our courses meet the needs of employers. We build and enrich your potential and help you plan your career better. We prepare you for a smooth transition from your campus to the corporate world. As per the recent data, Placement drive 2019 our students are working with brands like Technum Technologies, Grapacy, Vittuso, Wipro, Marut, NIT Ltd., Mediotech Software, LGD, ANR Software, Huawei, PIIB Metlife, Sruvidha Enterprises, Vetta Group, Grapacy and lot more with 10 Lacs as the highest package bagged by our students. Partial list of industry recruiters per below:

- L&T
- DUL
- Supertech
- NESC
- M3M

FACULTY OF SCIENCE

Science is a study that engages in a “dialogue with Nature” to understand the principles and laws working in the natural world. Science is one of the oldest and most important academic disciplines, and covers a wide variety of subjects. It is also one of the fundamental parts of the term STEM, used to refer Science, Technology, Engineering and Mathematics.

Global Scenario
- Science is a multidisciplinary sector containing various skills of Physics, Chemistry, Mathematics, Forensic and Environment.
- India ranks among the top ten countries for scientific publications and patents.
- The number of patent applications filed by the Indian scientists and inventors has increased tremendously in recent years.
- India’s space business is witnessing tremendous advancement in the science and technology.
- The science sector is also likely to undergo a major change in second green revolution, artificial intelligence, lasers, genetic engineering, environmental conservation and cyber forensic.

About the Faculty of Science
Faculty of Science formerly known as Faculty of Physical Sciences was established in 2014, providing best quality education and training in the field of Science. Our goal is to change the world by imparting quality education to the students. In the academic year 2014-15, the Faculty started its academic activity with undergraduate program, with the aim of exploring knowledge and building capacities of human resource in the field of natural sciences. In the subsequent year, Postgraduate and Ph.D. programs were started. The Faculty of Science consists of five departments namely
- Department of Physics
- Department of Chemistry
- Department of Mathematics
- Department of Environmental Science
- Department of Forensic Science

Most of the faculty members are either doctorate or NET/SET qualified and many of the faculty members have rich experience in various reputed Universities and R&D Organizations. Therefore, under the guidance of these august faculties the students will be better oriented to understand the recent trends in Academics and Research & Development.

The Faculty provides state-of-the-art facilities to the students with quality education that match global standards and offers excellent opportunities to interact with students of other professional & non-professional disciplines to gain knowledge about different cultures which facilitate their overall development. Under the valuable guidance of the distinguished personalities, dedicated efforts of the faculty members, timely support of university authorities and unquenching curiosity and enthusiasm of students, the Faculty is progressing rapidly in its academic pursuits and frontline research.

Core Strengths
- Qualified and experienced faculty members with National and International exposure.
- Updated curriculum as per Choice Based Credit System (CBCS) implemented by UGC.
- Creative, Innovative and Interactive Teaching Methodology as per IQAC guidelines.
- Research Oriented Practical Training
- Each department has its own association which provides a platform to enhance the student skills.
- Guest Lectures by Distinguished Personalities
- Regular Visits of students to Research & Development Organizations and Industry.
- Robust Mentor—Mentee program to help students stay focused and manage their personal and academic life.
- Induction and Orientation Programmes for New students.
- Scholars Hub for Meritorious Students.
- Sports, Social and Cultural Activities.
Career Opportunities, Internships and Placement

The University has a well-equipped and well-staffed Corporate Resource Centre (CRC) that helps students with internships and final placements. The CRC team includes Placement Managers, full-time soft-skills trainers, Language teachers and placement coordinators. The CRC ensures that students not only get good job opportunities, but are also provided a constant industry interaction during their program. It ties up with industries across verticals to arrange Guest lectures, industry visits, short-term projects, summer internships, industry workshops & trainings and finally placements. The CRC organizes placement drives for students.

- Teaching and Research Position in Government and Non-Government Institutions
- Space Scientist Opportunities in ISRO, ISPS and other reputed places.
- Chemists in Plastic, Textile, Paper, pharmaceutical and ceramic industry
- Scientist in DRDO, BARC and CSIR Laboratories
- Government Services like IAS, PCS, PO, Banking
- Environmental Consultant in National, NGO and Government Body
- Environmental Scientist in FIU, IIS, CPCB, SPDB
- Forensic Expert in Crime Investigation, Toxicologist, Medical expert, forensic pathologist

Students of Science successfully completed internships in various reputed industries like TCS, Wipro, and Reliance and several other MNCs and R&D Labs and other collaborating institutions. Students of Chemistry took part in internships at Department of Chemistry, University of Delhi North Campus. Entrepreneurship training of students of Forensic Sciences at Central Forensic Science Laboratory, Hyderabad. Apart from that Faculty of Science will provide unique opportunities for undergraduate students to intern at corporates, research organizations, and social impact groups (NGOs). We create internships internally with our industry academic interface in Delhi NCR and Gurgaon. Department of Forensic Science tie-up with Secure India Limited to provide student internship at UG and PG Level which have expertise in the field of digital forensic, security appliances and Cyber forensic.

Placement is accomplished through building a strong partnership amongst industries, students, alumni and faculty. Faculty of Science has got strong MOUs with industry and NGOs centers in the areas of Physics, Chemistry, Mathematics, and Environment & Forensic Sciences.

Academic and Industry Partner

Agricultural development is one of the most powerful tools to end extreme poverty, boost shared prosperity and feed a projected 9.7 billion people by 2050. Growth in the agriculture sector is two to four times more effective in raising incomes among the poorest compared to other sectors. Agriculture is also crucial to economic growth: in 2014, it accounted for one-third of the global gross domestic product (GDP). The future needs an agricultural system that produces about 36 per cent more food to feed the world’s 9 billion people by 2050. Food and agribusiness form a $5 trillion global industry that is only getting bigger. Agriculture is the primary source of livelihood for about 58 per cent of India’s population. Gross Value Added by agriculture, forestry and fishing is estimated at Rs 17.67 trillion (US$ 274.33 billion) in FY18. The Indian food and grocery market is the world’s sixth-largest, with retail contributing 70 per cent of the sales.
Special features and highlights/Center of excellence:

- Mushroom cultivation shed
- Vermi-compost unit
- Compost unit
- Kitchen Waste Decomposer unit
- Well equipped laboratories (Entomology lab., Plant Pathology lab, Agronomy lab)
- Classrooms with modern facilities
- The Faculty has 35 acres of the experimental farm. Out of which, 20 acres is under cultivation with the following breakup:
  i) Orchard : 2.0 acres
  ii) Vegetable crops : 2.5 acres
  iii) Field crops : 15.5 acres
  iv) Additional area : 15 acres

Establishment of specialized labs:

- A Tissue culture unit in the Biotechnology Lab is being established for the production of tissue cultured plants.
- A Horticulture Lab has been setup for the modern post-harvest technologies.
- Soil Science lab is equipped with the latest instrumentation.

Core Strengths

All the faculty members are well qualified, most of them having PhD degree with an experience ranging from up to 38 years in teaching, research and extension fields. Many of the teachers in the core faculty have international exposure. Majority of the teachers have a background from reputed institutions like Haryana Agricultural University (HAU), Hisar, Indian Agricultural Research Institute (IARI), New Delhi, GBPUAT, Pantnagar, SKUAST, Jammu, etc.

Faculty Disciplinary Committee: A disciplinary committee is constituted to look into the discipline related issues pertaining to the students.

Batch In-charge: The duty of Batch In-charge has been assigned to different faculty members who take the class on fixed days and schedule to discuss any academic issue.

Mentor-Mentee System:
The faculty has also established a Mentor-Mentee system. Under this program, the group of students is also associated with one faculty member, who in a way acts as a local guardian for students. The teacher concerned takes care of all academic and personal issues of the students in the group and closely monitors the all-round development of the pupil. The faculty members (Mentors) are the first point contact for the parents/guardians, who may inquire regarding the performance or any other issue of their ward. Therefore, if you are the one who is planning to shape a career in the agricultural field, the Faculty of Agricultural Sciences at SGIT is the right destination for you.

Career opportunities:
The courses taught in the U.G. and P.G. degrees train the graduates to find career opportunities in the following areas:

- Educational and research fields in public and private institutions for higher studies.
- As an Agriculture Development Officer and Horticulture Development Officer in the State Departments of Agriculture and Horticulture, respectively.
- As Rural Development Officer in public and private sector banks.
- As officer in Soil Conservation and Soil Testing Division in Agriculture Department.
- As Technical Personnel in various fertilizer organizations and sugar factories.
- As Insecticides and Seed companies, starting from Management Trainee to Marketing Officer in Marketing Division and Research Officer in Research & Development (R&D) Division.
- As Technical Personnel in various food/processing and packaging industries.
- As agribusiness management in pesticides, fertilizers and seeds retail - only the Agricultural Graduates are eligible to run the business.

Relaxation in eligibility for SC students of Haryana state only and reservation of seats will be as per government rules.

Note: Other than the fees mentioned above, the students are required to pay Rs. 10,000/- (One Time Refundable) as Caution Money (not applicable for Ph. D. Scholar) and Rs. 2,500/- (One Time Non-refundable) for Admission Registration.
Why Education? One enters in the field of education to understand the educational processes. Among many courses the holistic course of B.Ed is designed to make the future teachers learn the art of teaching. Many of us own a wealth of knowledge but to extend or distribute the same to young learners is the challenge. To pass on knowledge from one individual teacher to a class of students is not an easy task. So, in order to pursue the dream of becoming a professional teacher one has to complete graduation or masters degree in any discipline and then complete two year B.Ed course. These two years help in building portfolio of a graduate or post graduate as a teacher. B.Ed course will help in learning the art of teaching at different school levels such as the secondary and senior secondary, and a host of other benefits. Hence, as a teacher, one will be entrusted with educating children—the future of the country. The teacher will be shaping minds and helping children develop and become well-rounded individuals.

Apart from this, the course helps to examine diverse learning environments in a variety of schools such as private, government, government-aided, model, international and world schools. The career opportunities one can avail after completing B.Ed course are: Teachers (PGT and TGT), Counselors, Content writer, Social worker, E-teachers/tutors and Entrepreneurs etc.

About the Faculty

Realizing the need and importance of education as critical for human and national development, the SGT University has established Faculty of Education to train and prepare teachers and teacher educators who will eventually be social transformers. Promoting quality education in schools and educational institutions, raising morale and values among students are major goals which the University envisioned through Faculty of Education. Faculty of Education striving towards achieving excellence in teaching, training and research by promoting quality and inclusive education compatible to global standards in the field of education and pedagogical sciences. In order to achieve goals on human and national development, Faculty of Education is offering Bachelor of Education at UG and Master of Education at PG level since 2016. These courses provide opportunities to students who want to be Teachers or Teacher Educators to extend and deepen their knowledge and understanding related to developments and issues in education.

The faculty of Education aims to impart higher education of international standard that meets the changing needs of the society, to achieve the national and international acceptability for our innovative academic content, to provide opportunities for higher learning that will also lead to better job opportunities. Faculty intends to provide opportunities for interactive and participative learning where learners do not remain passive learners but groomed as active participants in the teaching learning process through field visits, project based learning, case studies, discussions, observations and interaction with the community in multiple socio-cultural environments. The department leads through inculcating core values of democracy, creativity, unity in diversity, freedom, critical pedagogy, innovation, leadership and ethics.

Core Strengths:

Industry oriented innovative curriculum
• Curriculum is designed based on NCTE norms and Guidelines and at par with bench marking universities such as GGSIUP University, Delhi University, Jamia Millia Islamia, New Delhi and Regional Institute of Education (Constituent of NCERT) Ajmer.
• Curriculum is tuned with practical and field based activities that provide opportunities to students to be part and parcel of school system and community.
• Focus on Competency Based Teacher Education—where emphasis is laid on classroom management techniques, individualized instruction, skill based effective teaching, time management, counseling and guidance, dealing with adolescent behavior, event organizing skills, and evaluation and assessment techniques.
• Besides training on school teaching, students are oriented to be employed as academic auditors, academic planners, managers, and counselors.

Bilingual medium of instruction and examination
• Catering to educational needs of students being drawn from rural as well as urban settings.

Composite Model University
• Students draw benefits from parent faculty/discipline and other disciplines, such as, behavioral sciences, physical sciences, biological sciences and Center for Communication and Languages.

Positive teacher—students relationship
• Relationship between teachers and students is exemplary and there is no adverse experience on behavioral issues.
• Democratic approach in administration and management

• Students are given opportunity to decide schools, NGOs and other agencies for internship and community development work.
**Collaborations, Placement, Internships**

Internship in B.Ed is organized in three phases: (i) Pre-internship (ii) Internship and (iii) Post-internship. The pre-internship takes place of three weeks duration during which workshop for pupil teachers is organized in the institute. The following activities are organized during pre-internship phase in workshop:

- Microteaching sessions: Demonstration of mega lesson by the experts/supervising teacher followed by discussion and presentation of lessons by students in optional pedagogy.
- Discussion on lesson planning, blueprint, unit tests, diagnostic tests and CCE etc.

During internship period every student teacher undergoes through an internship of 16 weeks in an identified school. During this period the student-teacher shall be attached to a school and he/she shall undertake such duties as assigned to him/her by the Head Master/Principal of the school in all school related activities. During this period he/she shall teach at least 80 lessons in the school by taking equal number of lessons from each of his/her pedagogy subjects under the supervision of the mentor teacher and respective teacher educators. The first week is utilized for developing rapport with school (Students, teachers Principal/Head Master/other staff etc). Learning sessions on records to be maintained by pupil-teachers during internship is conducted. Pupil-teachers perform the duties during internship like: prepare lesson plans in two school subjects and deliver at least 40 lessons in each pedagogy (40+40=80 lessons), integrate student assessment activities with teaching learning process, observation of peer teaching; 10 in each school subject, Achievement Test Report in any one Pedagogy, Preparation of Learning Resources, preparation of Time Table, Review of Text Book, organize and participate in morning assembly, literary and cultural activities, Club activities, exhibitions, excursions and field trip, situational teaching, Quiz, games and sports, PTA/SMC meetings, maintaining the respective records, conducting guidance and counseling, maintenance of school library and laboratory, maintaining a reflective diary.

During the Post Internship Phase, the pupil teachers prepare and present brief report on their internship experiences and prepare an action research report based on the immediate problems related to school environment and their solution. They display their teaching aids in the exhibition. Viva-voce on School internship Programme by a board comprising of faculty members of the Institute is done.

**Community Service**

Community living service is mandatory 4 credit project in second semester of B.Ed programme. In this project students are provided exposure to community life in which they become the effective member of the society and act in terms of teaching, preparing school development plan, sharing cultural practices, holding cultural programmes and gaining community perception about aspirations from formal education system. The students perform various curricular and co-curricular activities in any selected NGO dealing with education. Students visit to different NGOs. Some of NGOs our students have worked in are PRATAS (Saket, Delhi), SEWA (Najafgarh, Delhi), DREAM GIRL FOUNDATION (Gurugram), LITERACY INDIA (Chhawla, Delhi), MAVISION EDUCATION CENTRE (Gurugram) etc. Such exposures and field visits allow students to use their professional competencies, enhance teaching learning strategies and add love towards social service to the community also.

Physiotherapy is one of the popular courses in modern medicine worldwide. It is a health care profession, which views human movements as central to the health and well being of individuals. The core skills used by Physiotherapists include manual therapy, therapeutic exercise and the application of electro-therapeutic modalities. Faculty of Physiotherapy, a constituent of Shree Guru Gobind Singh Tricentenary University was established in the year 2013. It has been set up to prepare students for Bachelor and Master degree in Physiotherapy to develop solid foundations of research and evidence-based practice ensuring that the students are well prepared to meet the challenges of the dynamic and constantly changing health care scenario. Faculty of Physiotherapy offers undergraduate (BPT), postgraduate (MPT) as well as Ph.D. programs in Physiotherapy. Faculty of Physiotherapy provides an ideal combination of Professional & Academic excellence. The Vision of faculty is to provide quality education to the youth and to produce competent, Skilled and Dedicated Physiotherapists who are good clinicians, excellent team workers, lifelong learners and excellent professionals who can work in a variety of health care delivery systems.

**FACULTY OF PHYSIOTHERAPY**

**Why Faculty Of Physiotherapy?**
- Ideal combination of Professional & Academic excellence.
- Our goal is to provide quality education to the youth and to produce competent, Skilled and Dedicated Physiotherapists.
- Unique style of teaching and experiential learning. We believe in achieving excellence by integrating teaching, learning & research.
- Strong Advisory Board.
- Regular interaction with Renowned Professionals and Academic Experts.
- The Course Curricula of Faculty of Physiotherapy is specifically designed to bridge the skill gap and make the students ready for the Industry.

**Our Core Strengths**
- High qualified, competent and experienced faculty.
- Innovative, job oriented and Benchmarking Course Curricula.
- State of the art Research, Exercise therapy and Electrotherapy labs.
- Smart classes using all modern technologies.
- Industry Exposure: through Visits, Inviting Renowned Physiotherapists/Experts to deliver Lectures/Seminars.
- Campus Experience: Ultra Modern-facilities - Smart Classrooms to Library to Café to Campus Life (Day Boarding Residential).
- Excellent Mentor mentorship policy.
- Wide Clinical exposure through various camps in rural areas under the supervision of trained staff.
- Department has a well established library. Emphasis on Student Centric Education.
- Hands-on training is provided to the students to enhance their skills.
- Collaboration with renowned hospitals and organizations for Students' training and Internship Programme.
- Excellent sports facilities on the campus.
- Involvement of Students in extracurricular activities for overall grooming of Students Personality.

**Tie-Ups/Collaborations**
1. Brawin Institute Of Health Sciences, Jakarta, Indonesia
2. B.L. Kapoor Hospital, Delhi
3. Manipal Hospital, Dwarka
4. Sir Ganga Ram Hospital, Delhi
5. Karate Academy of Gurugram
6. Indian Spinal Injuries Centre, Vasant Kunj, New Delhi
7. Max Hospital
8. Spastic Society Of Gurugram
9. RK Khanna Stadium, Dwarka
10. O’Vallis Badminton Academy Gurugram
11. Nehru Stadium, Gurugram

**Future Scope**
Physiotherapy plays an important role in the treatment of patients with Orthopaedic and Neuromuscular disorders. Their demand in medical institutions is increasing. Like all other medical and paramedical professionals, the employment opportunities for physiotherapists are tremendous as it is a career where the demand exceeds the supply.
Physiotherapists can practice in many settings such as:
- Government Hospitals
- Private Hospitals
- Private Practice
- Outpatient Clinics
- Health and Wellness Clinics
- Rehabilitation Department
- Critical Care Unit
- Health Institutions
- Home Care Physiotherapy
- Schools and Private Homes
- Further Studies - MPT

Besides the classroom learning and clinical training at the SGT Hospital, we give our students Industry Exposure through Vists, Inviting Renowned Physiotherapists /Experts to deliver Lectures/Seminar etc. to make them expertise in all the better ways we can. The vision and the mission of our University has added thrust to research and the department is well on the way to make its mark as a world-class institution of learning, research, and quality patient care. SGT University has long been distinguished for excellence in professional education. The University is home to diverse disciplines and excellence.
The Faculty of Behavioural Sciences (FBS) was formally established as an independent entity in 2014 with the Department of Clinical Psychology. In 2017, the Department of Audiology & Speech-Language Pathology (ASLP) was added. RCQ approved M. Phil Clinical Psychology course was introduced in 2017. A number of RCQ approved courses - Postgraduate Diploma in Clinical Psychology, Bachelor of Audiology, Speech-Language & Pathology (BASLP), B.Ed (Hearing Impairment and Intellectual Disability) D.Ed (Hearing Impairment, Intellectual Disability, and Autism Spectrum Disorder) have been introduced from the academic session 2019-20. Since the inception of the faculty, Ph.D. in Clinical Psychology/Psychology was introduced in the specialized areas of clinical and applied Psychology.

FACULTY OF BEHAVIOURAL SCIENCES

The faculty embraces participatory, experiential, discursive and student-centric practices in its teaching-learning endeavors. The following are hallmarks of our teaching approach:
- Project-Based Learning/Dissertation/Case Study Presentations/Student’s Seminars
- Regular Field Visits/Field Training/Practicum
- Robust Organizational Interface with Mental Health Organizations and Experts
- Role Plays, SIS, Group Discussion, Problem Based Learning, and Invited Lectures
- Critical evaluation and monitoring of teacher’s quality through periodical assessment.
- Summative assessment based on multimodal pedagogy
- Organization of lectures, conference/ seminar/workshops, symposia, etc.

Special education is individualized education for children with special needs. Special education means “Specially designed instruction, at no cost to parents, to meet the unique needs of a child with a disability.” Special education is something special—special materials, special training techniques, special equipment and special help or special facilities may be required for special categories of children having special needs. For example, low vision children may require reading materials in large print. Hearing impaired children may require hearing aid, auditory training, lip reading etc. Intellectually disabled children may need skill training.

Why Faculty Of Behavioural Sciences
- The ideal combination of hospital set-up and collaboration with psychiatry/OPD
- Courses Accredited by RCQ
- Regular classes and supervised clinical work
- Numerous opportunities for field and community work
- Industry exposure through visits, workshops, seminars, expert lectures, and conferences
- Collaborations with renowned hospitals and organizations for students' training and internship programme.
- Interdisciplinary focus in learning, teaching, and research.
- Highly skilled and professionally trained faculty.

Department of Audiology and Speech Language Pathology

The Department of Audiology and Speech Language Pathology (A & SL) was established in the academic year of 2019 under the faculty of Behavioural Sciences, deals with normal and pathological communication sciences across the life span. Communication science is a broad area covering aspects such as Hearing, Balance, Speech, Language, and Scholastic performance. The services offered go beyond the boundaries of pathologies and even assist individuals in excelling in normal communication.

The Department of Special Education

The department of Special Education was started in the Session 2019-20. The department focuses on integrated education in the areas of teaching and extension. Department of Special Education would undertake activities in order to actualize the goal of empowering the persons with disabilities at the grassroot level.

Careers in Clinical Psychology
- Clinical Psychologist
- Behavioral Health Psychologist
- Child Psychologist
- Teaching/Research
- Mental health practitioners

Relaxation in eligibility for SC students of Haryana state only and reservation of seats will be as per government rules.

Note: Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One Time Nonrefundable) as Caution Money (Not applicable for Ph.D. scholars) and Rs. 2,500/- (One Time Nonrefundable) for registration of Alumni Association.
Faculty of Nursing has qualified and experienced full-time faculty members, which provides the right kind of theoretical inputs, practical & clinical experience. Interdisciplinary professionals are participating in curriculum implementation. The faculty also offers 5 different specialities in master’s program. PhD in nursing will prepared nurse practitioner and researcher to provide quality care.

Faculty also organizes guest lecture & CME by expert academicians from different parts of the country. The student of this faculty are placed in meritorious at university level and also won various trophies in inter-faculty sports & other co-curricular competitions. Nursing faculty is also involved as reviewer articles & editorial board members in different national & international journals. Many of faculty members & postgraduate students presented scientific paper and attended conferences.

- Visit to sewage treatment plant, Jhajjar, Haryana
- Role play on world cancer day at SGT Hospital, Gurugram
- Lamp lighting & oath taking ceremony for B.Sc Nursing & GNM
- Guest lecture on Legal & para legal aspects, C
- School Health Programme on World Health Day
- Role play on Safe Motherhood Day
- CME on innovative strategies to fight against infection
- World Malaria Day – Walk against Malaria and Street Play
- Awareness program on world asthma day
- International Nurses Day
- Panel discussion on Breast feeding week celebration
- Guest Lecture on breast feeding week on theme Empower Parents enable breast feeding
- Visit to mother dairy & Moderna Hospital
- World Malaria Day – Walk against Malaria and Street Play
- Nukkad natak on Malaria, Dengue, Chikungunya
- Nukkad natak on Parivar Nisvan

**WHY FACULTY OF NURSING IN SGT?**

**Outreach Programme:**
Nursing outreach involves nurses providing health care away from the practice, typically in a patient’s home. This can overcome a number of access barriers and provide valuable information about a patient’s true health needs and social situation through awareness program like role play, nukkad natak, school health programmes, puppet show.

- Breastfeeding Week Celebration at Faculty of Nursing, Gurugram
- Guest Lecture on Breastfeeding Foundation of Life, Auditorium, SGT Hospital, Gurugram

Nursing is a unique profession, whose primary focus is caring for sick and provides need based preventive, promotive, curative and rehabilitative health care services. Nursing is growing with advancement in technology and digitization. Nursing is also aims at providing evidence based nursing practice. To have nursing services in today scenario faculty gives opportunity to the students to gain experience of simulation based learning. Nursing students are prepared to work in all settings like primary, secondary and tertiary health care delivery system.

The health-care industry has continued to change dynamically over the past few years, transforming the roles of nurses and escalating the opportunities for those who graduate and post-graduate from nursing colleges.
Collaborations, Placements & Internships

The Ups and placement with National and International agencies
1. BinaNasa Institute of Medical Sciences (BIMS), Jakarta, Indonesia And Faculty of Nursing, Shree Guru Gobind Singh Tricentenary University (SGT), Gurugram, Haryana, India

Memorandum of Understanding Between
Alyahuah Pontianak College (APC), Indonesia And Faculty of Nursing, Shree Guru Gobind Singh Tricentenary University (SGT), Gurugram, Haryana, India

Memorandum of Understanding Between
Alyahuah Pontianak College (APC), Indonesia And Faculty of Nursing, Shree Guru Gobind Singh Tricentenary University (SGT), Gurugram, Haryana, India

Hospital
The Ups:
- Columbia Asia Hospital, Palam Vihar, Gurugram, Haryana
- Army Hospital, Civil Lines, Gurugram, Haryana
- Civil Hospital Sec-30 Gurugram
- Polyclinic Sec-31 Gurugram
- NHG Farokhsagar
- PHC Gurgaon Village
- PHC Garhi Hansar
- PHC Daultabad
- Institute of Mental Health & Hospital, Agra, UP

PLACEMENT

- Faculty of Nursing at SGT University provide job opportunities by campus placement at various renowned hospital like Medanta, Columbia ASIA, Park Hospital, Paras Health care, BLK Super specialty Hospital etc.

SGT ADVANTAGES

- Multi-dimensional pedagogy blended with innovative course curricula, latest teaching methods, hands on training and intensive personality development and mentorship programmes.
- University has state of art infrastructure, hassle-free community life and well qualified, experienced, and dedicated faculty.
- Lush Green Campus spread over 70 Acres
- Significantly Managed Transport facility
- Interprofessional skill enhancement sessions
- Regular Internship and placement fair
- Interdisciplinary research & project based learning
- Multiple academic & extra curricular clubs for holistic development of the students.
- Multi-speciality hospital for clinical posting of students with in the campus.

WHY FACULTY OF NURSING IN SGT?

Ergonomical Chair: It is a simple wheel chair that can be converted into a stretcher which contains 19 items including sterile supply bag. This model has a very wide range of future aspect as per few modifications this model can be used in disaster services, referral services, home nursing, occupational nursing, emergency services, blood bank and moreover it can improve quality of patient care.

ALARMING DEVICE FOR BREAST CANCER DETECTION: It is device for breast cancer detection. It is safe, simple and easy to use handheld device designed to enhance the early screening and detection of breast lumps that may or may not be cancerous. It is not invasive, cost effective screening device. It can be used by any, medical, non-medical persons and housewife can use at their home. It can be used anytime anywhere, easy to carry, rechargeable, safe and harmless light are used for early screening, prevention and treatment of breast cancer.

RAKSHA: To provide safety for all as there many cases for assault, robbery etc.

Prunto Relief Band: Prunto Relief Band has future scope as doctors and mothers both seek for nonpharmacological means of pain management with no side effects. These bands can provide pain relief with no side-effect and it is cost effective as well.

WOUND CLIP: Wound Clip has future scope to be used in First Aid measures in early closing of wound and work as a substitute for suture, stapler etc. for closing of superficial wound.

CAREER OPTIONS IN NURSING

- Clinical Area: In government and Private sector Staff Nurse, Assistant Nursing Superintendent, Deputy Nursing Superintendent, Nursing Supervisor or Ward Sister, Director of Nursing, Nursing Superintendent, Nursing Educator
- Community Area: Community Health Nurse (CHN), School Health Nurse, Old Age Homes, In Orphanages, In Various NGOs
- Educational Institutes: In government and Private sector Tutor, Lecturer, Assistant professor, Associate Professor, Professor, Principal, Dean
- Army Forces and Railway Nurse
- Industries and Factories: Occupational Nurse
- Research: Research Nurse, Research Associate, Project Director
- Independent nurses practitioner
- Home care nurses

SGT College of Pharmacy, SGT University, Gurugram, Haryana is one of the very few upcoming Pharmacy Institutes in Northern India; it is expanding into one of the most sought after College of Pharmacy in India due to its specially designed curriculum as per the need of the Modern Pharmacy practices and university-industry linkages, which is the mark of attraction of SGT College of Pharmacy.

The Institute prepares and grooms the Pharmacists to take up the challenges at various positions available in India as well as abroad in various pharmaceutical companies, government organizations like FDA-India, drug control, research & development laboratories, etc., and in several well-known academic institutions.

Guest Lectures from the eminent personalities from Pharma Industries and research organizations pan India and abroad visit the institution to deliver lectures to update the students on current affairs in pharmaceutical sciences.

The Diploma, Bachelor of Pharmacy and Bachelor of Pharmacy (Practice) courses offer exhaustive exposure to various practical aspects of the research methodologies, instrumental techniques, emerging areas, industrial operations and concepts of Pharmacy Practice.

The College of Pharmacy is an optimum mix of youth and experience. Faculty Development Programmes in the form of Intensive Teaching Workshops and specific Subject workshops are routinely conducted at the Institute level to train young teachers. The faculty members are always working towards keeping the students updated on the latest advancements in pharmacy.

Core Values

We are committed to the following core values:

Leadership: To lead community service.
Professionalism: Accountability, Ethics, Integrity, Deviation and Uniqueness.
Orientation: To Service
Community: To Care
Collaboration: To up-skill in health education, research, and practice.
Innovation: To promote discovery.
Excellence: To strive for excellence

Support & Facilities

• SGT Medicines Information Centre with advanced software.
• Well-equipped Smart-air-conditioned Classrooms.
• Spacious thirteen Laboratories as per the requirement of regulatory bodies like USC & PCI.
• Industrial Lab cum Machine Room with advanced Milling and Rotary Tablet Press.
• Advanced Central Instrumentation facilities.
• Well-maintained Medicinal Herbal Garden and Museum.
• Knowledge Resource centre cum Library facilities with recent editions of the Pharmacy books, National, International and e-Journals.
• Students group activities clubs/ societies are available for their overall personality development.
**Future of Pharmacy**

Medicine spending in India is projected to grow 9-12 per cent over the next five years, leading India to become one of the top 10 countries in terms of medical spending. India enjoys an important position in the global pharmaceuticals sector and is the largest provider of generic drugs globally. Indian pharmaceutical sector industry supplies over 50 per cent of global demand for various vaccines, 40 per cent of generic demand in the US and 25 per cent of all medicine in the UK.

The pharmaceutical sector was valued at US$ 33 billion in 2017. The country’s pharmaceutical industry is expected to expand at a CAGR of 22.4 per cent over 2015–20 to reach US$ 55 billion. India’s pharmaceutical exports stood at US$ 17.27 billion in FY18. The country accounts for around 30 per cent (by volume) and about 10 per cent (value) in the US $70-80 billion US generics market.

Pharmaceutical exports include bulk drugs, intermediates, drug formulations, biologicals, AYUSH & herbal products and surgical. In spite of prevailing challenges in the Indian Pharma industry, 58000 additional jobs opportunities are likely to be created as the industry is expected to grow up to 45% by 2023.

**Government Initiatives**

Some of the initiatives taken by the government to promote the pharmaceutical sector in India are as follows:

- In October 2018, the Uttar Pradesh Government announced that it will set up six pharma parks in the state and has received investment commitments of more than Rs 5,000-6,000 core (US$ 712-855 million) for the same.
- The National Health Protection Scheme is the largest government-funded healthcare programme in the world, which is expected to benefit 100 million poor families in the country by providing a cover of up to Rs 5 lakh (US$ 7,723.2) per family per year for secondary and tertiary care hospitalization. The programme was announced in Union Budget 2018:19.
- In March 2018, the Drug Controller General of India (DCGI) announced its plans to start a single-window facility to provide consents, approvals and other information. The move is aimed at giving a push to the Make in India initiative.
- The Government of India is planning to set up an electronic platform to regulate online pharmacies under a new policy, to stop any misuse due to easy availability.

Relaxation in eligibility for SC students of Haryana state only and reservation of seats will be as per government rules.

Note: Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One Time Refundable) as Caution Money and Rs. 2,500/- (One Time Non Refundable) for Admission registration.

**Promotion Awarded**
Allied Health Professions are a distinct group of professionals who are important to the medical profession as they apply their expertise to cater to the tremendous expansion of health care industry. Many committees and experts have highlighted the importance of paramedics in health care delivery. In the past, including the National Knowledge Commission 1, which placed more importance on producing more paramedical professionals than doctors, despite the acknowledged scarcity of the later. This is true in view of increasing number of patients, hospitals including emerging equipments, as the diagnosis and treatment is becoming technology dependent rather than clinical. The demand of these allied health care professionals is, therefore, increasing world over. This is evident from the fact that there is a supply-demand gap of about 63 lakh allied health professionals in our country as per Govt. of India sources. In addition, the students get a chance to serve the mankind being a compassionate profession. Therefore, the education in Allied Health Sciences has become more relevant today justifying why the allied health sciences be chosen by the students as their career options.
Collaborations & Tie-ups

Linkages: The Faculty of Allied Health Sciences has collaborations/tie up with various corporate hospitals for imparting internship and training to the students:

Collaborations

- Fortis Hospital, Gurugram
- BinaNw Institute of Health Sciences, Jakarta (International)

Tie-ups

- BL Kепoor Hospital, New Delhi
- Paras Hospital, Gurugram
- Balaji Action Medical Institute, Delhi
- Columbia Asia Hospital, Gurugram
- Primus Hospital, Gurugram
- Sharp Sight Centre, Delhi
- Shri Gungrang RAI University, CMIL Lab
- Renkow Children’s hospital, New Delhi
- Rana Eye Centre
- RN Hanna Eye Center, Delhi
- Maji Mum Lions Eye and Health Care Center, Delhi
- Lions Naya Bazar Charitable Society
- ICLINIX Advanced Eye Care Centre, Delhi
- Park Hospital, Gurugram
- Signature Hospital, Gurugram

Internships/Training

The students of various courses are sent for three to six months training/internships in various hospitals including:

- Sir Ganga Ram Hospital, Delhi
- Fortis Memorial Research Institute.
- Akash Hospital, New Delhi
- BL Kepoor Hospital, New Delhi
- Columbia Asia Hospital, Gurugram
- Max Hospital, New Delhi
- Rockland Hospital, New Delhi
- Maharaja Agrasain Hospital, New Delhi
- Paras Hospital, Gurugram
- Health Maa, PGIMS, Rohtak
- Artemis Hospital, Gurugram
- SKIMS Hospital, J & K
- JNIMS Porompat, Manipur
- SRL Diagnosticl, New Delhi

Placements

Apart from the students who have chosen to pursue higher studies, many of whom in a reputed institution, maximum students of Faculty of Allied Health Sciences are placed as Assistant Professor, lecturers, Consultants, Dieticians and Technicians etc. in various Universities, Institutions/hospitals including corporate hospitals like:

- National Brain research Center, Mamesar
- Medanta Hospital, Gurugram
- PGIMS, Rohtak
- Modern Diagonostic, Gurgaon
- Sarai Diagonostic, New Delhi
- Rockland Hospital, Gurugram
- Metro Hospital, Gurugram
- Park Hospital, Gurugram
- Aryan Hospital, Gurugram
- SKIMS, Srinagar
- Health map, Ranchi
- Columbia Asia, Gurugram
- Lai Path Lab, Gurugram
- Nepal eye hospital Birgunj, Nepal
- SHARP SIGHT CENTRE SHRINAGAR
- VLCC, GURUGRAM

The Faculty of Medicine & Health Sciences was set up in 2010 as SGT Medical College, Hospital & Research Institute to offer medical education and research program and provide healthcare services to the needy people in its surrounding areas at an affordable cost. In the year 2009, the trust applied for the establishment of Medical College to the authorities and got permission to commence 1st-year MBBS course from the academic session 2009-10 with an intake capacity of 100 students per annum to vide MCI Letter No. MCI.34/41/2010/Mod/3918 Date 15/07/2010. In the year 2017, the SGT University got permission for 150 seats per annum to start 1st-year MBBS course from the academic session 2017-18.

Presently, the Faculty of Medicine & Health Sciences offers the following programs:

1. **MBBS**
   M.D./M.S. In all pre-para (Anatomy, Biochemistry, Physiology, Pathology, Microbiology, Pharmacology, Forensic Medicine & Community Medicine) & clinical disciplines (General Medicine, Respiratory Medicine, Psychiatry, Dermatology, General Surgery, 1. Ophthalmology, Oto-Rhino-Laryngology, Orthopaedics, Radio-Diagnosis & Anaesthesiology, Obstetrics & Gynaecology & Paediatrics).
2. **M.Sc. (Medical)** In all Pre & Para clinical subjects.
3. **PhD in Pre & Para Clinical Subjects.**

All these programs are being run under the able guidance of highly competent and specialized senior medical faculty.
Workshop on "Best practices in Scientific Writing & Publishing"

Dr. Shobha Broyor, Prof Emeritus, SGT University and Team in collaboration with Dr. Rama Chaudhary, Professor, Dept of Microbiology, AIIMS, New Delhi who is the country ambassador for American Society of Microbiology conducted a Workshop on "Best practices in Scientific Writing & Publishing" on 22nd August 2019. The workshop was attended by more than 250 delegates from various faculties of the University & other colleges of NCR. The program had video presentations and panel discussions in two sessions. It was well appreciated. All the University dignitaries grace the inaugural function.

Guest Lecture On "Anti Coagulant/Anti Platelets And Surgery"

A Guest Lecture On "Anti Coagulant/Anti Platelets And Surgery" was Taken By Dr. Savita Saini (Sr. Professor And HOD in Department of Anaesthesia and Critical Care at PGIMS Rohtak.) on 19 August 2019. Dr. Savita talked about a less understood topic of "Anti Coagulant/Anti Platelets and Surgery" in a way that the audience was able to comprehend easily. The lecture was appreciated by everyone and won immense applause. It was an informative and useful session for the faculty as well as the students.

Role of Yoga in Lifestyle Disorders CME 2019

Department of Physiology, Faculty of Medicine Health Sciences, SGT University, organized CME 2019 at SGT Medical College under the aegis of Association of Physiologists of Haryana on "Role of Yoga in Lifestyle Disorders" on April 5, 2019. Guest Speakers and delegates came from all medical colleges of Haryana and NCR. The welcome address was given by Organizing Secretary Dr. Nirmrpreet Kaur, Assistant Professor Physiology ENT. The chief guest of the day was Dr. Ishwar V. Bavarsardri, Director, Morarji Desai National Institute of Yoga, Ministry of Ayush, Govt. of India. The traditional lighting of lamps ceremony was performed by the chief guest, Pro-Chancellor Dr. Shambil Singh, Director FMS Dr. Kamlesh Kohli, Dean Dr. Sansar Chand Sharma, Medical Superintendent Dr. N.C. Anra, APHON secretary Dr. Indu Khurana and APHON secretary Dr. Jyoti Sethi along with Dr. Asha Gandhi, organizing chairman. This was followed by the release of souvenir and felicitation ceremony of senior physiologist Dr. K.K. Mahajan, and Dr. Surendra H. Singh. There was a galaxy of intellectuals from Delhi-NCR.

CME cum Conference on RNTPC

SGT University's Faculty of Medicine and Health Sciences (FMHS) organized a CME cum Conference on RNTPC (Revised National Tuberculosis Control Program) on March 26, 2019. The event started in the presence of SGT University's Honorary Chairperson, Managing trustee, Honourable Pro-Chancellor Dr. Shambil Singh, Pro-Vice-Chancellor Dr. G.S. Tuteja, Director of Medical Sciences; Dr. Kamlesh Kohli, Dean FMHS; Dr. Sansar Chand Sharma. Other dignitaries included Dr. Keshav Sharma, MTOC, Gurgaon, all deputy surgeons of Gurgaon, Kurukshetra, Hisar, Ambala, Head of Department, Respiratory Medicine WCTM, Jhajhar and Rutorial, nodal officers of the Medical Colleges of Haryana. In this CME cum conference, the reasons, aftermaths, diagnosis, and prevention of "Tuberculosis" were broadly discussed. The session on RNTPC was an endeavour in joining hands against this disease.

AIDS awareness 2018:

SGTians organized activities right from cities to small hamlets to spread AIDS awareness on 1st December - World AIDS Day. Rallies and health education activities were some of the highlights. The activities were fun informative and carried the message that AIDS can be combated with prudence.

Dental Surgery & Global Scenario

The Faculty of Dental Sciences, SGTU with its excellent infrastructure, state-of-the-art equipment and well experienced and highly qualified faculty has carved an niche for itself in the field of Dentistry and is recognized among the top Dental Colleges across the country. As a source of dental education, the faculty aims at developing student’s three dimensional personalities by dealing with:

- Continuous pursuit of knowledge, commitment to excellence & cultivation of moral & ethical values
- General dentistry at the out-reach levels to the masses
- Basic & Advanced Research related to Oral diseases & Oral health care

FACULTY OF DENTAL SCIENCES

Faculty of Dental Sciences

Faculty of Dental Sciences has two Centres of Excellence namely SGT Centre for Microscopy Enhanced Dentistry and SGT Centre for "3 D Maxillofacial Imaging (CBCT). Lasers and Implants are the need of the hour and therefore, the institute has special DODD units. Single to full mouth implants are done including sinus lift procedure, zygomatic implant etc. Nav Muskan Clift Centre is another feather in the Faculty of Dental Sciences. In association with Smile Train, Nav Muskan Clift Centre undertakes cleft lip and palate surgeries for the under privileged. The institute is equipped with specialty dental operating microscopes which allow advanced treatment under magnification. The institute is also equipped with a State of the Art CBCT Machine for advanced diagnostic needs.

International collaborations:
Comprehensive implant education Program with collaboration of NOBEL BIOCare Implant Company and COWELMED

National collaborations:
Molecular Biology Department, Maratha Mandal's Nathalph Rao G. Palkar, Institute of Dental Sciences and Research, Centre, Kolgaum, Karnataka

Core Strengths

Each Departments lays high quality stress on Research & Innovation in the field of Dentistry and Applied Sciences. Many faculty members are pursuing extramural research works in their choice of specializations & all faculty, post-graduates & even under-graduates are encouraged to document scientific manuscripts in Textbooks, Journals etc. The Departments also organize Continuing Dental Education (CDE) programs, Conferences, Guest lectures, talks etc. on a regular basis to keep the students and faculty updated. The Post graduate students and faculty members have won awards and accolades at various National and International Conferences and PU Conventions. The faculty lays special place for industry tie-ups both at corporate like Nobel Biocare, Colgate Palmolive Pvt. Ltd & government levels in the field of academic training or outreach oral health care. Besides academics, the students also actively participate in lot of Extra Curricular programs. SGT University also runs a ‘Mentor Mentee Program’, which strengthens the bond between students and faculty members.
Placement & Internship

On completion of the undergraduate course, the interested students can apply for a postgraduate dental course (MDS) in any of the nine specializations. Dental graduates can also opt for various diploma courses, certificate courses or fellowship programs in the dental fields from various colleges and organizations across the country. After completion of post graduation, the student may apply for professional job in his/her respective specialized departments in any Dental College of India as well as abroad for his future career.

| 11    | Ph. D. (Oral and Maxillofacial Surgery) | 3 Years      | Master of Dental Surgery in concerned specialty with minimum 55% marks | 1,50,000/- (Per Annum) |
| 12    | Ph. D. (Oral Medicine & Radiology) | 3 Years      | Same as above | 1,50,000/- (Per Annum) |
| 13    | Ph. D. (Orthodontics & Dentofacial Orthopedics) | 3 Years      | Same as above | 1,50,000/- (Per Annum) |
| 14    | Ph. D. (Pediatric and Preventive Dentistry) | 3 Years      | Same as above | 1,50,000/- (Per Annum) |
| 15    | Ph. D. (Periodontology) | 3 Years      | Same as above | 1,50,000/- (Per Annum) |
| 16    | Ph. D. (Conservative Dentistry and Endodontics) | 3 Years      | Same as above | 1,50,000/- (Per Annum) |
| 17    | Ph. D. (Oral Pathology and Microbiology) | 3 Years      | Same as above | 1,50,000/- (Per Annum) |
| 18    | Ph. D. (Public Health Dentistry) | 3 Years      | Same as above | 1,50,000/- (Per Annum) |
| 19    | Ph. D. (Prosthodontics and Crown & Bridge) | 3 Years      | Same as above | 1,50,000/- (Per Annum) |

Note: Other than the fee mentioned above, the students are required to pay Rs. 2,500/- (One Time Non-refundable) for Admission registration.
**Ayurvedic Medicine** is a medical specialty that focuses primarily on Preventive and Curative Medicine. Ayurveda covers the whole entity of Health for the well being of an individual at physical, mental, social, spiritual and economical levels through its eight branches — Astanga Ayurveda, Kaya Chikitsa (Internal Medicine), Shalakya Tantra (ENT & Ophthalmology), Shalya Tantra (Surgery), Agadatmantrnavidh Vaidyak (Toxicology & Jurisprudence), Bhoota Vidy (Parasitology), Kaumariyurvedya (Paediatrics), Navayan (Science of Rejuvenation) and Vajekaran (Science of Aphrodisiac).

**FACULTY OF INDIAN MEDICAL SYSTEM**

The various topics covered under this science are Samhitha Siddhanta (Basic Principles & Sanskrit), Rachana Shari (Anatomy), Kriya Shari (Physiology), Roga Nidana (Vum Vruth Vigyan & Pathology & Diagnostics), Dravya Guna (Pharmacology & Pharmacognosy), Rasa Shastra & Bhaisajya Kalpana (Pharmacology), Panchakarma (Therapeutics), Svast Vytha (Achievement of Good Health and Climatology with stages of Disease), Physicians, Therapeutics including wholesome locality and Procedures. Descriptions of these topics are spread over the entire treatise.

**Career Development Support**
- University provides a platform to the students for interaction with industrialists that orient them towards better career options.
- Extension Lectures based on the Theory & Practical aspects of the syllabus by the Industrial persons and Academicians.
- Exposure to Industries, Conferences & Workshops.
- Hands on practices for the dispensing of drugs in the Hospital.
- Fully equipped laboratories for conducting experiments.

**Internships**
- University training in Interdisciplinary fields

**Career Options**
- Clinical Practice - Self & Placement in Ayurvedic & Multi speciality Hospitals, SIPL, Panchakarma Centres
- Academics
- Research
- Drug Manufacturing
- Government Sector - Medical Officer, Research Officer
- Pharma Industry

**Moto of Faculty of Indian Medical System**
Faculty of Indian Medical System runs on a Moto of “Service for mankind”.

**About the faculty and Infrastructure:**
Faculty of Indian Medical System, SGT University was established in the year 2011 with an intake capacity of 100 seats. The college is affiliated with the Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh, and is approved by the Medical Council of India. The college is a member of the Association of Indian Universities, New Delhi, and the Indian Association of Medical Colleges. The college is located in a sprawling campus of 5 acres with state-of-the-art facilities. The college provides a conducive environment for the students to excel in their studies and careers.
Centre of Excellence / Lab Facilities

The Departmental labs and museum have all the latest equipments and software required for simulated experiments in Departments like

1. Department of samhita Siddhanta
2. Department of Rachana Sharir,
3. Department of Kriya Sharir
4. Department of Dravya Guna
5. Department of Rasashastra & Bhalsajya Kalpana
6. Department of Roga Nidan
7. Department of Agad Tantra
8. Department of Swasta Vritta
9. Department of Koumara Bhritya
10. Department of Prasuti Tantra & stree Roga
11. Department of Panchakarma
12. Department of Kayachikita
13. Department of Shalya Tantra
14. Department of Shalakya Tantra

WHY NATUROPATHIC MEDICINE AND YOGIC SCIENCES

Recent years have seen an extraordinary increase in consumer demand for safe, effective, and cost-effective natural health care. Naturopathic Medicine and Yogic Sciences have emerged as the health-care profession best suited to meet this demand, with naturopathic doctors trained in the art and science of both naturopathic and conventional medicines. Although it almost disappeared in the mid-twentieth century because of the rise of drugs and surgery, naturopathic medicine is now recognized as one of the original systems of medicine offering safe, effective, patient-centered care that is a vital part of healthcare in the twenty-first century.

FACULTY OF

NATUROPATHY & YOGIC Science

ABOUT FACULTY OF NATUROPATHY & YOGIC SCIENCES

YEAR OF ESTABLISHMENT – 2019

COURSES OFFERED –
(i) BACHELOR OF NATUROPATHY AND YOGIC SCIENCES (BNYS)
(ii) DIPLOMA IN NATUROPATHY AND YOGIC SCIENCES (DNYS)

LABORATORIES

Well equipped laboratories with a separate modern medical laboratories that offer a wide exposure to the students. Various laboratories facilitate the practical training in various other basic medical and naturopathic subjects.

HOSPITAL

A well established Naturopathic and Yoga Wellness center in the University premises that imparts practical training to students. It features a fully equipped treatment section for men and women separately, Yoga Studio and other requisites to impart therapies. A 100 bedded Fully functional hospital is coming up soon with modern amenities to give the best of art experience in wellness through Naturopathic Medicine and Yoga. Clinical training is also imparted at SGT Hospital, SGT Ayurveda Hospital, SGT Homeopathic Hospitals and other nodal medical centers of the University situated nearby Budhera.

CENTER OF EXCELLENCE

CLASSROOM

The FNYS aims to provide the best amenities which could give every student a state of art experience combined with best curriculum. The Faculty has spacious & air-conditioned, well furnished classrooms with modern teaching aids such as Over Head Projectors, LCD projector white boards, Microphones facilities for each and every class room for effective communication & interaction with the students and to facilitate class room discussions & projects. The FNYS and University believes in protecting the environment by paperless activities and the ERP system allocated to each and every student and faculty member gets the best of experience in learning.
Core Strengths:

- Highly qualified and experienced faculty coupled with a strong academic advising Committee.
- State-of-the-art campus facilities like multimedia enabled lecture & seminar halls, library with digital material as well as round the clock online support services, playground and yoga hall.
- Students train extensively at our various clinical institutions like SGT Naturopathy & Yoga DPO and Wellness center, SGT Allopathic Hospital and SGT Ayurveda and SGT Homeopathic Hospitals.
- A well-developed academic program with well-equipped spacious boarding and lodging facility are provided for the students.
- A multi-disciplinary curriculum that allows student to explore various natural health care modalities.
- A campus capable to accommodate and cater to a diverse student body from all over the country.

Scope Of The BNYS Course:

After the successful completion of B.NYS program, the graduate has a wide range of career opportunities:

- Grade ’N’ Physician
- Naturopathic Physicians / Consultants
- Medical Research Scientist
- Doctor in MEQ-I/SPA/SPA and Wellness Manager
- Physicians at integrated medical health centers
- Yoga Consultant / Stress Management Consultant / Corporate / Wellness Consultant
- Lifestyle interventionist in various disciplines like Cardiology / Obesity / Fitness / Endocrinology etc.
- Acupuncture Physician
- Medical Officer / Yoga Physician
- Academics / Teaching faculty in Naturopathic Institutions
- Hospital Administrator / Entrepreneur
- Health Club Advisor
- Govt. jobs at PHC, District hospital, AIIMS etc.

Relaxation in eligibility for SC students of Haryana state only and reservation of seats will be as per government rules.

Note: Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One Time Refundable) as Caution Money (Not applicable for Ph. D. scholars) and Rs. 2,000/- (One Time Non-refundable) for Alumni registration.
CENTRE FOR LANGUAGES AND COMMUNICATION (CLC)

- Around 840 million people speak English on this planet
- We can store only 7 bits of information at a single time
- Our brain can utilize up to 3000 words per minute during thinking.
- Super skills for Employability: Communication, Team Work, Willingness to learn, Creativity, problem-solving
- Einstein is the most famous German

SGT University has set-up an exclusive Centre for Languages and Communication (CLC) in 2015 to upscale the Communication and Soft Skills, across all programmes, keeping in mind the trending applicability requirements in the corporate set-ups. The department offers BA (Hons.) English as its flagship program.

English has emerged as one of the most sought after language in India. It is most widely acknowledged and spoken language. It is the lingua franca of the business world as well as the language that the world speaks. Along with academic research, this language opens up multiple and very progressive career options too.

Currently, CLC faculty is actively engaged in academics, soft skill training, aptitude building training, research and foreign languages like German and French.

Career Opportunities
- Teaching (Government and Private Sector)
- English Language Trainer (ESL Trainer)
- Journalism & Mass Media opportunities
- Language proofreading and Editing
- Research (after having a Higher Degree)
- Content/ Creative Writer
- Entrepreneurship
- IELTS/ TOEFL Trainer
- English Language Trainer
- Professional Blog Writer
- Professional Anchor
- Soft Skills Trainer
- Translator

Core Strengths of CLC
Team CLC comprises of Literature and Linguistic experts, Foreign Language experts and Soft Skills Trainers. The Faculty members are not only exceptionally well qualified and subject matter experts, but also are thought leaders in their chosen fields.
CLC has a team of vibrant and energetic faculty members who conduct Communication Skills and Personality Development sessions in the following faculties: Faculty of Engineering, Faculty of Commerce and Management, Faculty of Physiotherapy, Faculty of Nursing, Faculty of Pharmacy, Faculty of Mass Communication, Faculty of Fashion Design, Faculty of Agriculture, Faculty of Behavioral Sciences, Faculty of Law, Faculty of Physical Sciences, Faculty of Hotel Management.

- EngWings- The Literary Club was established in 2017. It is a student-run platform to create awareness and student engagement through literary activities. Visual Library and Reading café is well stocked with books.
- Language Lab has been set up to facilitate individual self-paced language learning. The levels of the programme help students to work on their English Language proficiency as per their own learning needs.
- Literati-Acers Association has been formed to run academic and co-curricular activities.
- Knowledge and Employability Studio is a special zone where sessions on communication and interpersonal skills, English language fluency and Employability skills enhancement are regularly conducted.
- Language and Soft Skills Studio has been established for Foreign language sessions and group discussions.
- CLC conducts regular workshops for faculty and students, facilitates Capacity Building Workshops for skill enhancement.
- Drama and Theatre
CORPORATE | INTERNSHIPS
RESOURCE CENTRE | PLACEMENTS

At the Corporate Resource Centre, we have embarked upon an ‘out of the box’ approach to establishing greater, enduring and synergistic industry linkages. Moreover, the traditional push strategy and pull component have been duly incorporated wherein we will commence asking corporate, industry practitioners and corporate leaders to partner with us for the long haul. Apart from usual support of conducting image management classes, aptitude building classes and GD-PI sessions, following are our add-ons special initiative:

1. Host A Job Shadow.
2. Informational Interview.
3. Create An Internship.
4. Be An Employer In Residence.
5. Be A Mentor.
6. Want To Be Featured On Our Blog.
7. Encourage Our Students To On-Site Visit.
8. Career Fair.
9. Information Session To Students.
10. Interview Students On Campus.
11. Tutelage.

Job Shadow:
Employers can play a significant role in helping young people to discover the world of work. Job shadowing allows a student to spend a few hours (2-4) or a full day (6-8) with a professional working in the student’s area of career interest. The student has the opportunity to experience them first-hand what the job is like and can establish the confidence to ask informed questions. This type of experiential learning can help students to determine early on in their college career if they are on the right path.

Informational Interviews:
Similarly, informational interviews is a great way to help our students understand the world of work, careers, and employers. Informational interviews involve and allow a student to interview a professional about his/her work and career journey. The time commitment is minimal, 30-45 minutes. Some of the information students want to learn about includes a career roadmap to the corporate leader’s current position, a typical day for the corporate leader, the joys and challenges of his/her job, any recommendations that the corporate leader may have for someone working to pursue employment in the field, and the culture of his/her organization.

Extership:
Through externships, which are training programs related to an area of academics or career interests that aim to give participants practical experiences in their area of interest. Internships are similar to externships, however, they tend to be shorter in duration, usually only a few days or a couple of weeks, and involve a combination job shadowing, informational interviewing, and possibly a brief hands-on experience. The goal of an externship is to provide students with additional insights into a specific career.

Feature On Our Blog:
Encourage corporate to be featured on our blog. Whether one is keen to be featured in an employer spotlight or be a guest writer blogging about career insights and industry-focused best practices, we want them. We encourage corporate leaders to get involved with students by volunteering to be mentors. Students want to learn firsthand from professionals in their career fields of interest. These informational learning opportunities are highly valued as they allow students to learn about careers and industries in a deeper and more meaningful way. These connections could involve a range of activities, including an informational interview, job shadowing, site visits, and resume reviews, mock interviews, or sharing your professional knowledge and experience. The commitment can be as little as one hour a semester, working with just one student or more than one student at a time.

Be A Mentor:
We encourage corporate leaders to get involved with students by volunteering to be mentors. Students want to learn firsthand from professionals in their career fields of interest. These informational learning opportunities are highly valued as they allow students to learn about careers and industries in a deeper and more meaningful way. These connections could involve a range of activities, including an informational interview, job shadowing, site visits, and resume reviews, mock interviews, or sharing your professional knowledge and experience. The commitment can be as little as one hour a semester, working with just one student or more than one student at a time. Internally, we are building a Career Advisory Centre which will assume a different hat altogether so that students come more handshake away. This will be followed up by the establishment of a Centre of Excellence for Industry Linkages.

Tutelage:
Our campus is abuzz with several departments working in tandem with each other. Also, we have several projects going on ranging from infrastructure development to routine facilities management, mess operations, marketing & communication etc. When young graduates step into the professional world, the expectation will be to deliver with little or no gestion period. Their managers will expect them to be well learned and hands-on. To deliver their future roles in a professional career(s), in addition to earning a degree, it is expected of graduates to have in-depth and detailed knowledge and understanding of the fundamental aspects without which no department can work as an optimum level and no project can be delivered in a timely fashion. They need to learn how to manage manpower, machine, and finances while delivering expertise.

To get these students (in small batches) involved in understanding fundamentals and intricacies of facilities management, HR process, Recruitment, Marketing & Communication, Sales, Finance, Accounts, Customer Services, Education Delivery, Personnel Management, Purchase, Inventory, Record-Keeping, Catering Operations, Security & Vigilance, Filing, Archiving, Environment Conservation, Biochemistry, Forensic Science, Microbiology, Pharmacology, Pathology etc. The students will need to invest time on live projects along with our multi-disciplinary teams to acquire these competencies which the crude professional world will not allow them time for.

The program is titled ‘Tutelage’ and is conducted under the aegis of CRC in collaboration with all faculties (including Commerce & Management) across the university.
MAJOR CENTER OF EXCELLENCES: Non-Medical Faculties

SAP NextGen: “For Engineering and MBA Students”

To connect students, researchers, and start-ups with SAP customers and partners to develop new technology innovations that are linked to the 17 UN Global Goals, SAP Next-Gen Lab which would be a dedicated space within SGIT University campus where Customers/ partners of SAP provide real business projects on Analytics for students to work. This could be a result of various activities like Codejams/ Hackathons / Design Thinking sessions that can be organized for students with participation from these customers and partners for students to solve their real-time business challenges using SAP technologies.

IBM: “For Engineering and MBA Students”

IBM CE - Enablement Program -TDP 2018 Career Education program of IBM that includes initiatives like SEED, CERT etc. for Engineering, IT or Business Schools, "CEBT" here-by refers to the program as Career Education for Business Transformation, a training program to provide multi-disciplinary skills to students and faculty members on Big Data Analytics. IBM® InfoSphere® Riginsights™ is an analytics platform, based on open-source Apache Hadoop, for analysing massive volumes of unstructured data in its native format. The software enables advanced analytics and modelling of diverse data and supports structured, semi-structured and unstructured content to provide maximum flexibility.

Apple iOS: “For Engineering Students”

The iOS Developer University Program is designed for accredited, degree-granting, higher education institutions planning to incorporate iOS development into their curriculum. The iOS Developer University Program enables the university to teach iOS app development courses using iOS SDK and other Apple technologies. With the iOS Developer University Program, students and professors within the same team can share their development apps through email or by posting them to a private website for presentation and grading purposes. Participating institutions must be qualified, degree-granting, higher education institutions.

CISCO: “For Engineering Students”

The Cisco network academy program offers a wide range of valuable Internet technology skills through CCNA, CCNP. To educate and train the students on the campus in the highly employable IT skills in Internet networking skills. This will also benefit the corporations in the state that face a shortage of skilled IT personnel and this obviates their need to recruit foreign talents.

D-Link: “For Engineering Students”

D-Link Academy is committed to educating users about networking technology. Candidates will have the opportunity to gain practical knowledge via hands-on labs to develop and improve their job skills and give them a better understanding of complex technical topics related to Switching, Security, Wireless, IP Surveillance and Storage.

Intel Intelligent Systems lab: “For Engineering Students”

INTEL® Intelligent Systems Lab has been set up to enhance students’ employability skills to bridge the gap between industry and academia. Also, to provide training on the latest Intel technology platform to develop prototypes and technology ideas in students. The training on “Excellence in intelligent systems” mainly included Intel Galileo and its programming, Peripheral interfacing and programming, Understanding embedded Linux and its interface with Intel Galileo and Building prototypes with Intel Galileo.

ORACLE Lab: “For Engineering, BBA & MBA Students”

The mission of setting up Oracle Lab is to identify, explore, and transfer new technologies to the students. Students will become Database Administration on the Oracle Cloud using 1Z0c. S MS-Pneumatic Labs: “For Mechanical Engineering Students”

This will help students by empowering them with Industry-relevant skill sets and increased employability in Automation arena. The lab is setup up with a vision for all those with an interest in the theory, development and application of pneumatic technology. Besides, it is intended to provide an informative and interesting refresh modifying pneumatic systems, or when specifying particular types of components.

BIM: “For Civil Engineering Students”

Building Information Modelling Lab is an engineering service which combines the knowledge and experience of architecture, engineering, project management, software engineering and education with a passion for technology to improve the ways of how buildings are designed and constructed. Building Information Modelling (BIM), the generation technology redefines the future of Construction Industry where students will be trained on Software for visualization and navigation.

Tally: “For MBA, BBA and B.Com Students”

Students getting certified from Tally will help them to acquire accounting ERP knowledge of diverse disciplines by imparting industry-relevant skill sets. Students will be trained on Tally ERP 9 with GST.
**NS&E: “For MBA, BBA and B.Com Students”**

To evolve new academic discipline in financial markets by NS&E powered financial market certifications like NCIM / NISM.

**Vira International: “For Hotel Management Students”**

To provide placements to SGT University students for a relevant position in USA. J1 VISAs will be offered with stipend up to USD 10 per hour per week. Students will be on internship for 01 years and will be allowed to work up to 40 hours per week.

**THEAKADEMIE: “For All Students”**

To provide research-backed consulting program to elevate research and innovation among SGT University students.

**CIMA: “For BBA and B.Com Students”**

Students of SGT University may register with CIMA to enrol for an accelerated route to the CIMA Professional Qualification to be a global resource as Chartered Global Management Accountants (CGMA).

School Of Arts, Sphija, Bulgaria:

“For Fashion & Designing Students”

SGT University has partnered with this school for the international student exchange program

---

**SAMPLE SKILL DEVELOPMENT PLAN FOR THE STUDENTS**

**For 2 Years Course:**

1st Year: Industry Tours, Expert sessions, Career Certifications and Aptitude Skills.
2nd Year: Career Counselling, Aptitude Skills, Domain-Specific Special Trainings and Soft Skills.

**For 3 Years Course:**

1st Year: Soft Skills, Communication Skills and Aptitude Skills.
2nd Year: Aptitude Skills, Career Certifications, Industry Tours and Industry Expert sessions.
3rd Year: Industry Tours, Expert sessions, Higher Education Training.

**For 4 Years Course:**

1st Year: Soft Skills, Communication Skills and Aptitude Skills.
2nd Year: Aptitude Skills, Career Certifications and Industry Expert sessions.
3rd Year: Industry Tours, Expert sessions, Career Certifications and Aptitude Skills.
4th Year: Industry experts’ sessions, Industry Specific Trainings and Higher Education Train
INFORMATION COMMUNICATION TECHNOLOGY (ICT) FACILITIES

Recognizing the importance of Information Communication Technologies (ICT) in education and research, the University has placed robust Campus Wide Wi-Fi network and Computer Labs equipped with latest computers and power backup systems in position. All the computers located in the offices, computer labs and classrooms are linked to the Campus Network. The students are provided Internet access in the hostels as well as at learning places. It always remains the endeavour of the University to augment its ICT infrastructure and replace obsolete PCs and other equipment with the latest ones to match its growing academic and administrative needs. The Internet bandwidth is subscribed from three Internet Service Providers, namely BSNL, Prinemet and Tikona. As much bandwidth is subscribed as is necessary for our campus network users and we keep on enhancing it from time to time to meet the rising demand and to become a digital campus.

RESEARCH LABS, LECTURE THEATRES & SEMINAR HALLS

The University has integrated experiential learning as a prominent mode of teaching and modern course curricula matching international standards. For experiential learning, the laboratories have been equipped with advanced and sophisticated scientific equipment and instruments to provide a stimulating environment to the students, particularly those who are pursuing postgraduate and research programmes and the teachers alike for advanced learning and creative activity. The University is committed to achieving excellence in research work by providing a supportive environment for research to flourish not only in all its faculties but also in multidisciplinary groups. Similarly, the spacious lecture theatres are air-conditioned, well-illuminated, adequately furnished and well equipped with multimedia teaching aids and ICT gadgets including internet connectivity for the best content delivery.

CENTRAL LIBRARY – THE TEMPLE OF LEARNING

The University Library—a knowledge shrine at SGT University and the hub of the academic and research activities—has a huge collection of latest books and National and International journals along with other learning resources, both in print and electronic forms. The reference collection includes a large number of reference books, handbooks, dictionaries and encyclopaedias.

The digital library consists of different media on a variety of subjects such as Medical Sciences, Dental Sciences, Allied Health Sciences, Management, Engineering, Computer Sciences, etc. Besides, more than 2200 e-journals are subscribed by the library which can be accessed round-the-clock from any node linked to the university network. All the functions and services of the library-cataloguing and classification, check-out and check-in, information services and barcoding of books have been fully automated. The internet lab attached to it has more than 50 nodes which are freely accessible to the teachers and the students for internet surfing right from its opening to its closure late in the evening. The library has been professionally designed and has ample space and natural lighting for the comfort of readers. It can accommodate more than 450 readers at a time. The air-conditioned environment of the library provides a serene and cozy atmosphere for serious study.
HOSTEL FACILITIES

Studying away from home opens up a world of exciting learning possibilities, but along with the excitement comes the anxiety about the unknown and the problems of adaptation to a new environment, as a person treads upon his/her learning expedition. Living in a hostel is a great opportunity for the students to meet their compatriots, make new friends, and learn the chores of community life. Being a wonderful rendezvous for students from all over the country, they can learn about various states and expand their understanding of our wonderful country.

In line with these aspirations and to shed off its students’ worries and make them feel at home, this University provides high-quality accommodation, separate for boys and girls, on a shared basis, with clean and hygienic dining facilities. The rooms are well-furnished with round-the-clock power back-up, filtered water supply, and Wi-Fi Internet connectivity. The hostels are well-secured with CCTV cameras at a strategic position and Security Guards on 24X7 duty.

RESIDENTIAL ACCOMMODATION AND SHOPPING COMPLEX

Retention of staff, particularly teachers is a Herculean task. Making the accommodation available to staff is one of the important measures for the retention and stability of the competent, qualified and experienced staff. Recognizing this doable necessity, the University has adequate residential houses in the campus for the teaching and non-teaching staff to keep them free from hassles of daily commuting so that they could concentrate their energies on their academic and office assignments and prove more productive for the University. The living accommodation on the campus is available for the asking. The houses have all sorts of amenities and facilities and are well-furnished. Besides, a grocery shop, barbershop, fast food shops, vegetable shop, laundry etc. are located in the vicinity of the residential and hostel complexes to cater to residents’ day-to-day requirements.
Transport Services

Despite the location of the University in the National Capital Region at less than 5 km from Delhi-Haryana border (Daulatia), it supports a fleet of 37 buses and other vehicles for the convenience of the students, faculty and staff. Ambulance for to and fro free transportation of patients to the University Hospital are also available. Signboards depicting the directions to the University have been put at all important and strategic locations to help visitors to reach the campus with ease.

FLEET OF BUSES PLYING FROM DIFFERENT PLACES

Route No 10: Rewari Bus Stand via Petaudi, Heilmandi
Route No 11: Rohtak Bus Stand via Jhajjar, Badli
Route No 12: Sohna Bus Stand via Badshapur, Subhash Chowk, Basai Chowk
Route No 13: Sector 56 (Gurugram) Via Jharsa Rajeev Chowk, Patel Nagar

The University has excellent infrastructure for harnessing the potential of its students and promoting their interest in sports and culture. The indoor and outdoor sports facilities include gymnasium hall, football ground, cricket ground, basketball court, volleyball court, table-tennis hall, badminton hall, carrom-board, lawn tennis etc. Besides this, sports events like intra and inter-college tournaments are organized regularly and competent physical education faculty is available to train the students in sports of their interest. Celebration of festivals, the hallmark of our culture and heritage, form an integral part of the community life on the campus.
The Scholar's Council at SGT University is an amalgamated group of teachers and students nominated to represent the interests of all University activities related to students. The Scholar's Council supports the aim of the concept 'Scholar' to create a network of responsible individuals every section of society. Drawing on the experiences and aspirations of the entire SGT University community, the Council strives to enrich the academic, social, and professional lives of all our students. Be it academic, co-curricular or social activities, the group envisions calendar of events so as the unending plethora of opportunities are explored by any of our student to showcase his/her talents during the precious personality development year at the university. From time to time, Scholar's Council sponsors and organises a wide variety of Social, Educational and Service activities for our students or otherwise for any section of our society.

All in all, the Council will provide a network, for engagement of activities, separate from those of routine academic departments or college affiliation and bring together uniquely like-minded people for the formation of lifelong friendships and shared intellectual curiosity. As a collective group, we will work to promote the reputation and global awareness of the SGT University and its endeavours through a strong alumni network, and internal and external collaborations.
SGT UNIVERSITY FREQUENTLY ASKED QUESTIONS (FAQs)

IMPORTANT HOSTEL RULES AND REGULATIONS

The students, admitted to the hostel, are assumed to be prudent persons, having sufficient maturity and understanding to live in an adult environment. Such living involves full respect for the rights of others, regard for self-discipline, high standard of honesty, and enviable moral conduct. These regulations have been framed not to restrict the conduct of individuals, but to ensure that a multitude of students should live and work harmoniously together with minimum of discord.

1. Hostel accommodation is optional for all categories of students except Junior residents (MD/MS/Student.
2. Hostel accommodation (if available) will be provided to the students for a period equal to duration of the concerned courses. However, if a student fails in the yearly end examination (two semesters) and not promoted to the next higher classes as per the provisions of the course ordinance, shall not be allowed to stay in the hostel under any circumstances.
3. Only upgradation of hostel is permitted, if available, subject to clearance of difference of charges and availability.
4. Students seeking admission to the hostel shall apply separately on a prescribed form to the Chief Warden, SGU University through the Dean of the respective Faculty within 10 days of the admission to the 1st year/1st semester of the course. A copy of latest Medical Report should be attached to the Hostel Admission Form.
5. Each hostel resident shall carry two locks, one dustbin and a bucket with mug for his/her personal use. These items will not be provided by the University.
6. Hostel residents are not permitted to inter-change their rooms without the permission of the Hostel Warden.
7. All hostel residents are expected to be in their rooms by the time fixed by Chief Warden/Hostel Warden. Those who are found out of room after the specified time will be marked absent. In case, a room-mate is found absent after 10:00 P.M. without leave or prior intimation, the other room-mate shall report the matter immediately to the Hostel Warden/Chief Warden/Some senior staff in the campus. If any student is found absent from the room during a surprise check at night, the room-mate will be considered to be in collusion with the absentee and will also be held responsible for not reporting the matter.
8. Hostel residents shall show their Identity Card if required by any officer of the University at any time.
9. It is mandatory for all the hostel residents to take permission for leaving the hostel. On working days, no permission to leave the hostel will be granted unless the student has obtained written permission from the Head of Department/Dean. If any hostel resident provides false information about his/her night stay out of the hostel, it will be considered as an act of indiscipline, which shall warrant penal action.
10. Every hostel resident entering hostel after leave/leaving hostel for outstation is essentially required to enter his/her time of entry/exit in the hostel register along with an application to the Hostel Warden.
11. To maintain harmony and cogent atmosphere, no religious ceremony or party shall be allowed to be held in the hostel. However, hostel residents may celebrate birthday with prior permission of the Hostel Warden and such a celebration/party should be over by 9.00 P.M.
12. Hostel residents are permitted to watch TV located in the Common Room of the hostel till 10.30 P.M.
13. Ragging and/or harassment of any kind to other students is strictly prohibited. Necessary disciplinary action shall be taken against the delinquents as per Prevention of Ragging Rules of the University.
14. Use of drugs/Any form of alcoholic drinks/tobacco in any form/any other intoxicant or possession of any kind of ammunition/weapons/assault/five-arm or use of abusive language is strictly prohibited in the hostel and University campus.
15. Association of any hostel resident with any unlawful organization is strictly prohibited. If any hostel resident is found/reported involved in such activities by the University or District administration/police, the concerned hostel resident will be expelled from the hostel.
16. Lights & Fans should be switched off and water taps be shut off when these are not in use.
17. Use of electrical appliance of any kind except the room coolers during the summer months (April to September) is not permitted.
18. Consumption of 50 units per month/per student for non-air-conditioned rooms and 100 units per month/per student for air-conditioned rooms is free, subject to modification by competent authority from time to time. The charges exceeding the permissible limit will be shared by all the occupants on pro-rata basis and charged monthly.
19. Misuse of mobile phones in any manner including MMS, activities amounting to cyber crime and viewing of questionable websites in the campus is prohibited.
20. Washing of clothes in the hostel is not permitted.
21. Hanging of clothes in the balcony on week days is not permitted. However, the hostel residents may use the balcony on Saturdays/Sunday and holidays to dry the clothes.
22. In case of damage to any building, furniture or other hostel/university property, the cost of repair and/or replacement along with appropriate penalty/fine will be levied on the delinquent(s) found to be immediately responsible. But, if the delinquent(s) causing the damage is unidentifiable, the cost and penalty shall be recovered from all the residents of the hostel/black/room on pro-rata basis.

- General Rules

1. No candidate shall be admitted to the course to which he/she is seeking admission unless he/she fulfills the eligibility conditions. Admission will be purely provisional subject to verification of the candidate's eligibility by the University as per laid down rules and regulations. In case, a candidate is found ineligible at later stage, the provisional admission will be cancelled and the candidate will have no right for admission to the course or refund of fee paid by him/her.
2. No candidate shall be admitted to any university examination unless he/she has been enrolled/registered as a student of the university. This condition may be relaxed in respect of students or scholars studying under University's Student Exchange Programme with any other University/Deemed to be University/Autonomous Institution.
3. A candidate from other University shall be eligible for admission to this University only on the submission of a Migration Certificate. However, the condition of producing Migration Certificate will not apply in case of students passing the equivalent examination from a foreign university recognized by UGC/MCI/DCI or any other Indian regulatory body.
4. In case of a real hardship, a student may be admitted provisionally at his/her own risk and responsibility subject to the condition that he/she shall submit his/her Migration Certificate to the University up to 31st December of the admission year.
5. If a candidate fails to submit the Migration Certificate even up to 31st December of admission year, he/she will not be allowed to appear in the annual examination. However, in a sheer hard case, the Vice-Chancellor may allow a candidate to appear in the examination provisionally on payment of a prescribed late fee and on submission of an affidavit from the First Class Magistrate to the effect that he/she is not appearing in any examination conducted by other University/Board simultaneously. If such a candidate fails to submit his/her Migration Certificate before the declaration of result, his/her results shall be withheld. However, in hard and deserving case, the Vice-Chancellor may allow the declaration of result on submission of Migration Certificate with a prescribed late fee within one year and with a prescribed late fee during the next two years of the declaration of main result.
6. The student, who is not registered with the University, shall pay to the University, at the time of admission, through the University Department/Faculty which he/she joins, University enrolment-cum-eligibility fee and the continuation fee. In case of re-admission of a student whose name has been struck off from the rolls of the Department/Faculty, he/she shall pay the prescribed fee for making necessary entries in the University register. However, no further fee for registration will be charged.
7. On registration, the student shall be issued the registration card by the Registration Branch through the respective HOD/Dean of Faculty in case of regular students, indicating the number under which his/her name has been entered in the register and that registration number shall be quoted in all correspondence with the University. In case of loss/misplacement, a duplicate copy of the registration card can be obtained by the student by making an application to the effect along with the prescribed fee.
8. Application for correction in the particulars of a student shall be entertained by the Registration Branch within 30 days from the date of registration without any fee. Applications received after this period shall be entertained only with the prescribed late fee.
9. Reservation policy shall be as per prevailing rules/Act.
10. If a student remains absent from classes for a continuous period of seven working days without any valid reason, medical or otherwise, his/her name shall be struck off from the rolls of the University Department / constituent college concerned irrespective of the fact that he/she has paid his/her dues in part or full. However, the student may be re-admitted with the permission of the Dean of the Faculty concerned on the recommendation of Head of the Department on payment of a prescribed fee for the purpose from time to time in addition to arrears of fee, if any; provided that the Head of the Department concerned is satisfied that re-admitted, the student will not fall short of requisite percentage of attendance/lectures, etc.
11. Each candidate shall submit the following affidavits/Declaration-cum- Undertaking in the format given in the Information Brochure:
   i) Anti-Ragging undertaken by the student.
   ii) Anti-Ragging undertaken by the parent/guardian.
   iii) Declaration-cum-Udertaking (Agreement Bond) by the parent/guardian.
23. Hostel residents are required to divulge the information about the medical problem/allergy towards any medicine immediately, if any.
24. The hostel resident, suffering from a communicable disease or any other disease which requires constant medical attention, shall vacate the hostel unconditionally immediately on having knowledge of disease/ailment.
25. In case of any emergency/hospitalization, the University will contact the parents/local guardian of the hostel resident to take their advice. In case, due to any reason, the parent/guardian could not be contacted, then the decision taken by the University will be final and acceptable to the parents/guardian. All expenses incurred on resident’s treatment will be borne by the parents/guardian.
26. If the hostel resident is not feeling well, he/she should seek medical help at the appropriate time. However, in case of an emergency, anyone present in the hostel would be equipped to act or take first aid measures.
27. The students may be allowed to keep their vehicles in hostels. However, they will park their vehicles in the General Parking Area. Parking of vehicles in the hostels will not be allowed.
28. Request for room allocation with specific location or partners cannot be assured. Nevertheless, efforts will be made to meet the desired request. If requested by the University, the hostel resident may be asked to shift to another room.
29. Hostel residents are advised not to keep valuables with them in the room. Such items, if any, should be locked in their respective cupboards all the time. The University shall not be responsible for the loss of such personal belongings.
30. Each hostel resident shall be responsible for the furniture and the electrical fittings provided in her/his room. He/she should get his/her room checked for furniture/fittings & fixtures etc. at the time of allotment and hand over the charge of the same along with the room key while vacating the room to the Warden’s Caretaker.
31. While vacating the room, the resident must ensure that bills of all services availed of by him/her are duly paid for speedy settlement of caution money. Submission of "No Dues Certificate" on the prescribed form is essential.
32. Hostel Warden will appoint one or more student as "Prefects" on the basis of academic merit out of top five students to coordinate between the Warden and the residents.
33. The University reserves the right to open any room whenever required.
34. Hostel residents are permitted to entertain their guest(s)/guardian/patients in the Visitor’s Room of the hostel only as per following visiting schedule: Weekdays: 07.00 A.M. to 09.00 A.M., 04.00 P.M. to 07.00 P.M. Sundays/Holidays: 08.00 A.M. to 09.00 A.M. However, in exceptional circumstances, parents may be allowed to visit their wards in the hostel room with prior permission of the Hostel Warden.
35. Except parents, female visitor(s)/guest(s) are not allowed in the boys’ hostel and vice-versa.
36. Parents/guardians/guests are not permitted to stay overnight in the hostel.
37. A non-hostel resident student may be allotted a room, if available, with the permission of the Hostel Warden and the Dean of the respective faculty subject to the following charges:
   - One quarter of the year or part thereof: 25% of the annual charges
   - Three to six months: 50% of the annual charges
   - More than six months: Full charges
38. The hostel residents are required to take their meals in the Mess only. The mess timings must be adhered to strictly. At present, the timings are as under:
   - Breakfast: Working Days: 07.45 A.M. to 08.45 A.M. Sundays and Holidays: 08.00 A.M. to 09.00 A.M.
   - Lunch: 01.00 P.M. to 02.00 P.M.
   - Dinner: 07.45 P.M. to 08.45 P.M.
39. No hostel resident is permitted to take meal(s) in the hostel premises/room(s). However, if a student is not in a position to go to the mess due to some genuine reasons, the Hostel Warden may grant permission to the resident to get his/her meal(s) to the room.
40. The hostel residents must be dressed properly while going to the mess. They are not allowed in shorts or similar attire in the mess/campus.
41. Food will be served in the mess in buffet style. Wastage in any form must be avoided.
42. The defaulting hostel residents shall be liable to fines/penalties for violation of rules as prescribed by the University.
43. Appeal against the fines/penalties/other actions shall lie with the Vice-Chancellor who will have full powers to reject the appeal or reduce/modify/modify the action taken by the competent authority. The hostel rules are subject to change from time to time with the approval of the competent authority.
44. Parking for students vehicle will be permitted only in the designated parking zone only. In no case it shall be allowed in front of hostels. For healthy and joyful life, treat the hostel as your home and keep it neat and clean always.
