Report

Faculty of Physiotherapy organized a talk on “**Need and Importance of Women Empowerment**” on 5th September 2017. The speaker Dr Sheetal Kalra, Associate Dean, described in her talk about the **Need and Importance of Women Empowerment** in present scenario.

She has explained about the views of government and the private sectors are supporting the women for leadership. Enlightening a very fascinating side of the discussion i.e. the equal rights of men and women in the society improve the work quality and thus the economic status of the nation. She has also explained why it is need and importance in the society. She shared her number of experience to the students present over there.

Dr Kamlesh Kohli, Director, Medical Sciences also shared her views on gender equity.
