Report

Faculty of Physiotherapy organized a guest talk on "Gender Sensitization and Capacity Building on Women's Legal Rights" on 8th March 2018. The guest speaker Dr. Kamlesh Kohli, Director, Medical Sciences, SGT University, described in her talk about the Gender Sensitization and Capacity Building on Women's Legal Rights.

She has delivered her talk on various points:

- To educate the participants about the status of women, sociocultural context in which violence against women occurs and its impact.
- To educate them about various laws and their role while dealing with women.
- To help them appreciate the importance of gender sensitivity in dealing with cases concerning women.
- To encourage introspection among the participants and to make them more mindful of gender issues.
- To make them act professionally and sensitively while conducting their investigations.
- To be aware about the recent amendments in laws relating to sexual offences against women and children.

Dr. Sheetal Kalra, Associate Dean, felicitated the guest with a memento as a token of appreciation.
